**DATE:** June 20, 2024

The WVOT is requesting approval for the above order for the Executive Branch's Microsoft licensing. The WVOT recognizes this is late; however, there was a contractual dispute that delayed order processing. Microsoft has continued to allow the Executive Branch use of the licenses, and therefore, the PO should be backdated to June 1, 2024 in accordance with the included paperwork.

Please let me know if you need anything further to support this request.
