RE: Decrease and Closure of Purchase Orders

In preparation for Year End Close, WorkForce West Virginia was reviewing outstanding procurement documents to determine if they should be liquidated or rolled. Upon review, we discovered many documents that were aged beyond one year of expiration. Staffing shortages and personnel changes were the main causes of these processes being overlooked. Moving forward, the agency plans to review the procurement reports and complete any necessary change orders in a timely manner.

Sincerely,

Debbie Morgan
Procurement Manager

**The items pre-checked are required before a Purchase Requisition may be submitted to the Purchasing Division. Failure to complete and verify this documentation may result in rejection of the requisition back to the agency. It is up to the agency procurement officer to determine if pre-approvals, insurance, or other documentation is needed for the purchase. The referenced information below may be used to make this determination.*

For Purchasing Division Use Only:

I have reviewed the requisition identified above and find that it is sufficient to advertise publicly to the vendor community. My review does not preclude the possibility that the vendor community, or some other entity, will identify an area of concern; however, should such issues or concerns arise, they will be reviewed and addressed as may be appropriate.
