Matthew Q. Christiansen, MD, MPH
State Health Officer

MEMORANDUM

TO: Bryan Rosen, Director of Purchasing
Shared Administration Operations

THROUGH: Trey Morris, III, Purchasing Director, Central Finance
Bureau for Public Health

FROM: Heidi Staats, MSW, Director
Office of Nutrition Services (ONS)

DATE: May 1, 2024

SUBJECT: Justification for Purchase of Hospital Grade Multi-User, Single Use Breast
Pumps and Accessories

Please consider this memorandum as the Office of Nutrition Services' request for approval to purchase both single use and hospital-grade multi-user breast pumps and accessories to be distributed to WIC participants as needed statewide.

In West Virginia WIC, most multi-user breast pumps have been in service for over fifteen years and have long shown signs of wear and tear. Since 2019, our data shows the issuance of multi-user breast pumps has steadily decreased in all but one of the local agencies due to lack of available pumps with many broken or damaged pumps that can no longer be repaired.

CDC breastfeeding initiation rates show that West Virginia has the lowest initiation rate of 73.6% for babies born in 2020 who were ever breastfed, compared to the national average of 83.1%. Among WIC participants born in 2023, the overall breastfeeding initiation rate was 58.31% in the state of West Virginia. The WIC program serves as the primary source of breastfeeding education and promotion for residents in our state. To best support a mother in her choice of how to breastfeed her infant, it is imperative that we meet the needs of our participants by issuing the proper type of breast pump with sterile tubing and the hard case in which to safely store the multi-user pumps.

All programs and projects under the ONS are 100% federally funded by the United

States Department of Agriculture (USDA) Food and Nutrition Service (FNS), ensuring the availability of funding for this purchase using food funds. Single use and hospital grade multi-user breast pumps and accessories are an allowable cost for WIC funding. Attached is the McKesson quote that reflects WIC-negotiated pricing.

We appreciate your consideration of our request. For any questions or additional information, please contact Cindy Pillo, Special Projects Coordinator, by phone at 304-532-5742 or by email at Cindy.M.Pillo@wv.gov. You may also contact Kara D Napier, WIC State Breastfeeding Coordinator, by phone at 304-352-0968 or by email at Kara.D.Napier@wv.gov.
