FROM: Heidi Staats

DATE: April 11, 2024

RE: CMA WIC22*01- Request to Renew for Year 3 (2nd Allowable Renewal)

Please accept this memorandum as the Office of Nutrition Services' request to renew the Master Contract under CMA WIC2200000001.

This Master Contract was originally completed as a one-year contract (June 15, 2022 – June 14, 2023) with 3 one-year renewals. The current contract expires on June 14, 2024. The ONS is now requesting a renewal from the vendor for the 3rd year of services – the second one-year renewal. The third year of services is for the timeframe of June 15, 2024, through June 14, 2025.

The Vendor has agreed to renew the current contract under the same terms, conditions, and prices for the current contract, as well as any other future renewals on this contract.

DocuSign has allowed WIC clinics to streamline services for securing remote service acknowledgement and authorization of release of health information documents. In addition, the WIC retailer authorization process has transitioned to electronic signature of applications and contracts. Renewal of the contract will support continued modernization of workflow processes which eliminate barriers for potential and current WIC participants and retailers.

All programs and projects under ONS are 100% federally funded by the United States Department of Agriculture Food and Nutrition Service. Funding is available for this open-ended purchase for the optional year 2 term.

Your consideration of our request is appreciated. If there are questions or need additional information, please contact Carrie Brooks by phone at 304-352-0905 or by email at Carrie.T.Brooks@wv.gov.

Failure to complete and verify this documentation may result in rejection of the requisition back to the agency. It is up to the agency procurement officer to determine if pre-approvals, insurance, or other documentation is needed for the purchase. The referenced information below may be used to make this determination.*

For Purchasing Division Use Only:

I have reviewed the requisition identified above and find that it is sufficient to advertise publicly to the vendor community. My review does not preclude the possibility that the vendor community, or some other entity, will identify an area of concern; however, should such issues or concerns arise, they will be reviewed and addressed as may be appropriate.
