MEMORANDUM

To: Tara Lyle, Buyer Supervisor
West Virginia Purchasing Division

Date: May 25, 2023

From: Heather L. Brunton, CFO *HLB*

Subject: 0613 Veterans Assistance CPO VET23*02 - Beckley A&E Contract

After A&E contract for the Beckley Veterans Nursing Facility was finalized, we became aware that the Central Purchasing Order (CPO) had inadvertently omitted supplemental services associated with the civil engineering portion of the contract. The CPO included all basic services for phase 1 and phase 2 but omitted the supplemental services listed in Exhibit A. These supplemental services include civil engineering, landscape, survey, environmental and geotechnical services to be provided during phase 1 of the agreement.

Phase 1 (through 35% Design Phase) of the project consists of:

- Basic Services \$1,148,490.00
- Supplemental Services \$ 386,400.00

Phase 2 (35% through completion) of the project consists of:

- Basic Services \$2,132,910.00
- Supplemental Services \$1,392,000.00

should have been = 1,392,600

Please consider this document a request to insert language into the CPO that adds the appropriate supplemental services.

**The items pre-checked are required before a Purchase Requisition may be submitted to the Purchasing Division. Failure to complete and verify this documentation may result in rejection of the requisition back to the agency. It is up to the agency procurement officer to determine if pre-approvals, insurance, or other documentation is needed for the purchase. The referenced information below may be used to make this determination.*

For Purchasing Division Use Only:

I have reviewed the requisition identified above and find that it is sufficient to advertise publicly to the vendor community. My review does not preclude the possibility that the vendor community, or some other entity, will identify an area of concern; however, should such issues or concerns arise, they will be reviewed and addressed as may be appropriate.
