Hello Lusio-

Unfortunately, due to our end of fiscal year close out, we just missed the cutoff on completing the contract before the dead period. We are unable to process any contracts in the system until after July 1, 2024. We will continue with the process once close out is complete and try to get that over to you as soon as possible. Is there anything now we can do paperwork/emails so that come July 1, 2024 we will prevent any further delays? It is our understanding from Alex Cole that the Microsoft 60-day grace period would go into effect come 7/1/2024 to prevent lapses in any WVSAO services, support and coverage. I am sorry for the inconvenience and greatly appreciate all your help with this. You have been great to work with and very helpful.

Thank you.
