Subject: Backdate Justification CMA DBS 2 003

West Virginia Schools for the Deaf and the Blind received the signed renewal letter from the vendor in July. However, when we started the compliance verifications, it was noted that the vendor was out of compliance with the Secretary of State. We informed them that we could not renew the contract until they were in compliance. The vendor got back into compliance at the end of September. However, due to the workload and employees out on medical leave, we were not able to complete everything until now.

*The items pre-checked are required before a Purchase Requisition may be submitted to the Purchasing Division. Failure to complete and verify this documentation may result in rejection of the requisition back to the agency. It is up to the agency procurement officer to determine if pre-approvals, insurance, or other documentation is needed for the purchase. The referenced information below may be used to make this determination.						
For Purchasing Division Use Only:						
I have reviewed the requisition identified above and find that it is sufficient to advertise publicly to the vendor community. My review does not preclude the possibility that the vendor community, or some other entity, will identify an area of concern; however, should such issues or concerns arise, they will be reviewed and addressed as may be appropriate.
