Good afternoon Mark,  
Kristy has asked that I reach out to you regarding the catalog for the Fastenal contract MRO25. Please find the catalog attached to this email for your use.

Additionally, with the upcoming expiration of AEBATTERY21A, we would like to request that the unit of measure on the new contract be changed to "each" instead of "lump sum." This will allow us to place batteries directly into inventory without needing to complete inventory adjustments.

Please let me know if you need any further information or have any questions.

Thank you,

--
