REF: CMA 0433 LIB2100000001

The above referenced contract expires on June 30, 2025. In accordance with the rules and regulations set forth by USAC and FCC, applicants must have a contract or other legally binding agreement that covers all services for that funding year with the service provider before signing and submitting a completed FCC Form 471 application. The contract must cover the entire E-Rate funding year.

Therefore, the decision to extend the contract must occur before the FCC Form 471 application is filed for the 2025 E-Rate Funding Year when the contract would otherwise expire.

The Library Section of The WV Department of Arts, Culture, and History agrees to and is requesting a renewal of the contract referenced above for (1) one year under the original terms, conditions, prices, specifications, and any authorized change orders thereto. This is the final optional one-year renewal to be executed.

The renewal term of the contract will be July 1, 2025, through June 30, 2026.

Respectfully Submitted,

Monica M. Keeney
ASA1/E-Rate Coordinator

MEMORANDUM

Pursuant to Executive Order 4-25, signed into effect by Governor Morrisey on January 14th, 2025, all expenditures over \$100,000 must be reviewed by the Governor's Office in advance. Any solicitations, purchase orders, or other contracts currently in the possession of the Purchasing Division, which are estimated to cost over \$100,000 are being placed on hold for review. Our Division is providing documentation of those to the Governor's Office for review.

Any new requisitions valued over \$100,000 that are received by the Purchasing Division, must have a copy of this memorandum and accompanying signatures to process as usual. If there is no evidence of Governor's Office review or approval, your requisition will be returned to seek that approval.

Thank you all for your hard work, and please feel free to reach out with any questions on our end; if you have questions about the procedure for seeking the necessary approvals internally, I would recommend reaching out to your Cabinet Secretaries and/or your Department's Governor's Office liaison.

The Accompanying Request has been reviewed and approved by the following:

**The items pre-checked are required before a Purchase Requisition may be submitted to the Purchasing Division. Failure to complete and verify this documentation may result in rejection of the requisition back to the agency. It is up to the agency procurement officer to determine if pre-approvals, insurance, or other documentation is needed for the purchase. The referenced information below may be used to make this determination.*

For Purchasing Division Use Only:

I have reviewed the requisition identified above and find that it is sufficient to advertise publicly to the vendor community. My review does not preclude the possibility that the vendor community, or some other entity, will identify an area of concern; however, should such issues or concerns arise, they will be reviewed and addressed as may be appropriate.
