Crystal,

This is the email we received regarding the \$100K approval not being needed for delivery orders. Bryan has sent a follow-up email to Curtis but to date has not received a response. If the Purchasing Division requires approval, please let us know.

Subject: Governor's Office Approval of contracts over \$100,000

I spoke with Curtis early today. He relayed the following information for how we will process these through his office.

1. He would like a synopsis of the purchase. I would suggest in most cases we can pull the extended description and populate that in the email to him.
2. Please note if there is a specific timeframe in the request.
3. Contracts will be reviewed at the Master Agreement level meaning that he will not be approving DOs.
4. Renewals for contracts over \$100,000 must be approved.

This process is going to be fluid and will likely morph as we move forward but this is the best information that I have today.

Bryan

Re: CDO MIS25*08-Change Order

The Office of Management Information Services (MIS) and OPTUMINSIGHT, Inc. is requesting approval for the CDO MIS25*08. This is for the Maintenance and Operations for Year 8. We understand it is late getting completed, this is due to the fact MIS has been working with the Finance Team to resolve budgeting issues. They have now been resolved and ready for your approval to move forward. We appreciate your review and approval of this delivery order.
