Re: Change Order # 7  
Project Name: Mtn View Portals  
Contract Number: CCT: DEP17\*01

Dear Mr. Neider:

The WVDEP Office of Abandoned Mine Lands and Reclamation is issuing a change order to decrease and close the original contract according to all terms, conditions, prices, and specifications contained in the original contract including all authorized change orders as shown on Attachment A. Due to the unanticipated issues and project design impacts from the USACE and USFWS consultations, and subsequent requirements and restrictions imposed; finalization of the project for construction has been found to be unachievable for the foreseeable future. This is in addition to the change of property ownership which previously required major changes and reductions in the scope of the project.

All work deemed necessary and approved for this contract has been completed. The TOTAL COST REDUCTION FOR THE CONTRACT IS \$16,095.80, which results in the final contract cost of \$166,508.80.

The effective date of the change order is May 27, 2025.
