RE: PF 1659422, CDO BMS25\*34  
Dept 0511

The West Virginia Bureau for Medical Services (BMS) respectfully requests the approval of the above-referenced CDO for utilization of Optional Services Incident Case Management and UM Base Contract year 3 (BMS) by Keystone Peer Review Organization LLC under PF876562 CMA23\*07.

The service period for the Optional Services Incident Case Management is 08/01/2025 through 07/31/2025 for a total cost of \$978,855.12. The service period for the UM Base Contract year 3 (BMS) is 05/01/2025 through 04/30/2026 for a total cost of \$27,726,829.56. The combined total for all services and service periods is \$28,705,684.68.

Due to wvOASIS rounding system the cost balance reflected is forty-two (42) cents more than previously encumbrance reflected on the pricing page for year two (2). The last month of the invoice will be paid at the lesser amount and the difference between the delivery order and invoice will be liquidated at that time.

Please feel free to contact if you have any questions or concerns. I can be reached at 304-352-3924 or [althea.m.greenhowe@wv.gov](mailto:althea.m.greenhowe@wv.gov). Thank you for your time and consideration in this matter.

Hi Althea,

I previously addressed this with Becky but hadn't had the opportunity to discuss it with Tara. The issue in question stems from a rounding discrepancy in wvOASIS, which is why I included specific language in the justification letter to address it.

I hope this helps clarify things.

Thanks,

Lakendra Burdette

Good morning,

Is there a different pricing page under CMA BMS23\*07? The pricing on the CDO isn't matching the pricing pages on the CMA.

For example, CL2 has \$177,814.32 but the pricing page has \$177,814.36. CL10 has \$87,834.96 but the pricing page has \$87,834.90.

There are multiple lines like this.

Thanks,  
Tara

## Subject: Governor's Office Approval of contracts over \$100,000

**Rosen, Bryan D** <bryan.d.rosen@wv.gov>  
to Wagner, Roberta A, Price, Robert L

Thu, Jan 23,

I spoke with Curtis early today. He relayed the following information for how we will process these through his office.

1. He would like a synopsis of the purchase. I would suggest in most cases we can pull the extended description populate that in the email to him.

2. Please note if there is a specific timeframe in the request.

3. Contracts will be reviewed at the Master Agreement level meaning that he will not be approving DOs.

4. Renewals for contracts over \$100,000 must be approved.

This process is going to be fluid and will likely morph as we move forward but this is the best information that I have today.
