Dear Mr. Lee:

As the East Campus Metal Buildings Project progresses, the following items need to be addressed and included in Change Order 10.

Item A Re-Keying Cores – Includes re-keying of 47 Master Keyed Cores to tie into the States Master Key System. The Contractor removed the construction cores from the doors and keyed the doors. However, they did not provide the keys to the Owner as specified, resulting in a possible security breach. The doors were then re-keyed by the Owner to eliminate the security issue. Chapman Technical Group believes a credit of (\$3,815.00) is due to the Owner to reimburse for the exact cost of the work and is fair and appropriate.

Exhibit B – Light Poles – Thirteen light poles have bases that are higher or lower than specified. To offset the visual irregularities that will be there in perpetuity, \$5,000 will be credited to the Owner. Chapman Technical Group believes a credit of (\$5,000.00) is due to the owner and is fair and appropriate.

Exhibit C – Undercut Adjustments – Change Order 4 provided undercut enhancements to the parking lots with square foot pricing for the work to be completed. Per Application for Payment 24-R2, Line Item 391 CO No. 4, a total of \$453,269.68 of \$592,509.38 was earned, resulting in a credit of \$139,239.70. Chapman Technical Group believes a credit of (\$139,239.70) is due to the Owner and is fair and appropriate.

Exhibit D – Chiller Area Asphalt – The Chiller Area Asphalt Paving is to be eliminated from this work. A separate quote of \$64,250.00 to provide the work has been provided by WV Paving for the work. Chapman Technical Group believes a credit of (\$64,250.00) is due to the Owner and is fair and appropriate.

Mr. Tim Lee
CO 10 Letter, Page 2

Change Order 10 Total Cost - Change Order 10 total of credits is as follows:

Exhibit A	(\$ 3,815.00)
Exhibit B	(\$ 5,000.00)
Exhibit C	(\$ 139,239.70)
Exhibit D	(\$ 64,250.00)
Total CO 10	(\$ 212,304.70)

After reviewing the items outstanding, to be included in Change Order 10, I believe a Credit of (\$212,304.70) is due to the Owner and is for this work is fair and appropriate.

Sincerely,
CHAPMAN TECHNICAL GROUP
