State Agency, Board, or Commission (the "State"):

Vendor: Safariland, LLC

Contract/Lease Number ("Contract"): CMA 0212 BODYARMOR25C

Commodity/Service: Body Armor and Ballistic Resistant Products

The State and the Vendor are entering into the Contract identified above. The Vendor desires to incorporate one or more forms it created into the Contract. Vendor's form(s), however, include(s) one or more contractual terms and conditions that the State cannot or will not accept. In consideration for the State's incorporating Vendor's form(s) into the Contract, the Vendor enters into this Addendum which specifically eliminates or alters the legal enforceability of certain terms and conditions contained in Vendor's form(s). Therefore, on the date shown below each signature line, the parties agree to the following contractual terms and conditions in this Addendum are dominate over any competing terms made a part of the Contract:

1. **ORDER OF PRECEDENCE:** This Addendum modifies and supersedes anything contained on Vendor's form(s) whether or not they are submitted before or after the signing of this Addendum. **IN THE EVENT OF ANY CONFLICT BETWEEN VENDOR'S FORM(S) AND THIS ADDENDUM, THIS ADDENDUM SHALL CONTROL.**

2. **PAYMENT** – Payments for goods/services will be made in arrears only upon receipt of a proper invoice, detailing the goods/services provided or receipt of the goods/services, whichever is later. Notwithstanding the foregoing, payments for software licenses, subscriptions, or maintenance may be paid annually in advance.

Any language imposing any interest or charges due to late payment is deleted.

3. **FISCAL YEAR FUNDING** – Performance of this Contract is contingent upon funds being appropriated by the WV Legislature or otherwise being available for this Contract. In the event funds are not appropriated or otherwise available, the Contract becomes of no effect and is null and void after June 30 of the current fiscal year. If that occurs, the State may notify the Vendor that an alternative source of funding has been obtained and thereby avoid the automatic termination. Non-appropriation or non-funding shall not be considered an event of default.

4. **RIGHT TO TERMINATE** – The State reserves the right to terminate this Contract upon thirty (30) days written notice to the Vendor. If this right is exercised, the State agrees to pay the Vendor only for all undisputed services rendered or goods received before the termination's effective date. All provisions are deleted that seek to require the State to (1) compensate Vendor, in whole or in part, for lost profit, (2) pay a termination fee, or (3) pay liquidated damages if the Contract is terminated early.

Any language seeking to accelerate payments in the event of Contract termination, default, or non-funding is hereby deleted.

5. **DISPUTES** – Any language binding the State to any arbitration or to the decision of any arbitration board, commission, panel or other entity is deleted; as is any requirement to waive a jury trial.

Any language requiring or permitting disputes under this Contract to be resolved in the courts of any state other than the State of West Virginia is deleted. All legal actions for damages brought by Vendor against the State shall be brought in the West Virginia Claims Commission. Other causes of action must be brought in the West Virginia court authorized by statute to exercise jurisdiction over it.

Any language requiring the State to agree to, or be subject to, any form of equitable relief not authorized by the Constitution or laws of State of West Virginia is deleted.

6. **FEES OR COSTS:** Any language obligating the State to pay costs of collection, court costs, or attorney's fees, unless ordered by a court of competent jurisdiction is deleted.

7. **GOVERNING LAW** – Any language requiring the application of the law of any state other than the State of West Virginia in interpreting or enforcing the Contract is deleted. The Contract shall be governed by the laws of the State of West Virginia.

8. **RISK SHIFTING** – Any provision requiring the State to bear the costs of all or a majority of business/legal risks associated with this Contract, to indemnify the Vendor, or hold the Vendor or a third party harmless for any act or omission is hereby deleted.

9. **LIMITING LIABILITY** – Any language limiting the Vendor's liability for direct damages to person or property is deleted.

10. **TAXES** – Any provisions requiring the State to pay Federal, State or local taxes or file tax returns or reports on behalf of Vendor are deleted. The State will, upon request, provide a tax exempt certificate to confirm its tax exempt status.

11. **NO WAIVER** – Any provision requiring the State to waive any rights, claims or defenses is hereby deleted.

12. **STATUTE OF LIMITATIONS** – Any clauses limiting the time in which the State may bring suit against the Vendor or any other third party are deleted.
13. **ASSIGNMENT** – The Vendor agrees not to assign the Contract to any person or entity without the State's prior written consent, which will not be unreasonably delayed or denied. The State reserves the right to assign this Contract to another State agency, board or commission upon thirty (30) days written notice to the Vendor. These restrictions do not apply to the payments made by the State. Any assignment will not become effective and binding upon the State until the State is notified of the assignment, and the State and Vendor execute a change order to the Contract.
14. **RENEWAL** – Any language that seeks to automatically renew, modify, or extend the Contract beyond the initial term or automatically continue the Contract period from term to term is deleted. The Contract may be renewed or continued only upon mutual written agreement of the Parties.
15. **INSURANCE** – Any provision requiring the State to maintain any type of insurance for either its or the Vendor's benefit is deleted.
16. **RIGHT TO REPOSSESSION NOTICE** – Any provision for repossession of equipment without notice is hereby deleted. However, the State does recognize a right of repossession with notice.
17. **DELIVERY** – All deliveries under the Contract will be FOB destination unless the State expressly and knowingly agrees otherwise. Any contrary delivery terms are hereby deleted.
18. **CONFIDENTIALITY** – Any provisions regarding confidential treatment or non-disclosure of the terms and conditions of the Contract are hereby deleted. State contracts are public records under the West Virginia Freedom of Information Act ("FOIA") (W. Va. Code §29B-a-1, et seq.) and public procurement laws. This Contract and other public records may be disclosed without notice to the vendor at the State's sole discretion.
- Any provisions regarding confidentiality or non-disclosure related to contract performance are only effective to the extent they are consistent with FOIA and incorporated into the Contract through a separately approved and signed non-disclosure agreement.
19. **THIRD-PARTY SOFTWARE** – If this Contract contemplates or requires the use of third-party software, the vendor represents that none of the mandatory click-through, unsigned, or web-linked terms and conditions presented or required before using such third-party software conflict with any term of this Addendum or that it has the authority to modify such third-party software's terms and conditions to be subordinate to this Addendum. The Vendor shall indemnify and defend the State against all claims resulting from an assertion that such third-party terms and conditions are not in accord with, or subordinate to, this Addendum.
20. **AMENDMENTS** – The parties agree that all amendments, modifications, alterations or changes to the Contract shall be by mutual agreement, in writing, and signed by both parties. Any language to the contrary is deleted.

Notwithstanding the foregoing, this Addendum can only be amended by (1) identifying the alterations to this form by using *Italics* to identify language being added and ~~striketrough~~ for language being deleted (do not use track-changes) and (2) having the Office of the West Virginia Attorney General's authorized representative expressly agree to and knowingly approve those alterations.

FEDERAL FUNDS ADDENDUM

2 C.F.R. §§ 200.317 – 200.327

Purpose: This addendum is intended to modify the solicitation in an attempt to make the contract compliant with the requirements of 2 C.F.R. §§ 200.317 through 200.327 relating to the expenditure of certain federal funds. This solicitation will allow the State to obtain one or more contracts that satisfy standard state procurement, state federal funds procurement, and county/local federal funds procurement requirements.

Instructions: Vendors who are willing to extend their contract to procurements with federal funds and the requirements that go along with doing so, should sign the attached document identified as: “REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS (2 C.F.R. § 200.317)”

Should the awarded vendor be unwilling to extend the contract to federal funds procurement, the State reserves the right to award additional contracts to vendors that can and are willing to meet federal funds procurement requirements.

Changes to Specifications: Vendors should consider this solicitation as containing two separate solicitations, one for state level procurement and one for county/local procurement.

State Level: In the first solicitation, bid responses will be evaluated with applicable preferences identified in sections 15, 15A, and 16 of the “Instructions to Vendors Submitting Bids” to establish a contract for both standard state procurements and state federal funds procurements.

County Level: In the second solicitation, bid responses will be evaluated with applicable preferences identified in Sections 15, 15A, and 16 of the “Instructions to Vendors Submitting Bids” omitted to establish a contract for County/Local federal funds procurement.

Award: If the two evaluations result in the same vendor being identified as the winning bidder, the two solicitations will be combined into a single contract award. If the evaluations result in a different bidder being identified as the winning bidder, multiple contracts may be awarded. The State reserves the right to award to multiple different entities should it be required to satisfy standard state procurement, state federal funds procurement, and county/local federal funds procurement requirements.

State Government Use Caution: State agencies planning to utilize this contract for procurements subject to the above identified federal regulations should first consult with the federal agency providing the applicable funding to ensure the contract is compliant.

County/Local Government Use Caution: County and Local government entities planning to utilize this contract for procurements subject to the above identified federal regulation should first consult with the federal agency providing the applicable funding to ensure the contract is compliant. For purposes of County/Local government use, the solicitation resulting in this contract was conducted in accordance with the procurement laws, rules, and procedures governing the West Virginia Department of Administration, Purchasing Division, except that vendor preference has been omitted for County/Local use purposes and the contract terms contained in the document entitled “REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS (2 C.F.R. § 200.317)” have been added.

 - (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
 - (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) above.
- b. Vendor confirms that if it utilizes subcontractors, it will take the same affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

2. DOMESTIC PREFERENCES:
(2 C.F.R. § 200.322)

(2 C.F.R. § 200.327 and Appendix II)

Where applicable, and only for contracts awarded by the State in excess of \$100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

9. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT.
(2 C.F.R. § 200.327 and Appendix II)

If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

10. CLEAN AIR ACT
(2 C.F.R. § 200.327 and Appendix II)

Vendor agrees that if this contract exceeds \$150,000, Vendor is to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

11. DEBARMENT AND SUSPENSION
(2 C.F.R. § 200.327 and Appendix II)

The State will not award to any vendor that is listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

12. BYRD ANTI-LOBBYING AMENDMENT
(2 C.F.R. § 200.327 and Appendix II)

Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

13. PROCUREMENT OF RECOVERED MATERIALS

(2 C.F.R. § 200.327 and Appendix II; 2 C.F.R. § 200.323)

Vendor agrees that it and the State must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

14. PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT.

(2 C.F.R. § 200.327 and Appendix II; 2 CFR § 200.216)

Vendor and State agree that both are prohibited from obligating or expending funds under this Contract to:

- (1) Procure or obtain;
- (2) Extend or renew a contract to procure or obtain; or
- (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115–232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).
 - (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).
 - (ii) Telecommunications or video surveillance services provided by such entities or using such equipment.
 - (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

In implementing the prohibition under Public Law 115–232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY
CONTRACTS UNDER FEDERAL AWARDS (2 C.F.R. § 200.317):

W. Va. CSR § 148-1-5

West Virginia Code of State Rules
Title 148. Department of Administration
Legislative Rule (Ser. 1)
Series 1. Purchasing

W. Va. Code St. R. § 148-1-5
§ 148-1-5. Remedies.
Currentness

5.1. The Director may require that the spending unit attempt to resolve any issues that it may have with the vendor prior to pursuing a remedy contained herein. The spending unit must document any resolution efforts and provide copies of those documents to the Purchasing Division.

5.2. Contract Cancellation.

5.2.1. Cancellation. The Director may cancel a purchase or contract immediately under any one of the following conditions including, but not limited to:

5.2.1.a. The vendor agrees to the cancellation;

5.2.1.b. The vendor has obtained the contract by fraud, collusion, conspiracy, or is in conflict with any statutory or constitutional provision of the State of West Virginia;

5.2.1.c. Failure to honor any contractual term or condition or to honor standard commercial practices;

5.2.1.d. The existence of an organizational conflict of interest is identified;

5.2.1.e. Funds are not appropriated or an appropriation is discontinued by the legislature for the acquisition;

5.2.1.f. Violation of any federal, state, or local law, regulation, or ordinance, and

5.2.1.g. The contract was awarded in error.

5.2.2. The Director may cancel a purchase or contract for any reason or no reason, upon providing

the vendor with 30 days' notice of the cancellation.

5.2.3. Opportunity to Cure. In the event that a vendor fails to honor any contractual term or condition, or violates any provision of federal, state, or local law, regulation, or ordinance, the Director may request that the vendor remedy the contract breach or legal violation within a time frame the Director determines to be appropriate. If the vendor fails to remedy the contract breach or legal violation or the Director determines, at his or her sole discretion, that such a request is unlikely to yield a satisfactory result, then he or she may cancel immediately without providing the vendor an opportunity to perform a remedy.

5.2.4. Re-Award. The Director may award the cancelled contract to the next lowest responsible bidder (or next highest scoring bidder if best value procurement) without a subsequent solicitation if the following conditions are met:

5.2.4.a. The next lowest responsible bidder (or next highest scoring bidder if best value procurement) is able to perform at the price contained in its original bid submission, and

5.2.4.b. The contract is an open-end contract, a one-time purchase contract, or a contract for work which has not yet commenced.

Award to the next lowest responsible bidder (or next highest scoring bidder if best value procurement) will not be an option if the vendor's failure has in any way increased or significantly changed the scope of the original contract. The vendor failing to honor contractual and legal obligations is responsible for any increase in cost the state incurs as a result of the re-award.

5.3. Non-Responsible. If the Director believes that a vendor may be non-responsible, the Director may request that a vendor or spending unit provide evidence that the vendor either does or does not have the capability to fully perform the contract requirements, and the integrity and reliability necessary to assure good faith performance. If the Director determines that the vendor is non-responsible, the Director shall reject that vendor's bid and shall not award the contract to that vendor. A determination of non-responsibility must be evaluated on a case-by-case basis and can only be made after the vendor in question has submitted a bid. A determination of non-responsibility will only extend to the contract for which the vendor has submitted a bid and does not operate as a bar against submitting future bids.

5.4. Suspension.

5.4.1. The Director may suspend, for a period not to exceed 1 year, the right of a vendor to bid on

procurements issued by the Purchasing Division or any state spending unit under its authority if:

5.4.1.a. The vendor has submitted a bid and then requested that its bid be withdrawn after bids have been publicly opened.

5.4.1.b. The vendor has exhibited poor performance in fulfilling his or her contractual obligations to the State. Poor performance includes, but is not limited to any of the following: violations of law, regulation, or ordinance; failure to deliver timely; failure to deliver quantities ordered; poor performance reports; or failure to deliver commodities, services, or printing at the quality level required by the contract.

5.4.1.c. The vendor has breached a contract issued by the Purchasing Division or any state spending unit under its authority and refuses to remedy that breach.

5.4.1.d. The vendor's actions have given rise to one or more of the grounds for debarment listed in [W. Va. Code § 5A-3-33d](#).

5.4.2. Vendor suspension for the reasons listed in section 5.4 above shall occur as follows:

5.4.2.a. Upon a determination by the Director that a suspension is warranted, the Director will serve a notice of suspension to the vendor.

5.4.2.b. A notice of suspension must inform the vendor:

5.4.2.b.1. Of the grounds for the suspension;

5.4.2.b.2. Of the duration of the suspension;

5.4.2.b.3. Of the right to request a hearing contesting the suspension;

5.4.2.b.4. That a request for a hearing must be served on the Director no later than 5 working days of the vendor's receipt of the notice of suspension;

5.4.2.b.5. That the vendor's failure to request a hearing no later than 5 working days of

the receipt of the notice of suspension will be deemed a waiver of the right to a hearing and result in the automatic enforcement of the suspension without further notice or an opportunity to respond; and

5.4.2.b.6. That a request for a hearing must include an explanation of why the vendor believes the Director's asserted grounds for suspension do not apply and why the vendor should not be suspended.

5.4.2.c. A vendor's failure to serve a request for hearing on the Director no later than 5 working days of the vendor's receipt of the notice of suspension will be deemed a waiver of the right to a hearing and may result in the automatic enforcement of the suspension without further notice or an opportunity to respond.

5.4.2.d. A vendor who files a timely request for hearing but nevertheless fails to provide an explanation of why the asserted grounds for suspension are inapplicable or should not result in a suspension, may result in a denial of the vendor's hearing request.

5.4.2.e. Within 5 working days of receiving the vendor's request for a hearing, the Director will serve on the vendor a notice of hearing that includes the date, time and place of the hearing.

5.4.2.f. The hearing will be recorded and an official record prepared. Within 10 working days of the conclusion of the hearing, the Director will issue and serve on the vendor, a written decision either confirming or reversing the suspension.

5.4.3. A vendor may appeal a decision of the Director to the Secretary of the Department of Administration. The appeal must be in writing and served on the Secretary no later than 5 working days of receipt of the Director's decision.

5.4.4. The Secretary, or his or her designee, will schedule an appeal hearing and serve on the vendor, a notice of hearing that includes the date, time and place of the hearing. The appeal hearing will be recorded and an official record prepared. Within 10 working days of the conclusion of the appeal hearing, the Secretary will issue and serve on the vendor a written decision either confirming or reversing the suspension.

5.4.5. Any notice or service related to suspension actions or proceedings must be provided by certified mail, return receipt requested.

5.5. Vendor Debarment. The Director may debar a vendor on the basis of one or more of the grounds for debarment contained in W. Va. Code § 5A-3-33d or if the vendor has been declared ineligible to participate in procurement related activities under federal laws and regulation.

5.5.1. Debarment proceedings shall be conducted in accordance with W. Va. Code § 5A-3-33e and these rules. A vendor that has received notice of the proposed debarment by certified mail, return receipt requested, must respond to the proposed debarment within 30 working days after receipt of notice or the debarment will be instituted without further notice. A vendor is deemed to have received notice, notwithstanding the vendor's failure to accept the certified mail, if the letter is addressed to the vendor at its last known address. After considering the matter and reaching a decision, the Director shall notify the vendor of his or her decision by certified mail, return receipt requested.

5.5.2. Any vendor, other than a vendor prohibited from participating in federal procurement, undergoing debarment proceedings is permitted to continue participating in the state's procurement process until a final debarment decision has been reached. Any contract that a debarred vendor obtains prior to a final debarment decision shall remain in effect for the current term, but may not be extended or renewed. Notwithstanding the foregoing, the Director may cancel a contract held by a debarred vendor if the Director determines, in his or her sole discretion, that doing so is in the best interest of the State. A vendor prohibited from participating in federal procurement will not be permitted to participate in the state's procurement process during debarment proceedings.

5.5.3. If the Director's final debarment decision is that debarment is warranted and notice of the final debarment decision is mailed, the Purchasing Division shall reject any bid submitted by the debarred vendor, including any bid submitted prior to the final debarment decision if that bid has not yet been accepted and a contract consummated.

5.5.4. Pursuant to W.Va. Code § 5A-3-33e(e), the length of the debarment period will be specified in the debarment decision and will be for a period of time that the Director finds necessary and proper to protect the public from an irresponsible vendor.

5.5.5. List of Debarred Vendors. The Director shall maintain and publicly post a list of debarred vendors on the Purchasing Division's website.

5.5.6. Related Party Debarment. The Director may pursue debarment of a related party at the same time that debarment of the original vendor is proceeding or at any time thereafter that the Director determines a related party debarment is warranted. Any entity that fails to provide the Director with full, complete, and accurate information requested by the Director to determine related party

status will be presumed to be a related party subject to debarment.

5.6. Damages.

5.6.1. A vendor who fails to perform as required under a contract shall be liable for actual damages and costs incurred by the state.

5.6.2. If any commodities delivered under a contract have been used or consumed by a spending unit and on testing the commodities are found not to comply with specifications, no payment may be approved by the Spending Unit for the merchandise until the amount of actual damages incurred has been determined.

5.6.3. The Spending Unit shall seek to collect damages by following the procedures established by the Office of the Attorney General for the collection of delinquent obligations.

The Contractor and the Lead State agree to the terms and conditions contained herein.
- 2.2 Initial Term.** The initial term of this Master Agreement is for two (2) years, with a Contract Performance Beginning date of the later of May 1, 2025 or the Effective Date. The term of this Master Agreement may be amended beyond the initial term for three (3) additional years at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance. The Lead State may, prior to execution, adjust the effective date or duration of the initial term or renewal period of any Master Agreement for the purpose of making the Master Agreement coterminous with others.

- 2.3 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.4 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement.  - 3.1.1** A Participating Entity's Participating Addendum ("PA");

The term of a Participating Addendum will not exceed the term of this Master Agreement, except when a Participating Entity determines an extension of its Participating Addendum is necessary to avoid a lapse in contract coverage and is permitted by law.

IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the

Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (*e.g.*, purchase order or contract) used by the Purchasing Entity to place the Order.

- 4.3 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.4 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.

4.5 Participating Entities.

- 4.5.1** If not proscribed by law or by the Chief Procurement Official of the state in which the entity is located, an entity may be eligible to execute a Participating Addendum directly with Contractor. Such entities may include:
- 4.5.1.1** Political subdivisions, public agencies, and service districts;
 - 4.5.1.2** Public and private educational institutions, including K-12 public, charter, and private schools; institutions of higher education; and trade schools;
 - 4.5.1.3** Federally recognized tribes;
 - 4.5.1.4** Quasi-governmental entities; and
 - 4.5.1.5** Eligible non-profit organizations.
- 4.5.2** Prior to execution of a Participating Addendum with an entity listed above, Contractor shall coordinate with NASPO to confirm the entity's eligibility to execute a Participating Addendum. A determination that an entity is eligible to execute a Participating Addendum is not a determination that procurement authority exists; each entity must ensure it has the requisite procurement authority to execute a Participating Addendum.
- 4.6 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 4.7 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and

applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

- 4.8 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.9 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.
- 5.2 Administrative Fees**
 - 5.2.1 NASPO ValuePoint Fee.** Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.
 - 5.2.2 State Imposed Fees.** Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.
- 5.3 NASPO ValuePoint Summary and Detailed Usage Reports**
 - 5.3.1 Sales Data Reporting.** In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). By placing an Order under this Master Agreement, a Purchasing Entity agrees to have their data (i) included in reports submitted by Contractor to NASPO ValuePoint and (ii) used by NASPO ValuePoint as set forth in this Master Agreement without limitation, unless otherwise requested in writing by the Purchasing Entity and agreed to in writing by

NASPO. Timely and complete reporting of Sales Data by Contractor is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

- 5.3.2 Summary Sales Data.** "Summary Sales Data" is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.
- 5.3.3 Detailed Sales Data.** "Detailed Sales Data" is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.
- 5.3.4 Sales Data Crosswalks.** Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data ("Crosswalks"). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor's part number or SKU for each Product in Offeror's catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor's customer lists and product catalog change.
- 5.3.5 Executive Summary.** Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.
- 5.3.6 Obligation to Act in Good Faith.** The parties acknowledge that this Master Agreement and its terms and pricing have been negotiated for the benefit of the parties, NASPO ValuePoint, Participating Entities, and Purchasing Entities. Apart from a Participating Addendum or Order, Contractor shall not intentionally induce a potential Participating Entity or Purchasing Entity to enter into a separate agreement, the pricing and terms of

which are derived from this Master Agreement, for the purpose of avoiding compliance with Contractor's obligations under Section V. Nothing in this Section 5.3.6 shall prohibit Contractor from contracting with an entity with substantially similar pricing and terms if such pricing and terms are independently negotiated with the entity or are consistent with pricing and terms ordinarily offered by Contractor to public sector customers.

5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

- 5.4.1 Staff Education.** Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.
- 5.4.2 Onboarding Plan.** Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.
- 5.4.3 Annual Contract Performance Review.** Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.
- 5.4.4 Use of NASPO ValuePoint Logo.** The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.
- 5.4.5 Most Favored Customer.** Contractor shall, within thirty (30) days of their effective date, notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.

5.5 NASPO ValuePoint eMarketPlace

- 5.5.1** The NASPO ValuePoint cooperative provides an eMarketPlace for public entities to access a central online platform to view and/or purchase the goods, services, and solutions available from NASPO ValuePoint's cooperative Master Agreements. This eMarketPlace is provided by NASPO at no additional cost to the Contractor or public entities. Its purpose is to facilitate the connection of public entities with Contractors who meet the requisite needs for a good, service, or solution by that entity through a NASPO ValuePoint Master Agreement.
- 5.5.2** Contractor shall cooperate in good faith with NASPO, and any third party acting as an agent on behalf of NASPO, to integrate Contractor's industry presence by either an electronic hosted catalog, punchout site, or providing eQuotes through the NASPO eMarketPlace, per the Implementation Timeline as further described below.

- 5.5.3** Regardless of how Contractor's presence is reflected in the eMarketPlace (*i.e.*, hosted catalog, punchout site, or eQuote), Contractor's listed offerings must be strictly limited to Contractor's awarded contract offerings through the NASPO award. Products and/or services not authorized through the resulting NASPO cooperative contract should not be viewable by NASPO ValuePoint eMarketPlace users. Furthermore, products and/or services not authorized through a Participating Addendum should not be viewable by NASPO ValuePoint eMarketPlace users utilizing that Participating Addendum. The accuracy of Contractor's offerings through the eMarketPlace must be maintained by Contractor throughout the duration of the Master Agreement.
- 5.5.4** Contractor agrees that NASPO controls which Master Agreements appear in the eMarketPlace and that NASPO may elect at any time to remove any of Contractor's offerings from the eMarketPlace.
- 5.5.5** Contractor is solely responsible for the accuracy, quality, and legality of Contractor's Content on the eMarketPlace. "Content" means all information that is generated, submitted, or maintained by Contractor or otherwise made available by Contractor on the eMarketPlace, including Contractor catalogs. Contractor's Content shall comply with and accurately reflect the terms, products, services, and pricing of this Master Agreement.
- 5.5.6** Contractor's use of the eMarketPlace shall comply with the eMarketPlace's Terms of Use.
- 5.5.7** Contractor is solely responsible for the security and accuracy of transactions facilitated through the eMarketPlace, including the assessment, collection, and remittance of any sales tax.
- 5.5.8** Lead State reserves the right to approve all pricing, catalogs, and information on the eMarketPlace. All product lists provided on the eMarketplace must be approved by the Lead State. This catalog review right is solely for the benefit of the Lead State and Participating Entities, and the review and approval shall not waive the requirement that products and services be offered at prices required by the Master Agreement.
- 5.5.9** NASPO Participating Entities may have their own procurement system, separate from the NASPO eMarketPlace, that enables the use of certain NASPO Master Agreements. In the event one of these entities elects to use this NASPO ValuePoint Master Agreement (available through the eMarketPlace) but publish to their own eMarketPlace, Contractor agrees to work in good faith with the entity and NASPO to implement the catalog.
- 5.5.10** In the event a Participating Entity has entity-specific catalog requirements set forth in its Participating Addendum (*e.g.*, restrictions in the scope of offerings, etc.), Contractor shall ensure its eMarketPlace Content for that Participating Entity accurately reflects and is compliant with these requirements.
- 5.5.11** Implementation Timeline: Following the execution of Contractor's Master Agreement, NASPO will provide a written request to Contractor to begin the onboarding process into the eMarketPlace. Contractor shall have fifteen (15) days from receipt of written request to work with NASPO to set up an enablement schedule, at which time the technical documentation for onboarding shall be provided to Contractor. The schedule will include future calls and milestone dates related to test and go live dates.

- 5.5.11.1** Contractor's NASPO eMarketPlace account with eQuoting functionality shall minimally be established within thirty (30) days following the written request.
- 5.5.11.2** Contractor shall deliver either a (1) hosted catalog or (2) punchout site, pursuant to the mutually agreed upon enablement schedule.
- 5.5.11.3** NASPO will work with Contractor to decide which structures between hosted catalog, punchout site, and/or eQuoting as further described below will be provided by Contractor.
- 5.5.11.3.1** Hosted Catalog. By providing a hosted catalog, Contractor is providing a list of its awarded products/services and pricing in an electronic data file in a format acceptable to NASPO, such as a tab delimited text file. Contractor is solely responsible for ensuring the most up-to-date versions of its product/service offerings approved by the Lead State under this Master Agreement are reflected in the eMarketPlace.
- 5.5.11.3.2** Punchout Site. By providing a punchout site, Contractor is providing its own online catalog, which must be capable of being integrated with the eMarketPlace as a Standard punchout via Commerce eXtensible Markup Language (cXML). Contractor shall validate that its online catalog is up-to-date. The site must also return detailed UNSPSC codes for each line item.
- 5.5.11.3.3** eQuoting. NASPO will work with Contractor to set up participation and use to provide eQuotes through the NASPO eMarketPlace. This requirement would be in addition to any requirement to provide a hosted catalog or punchout site.
- 5.5.12** Hosted catalogs and punchout sites will provide all of the eMarketPlace standard data elements/information including, but not limited to, the following:
- 5.5.12.1** The most current pricing, including all applicable administrative fees and/or discounts, as well as the most up-to-date product/service offering the Contractor is authorized to provide in accordance with this Master Agreement;
- 5.5.12.2** A Lead State contract identification number for this Master Agreement;
- 5.5.12.3** Detailed product line item descriptions;
- 5.5.12.4** Pictures illustrating products, services, or solutions where practicable; and
- 5.5.12.5** Any additional NASPO, Lead State, or Participating Addendum requirements.
- 5.6 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor.

Cancellation based on nonuse or under-utilization will not occur sooner than two years after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.

- 5.7 Canadian Participation.** Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.
- 5.8 Additional Agreement with NASPO.** Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

VI. Pricing, Payment & Leasing

- 6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.
- 6.1.1** All prices and minimum rates must be guaranteed for the initial term of the Master Agreement.
- 6.1.2** Following the first twelve (12) months of the Master Agreement period, any request for price adjustments must be for an equal guarantee period and must be received by the Lead State Contract Administrator at least 120 days prior to the requested effective date. Requests for price adjustments must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement shall not be effective unless approved by the Lead State. No retroactive adjustments to pricing will be allowed prior to the effective date unless the pricing is decreased.
- 6.1.3** Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.
- 6.1.4** No retroactive adjustments to prices or rates will be allowed.
- 6.2 Payment.** Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

- 6.3 Leasing or Alternative Financing Methods.** The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

VII. Ordering

- 7.1 Order Numbers.** Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an “as needed” basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This quote procedure may be modified in Participating Addenda and adapted to the Purchasing Entity’s rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.
- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.
- 7.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.
- 7.5 Term of Purchase.** Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.
- 7.5.1** Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement.
- 7.5.2** Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.
- 7.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- 7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement’s terms.
- 7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed

after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

- 7.6 Order Form Requirements.** All Orders pursuant to this Master Agreement, at a minimum, must include:
- 7.6.1** The services or supplies being delivered;
 - 7.6.2** A shipping address and other delivery requirements, if any;
 - 7.6.3** A billing address;
 - 7.6.4** Purchasing Entity contact information;
 - 7.6.5** Pricing consistent with this Master Agreement or as adjusted by agreement of the Purchasing Entity and Contractor (i.e. volume discount, state-specific administrative fee, etc.);
 - 7.6.6** A not-to-exceed total for the products or services being ordered; and
 - 7.6.7** The Master Agreement number or the applicable Participating Addendum number, provided the Participating Addendum references the Master Agreement number.
- 7.7 Communication.** All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.
- 7.8 Contract Provisions for Orders Utilizing Federal Funds.** Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

VIII. Shipping and Delivery

- 8.1 Shipping Terms.** All deliveries will be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor.
- 8.1.1** Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.
- 8.2 Minimum Shipping.** The minimum shipment amount, if any, must be contained in the Master Agreement. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered will be shipped without charge.
- 8.3 Inside Deliveries.** To the extent applicable, all deliveries will be "Inside Deliveries" as designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a delivery to a location other than a loading dock, front lobby, or reception area. Specific delivery instructions will be noted on the order form or Purchase Order. Costs to repair any damage to the building interior (e.g., scratched walls, damage to the freight elevator, etc.) caused by Contractor or Contractor's carrier will be the responsibility of the Contractor. Immediately upon

becoming aware of such damage, Contractor shall notify the Purchasing Entity placing the Order.

- 8.4 Packaging.** All products must be delivered in the manufacturer's standard package. Costs must include all packing and/or crating charges. Cases must be of durable construction, in good condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton must be marked with the commodity, brand, quantity, item code number and the Purchasing Entity's Purchase Order number.

IX. Inspection and Acceptance

- 9.1 Laws and Regulations.** Any and all Products offered and furnished must comply fully with all applicable Federal, State, and local laws and regulations.
- 9.2 Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section IX will apply. This section is not intended to limit rights and remedies under the applicable commercial code.
- 9.3 Inspection.** All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.
- 9.3.1** Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.
- 9.3.2** Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.
- 9.4 Failure to Conform.** If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of services performed.
- 9.5 Acceptance Testing.** Purchasing Entity may establish a process, in keeping with industry standards, to ascertain whether the Product meets the standard of performance or specifications prior to Acceptance by the Purchasing Entity.
- 9.5.1** The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day after the Product is delivered or, if installed by Contractor, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing.
- 9.5.2** If the Product does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met.

- 9.5.3** Upon rejection, the Contractor will have fifteen (15) calendar days to cure. If after the cure period, the Product still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.
- 9.5.4** Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to this section.
- 9.5.5** No Product will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

X. Warranty

- 10.1 Applicability.** Unless otherwise specified in the Master Agreement Exhibit C, Participating Addendum, or ordering document, the terms of this Section X will apply.
- 10.2 Warranty.** The Contractor warrants for a period of one year from the date of Acceptance that: (a) the Product performs according to all specific claims that the Contractor made in its response to the solicitation, (b) the Product is suitable for the ordinary purposes for which such Product is used, (c) the Product is suitable for any special purposes identified in the solicitation or for which the Purchasing Entity has relied on the Contractor's skill or judgment, (d) the Product is designed and manufactured in a commercially reasonable manner, and (e) the Product is free of defects.
- 10.3 Breach of Warranty.** Upon breach of the warranty set forth above, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Product proves to be inadequate, or fails of its essential purpose, the Contractor will refund the full amount of any payments that have been made.
- 10.4 Rights Reserved.** The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.
- 10.5 Warranty Period Start Date.** The warranty period will begin upon Acceptance, as set forth in Section IX.

XI. Product Title

- 11.1 Conveyance of Title.** Upon Acceptance by the Purchasing Entity, Contractor shall convey to Purchasing Entity title to the Product free and clear of all liens, encumbrances, or other security interests.
- 11.2 Embedded Software.** Transfer of title to the Product must include an irrevocable and perpetual license to use any Embedded Software in the Product. If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Product title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

- 11.3 License of Pre-Existing Intellectual Property.** Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). The Contractor shall be responsible for ensuring that this license is consistent with any third-party rights in the Pre-existing Intellectual Property.

XII. Indemnification

- 12.1 General Indemnification.** The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to tangible property arising from any act, error, or omission of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to performance under this Master Agreement.
- 12.2 Intellectual Property Indemnification.** The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use infringes Intellectual Property rights of another person or entity ("Intellectual Property Claim").
- 12.2.1** The Contractor's obligations under this section will not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:
- 12.2.1.1** provided by the Contractor or the Contractor's subsidiaries or affiliates;
 - 12.2.1.2** specified by the Contractor to work with the Product;
 - 12.2.1.3** reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or
 - 12.2.1.4** reasonably expected to be used in combination with the Product.
- 12.2.2** The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.

14.6 Cancellation. Unless otherwise set forth herein, this Master Agreement may be canceled by either party upon sixty (60) days' written notice prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon thirty (30) days' written notice, unless otherwise limited or stated in the Participating Addendum. Cancellation may be in

Cancellation of the Master Agreement due to Contractor default may be immediate.

Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, unusually severe weather, other acts of God, or acts of war which are beyond that party's reasonable control. The Lead State may terminate this Master Agreement upon determining such delay or default will reasonably prevent successful performance of the Master Agreement.

14.8 Defaults and Remedies

14.8.1 The occurrence of any of the following events will be an event of default under this Master Agreement:

14.8.1.1 Nonperformance of contractual requirements;

14.8.1.2 A material breach of any term or condition of this Master Agreement;

14.8.1.5 Any default specified in another section of this Master Agreement.

14.8.2 Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of fifteen (15) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure will not diminish or eliminate Contractor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.

14.8.3 If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:

Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions will be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

14.9 Waiver of Breach. Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies will not operate as a waiver under this Master Agreement, any Participating Addendum, or any Purchase Order. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.

14.10 Debarment. The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

14.11 No Waiver of Sovereign Immunity

14.11.1 In no event will this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of the Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

14.11.2 This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not

limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

14.12 Governing Law and Venue

14.12.1 The procurement, evaluation, and award of the Master Agreement will be governed by and construed in accordance with the laws of the Lead State sponsoring and administering the procurement. The construction and effect of the Master Agreement after award will be governed by the law of the state serving as Lead State. The construction and effect of any Participating Addendum or Order against the Master Agreement will be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's state.

14.12.2 Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the state serving as Lead State. Venue for any claim, dispute or action concerning the terms of the Master Agreement will be in the state serving as Lead State. Venue for any claim, dispute, or action concerning any Order placed against the Master Agreement or the effect of a Participating Addendum will be in the Purchasing Entity's state.

14.12.3 If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead State for claims relating to the procurement, evaluation, award, or contract performance or administration if the Lead State is a party; a Participating State if a named party; the state where the Participating Entity or Purchasing Entity is located if either is a named party.

14.13 Assignment of Antitrust Rights. Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

14.14 Survivability. Unless otherwise explicitly set forth in a Participating Addendum or Order, the terms of this Master Agreement as they apply to the Contractor, Participating Entities, and Purchasing Entities, including but not limited to pricing and the reporting of sales and payment of administrative fees to NASPO ValuePoint, shall survive expiration of this Master Agreement and shall continue to apply to all Participating Addenda and Orders until the expiration thereof.

All orders, regardless of quantity, shall be delivered to Purchasing Entities within sixty (60) calendar days after Manufacturer receipt of order.

The Contractor must coordinate delivery with the Purchasing Entity specified on the order.

Body Armor improperly fitted to an individual wearer shall be altered or replaced and delivered to the individual within thirty (30) calendar days by the Contractor at no expense to the Purchasing Entity.

Product invoice shall contain, at a minimum:

- a) Name of Purchasing Entity.
- b) Order date.
- c) Description of the product ordered.
- d) NIJ CPL model designation and Threat Level.

- e) Serial number.
- f) Price.
- g) Any additional information required by the Purchasing Entity.

3.3 Packaging Requirements

All Body Armor and Ballistic-resistant products shall be packaged in such a manner as to ensure delivery in undamaged condition.

Packages that cannot be clearly identified may be refused and/or returned at no cost to the Purchasing Entity.

3.4 Delivery Requirements

All deliveries must be FOB Destination; freight prepaid by the Contractor, to the Purchasing Entity's specified location. Responsibility and liability for loss or damage for all orders will remain with the Contractor until final inspection and acceptance, when responsibility will pass to the Purchasing Entity, except the responsibility for latent defects, fraud, and the warranty obligations.

All deliveries shall be made during normal working hours, which may vary for each Purchasing Entity of each Participating State.

It shall be the responsibility of the Contractor to be aware of the delivery days and receiving hours for each Purchasing Entity.

The Purchasing Entity shall not be responsible for any additional charges, should the Contractor fail to observe specific delivery days and receiving hours.

The delivery days and delivery hours shall be established after contract award by each individual Purchasing Entity.

3.5 Recycling

Contractors are encouraged to facilitate recycling of used ballistic panels and other products on behalf of Purchasing Entities. Details listed in Exhibit E.

Recycling programs may be operated in-house by the Contractor, or through contractual or other arrangements which the Contractor shall establish with reputable domestic firms who have an established history of recycling ballistic materials and other products and providing chain of custody documentation.

Expired, unsafe and aged ballistic vests and other personal protection gear are transported to a processor where the material is processed and rendered unusable in ballistic protection applications. After the deconstruction of ballistic panels and/or other technical materials, the fiber is converted into end-use items such as gloves, brake pads, boat ropes, tire treads, etc. This will aid in keeping sensitive ballistic material out of circulation.

Recycled ballistic panels shall be tracked by serial number throughout the recycling process.

IV. Lead State Responsibilities and Tasks

4.1 Product and Distributor List Revisions

As new products are made available; Contractor may submit these products for consideration by the Lead State. Only products that are new item numbers (i.e., having different materials, styles and/or construction) will be considered. Contractor may submit new products once per quarter by the 1st day of the quarter, and final approval of new products is at the discretion of the Lead State. New approved products will be listed on the website after approval by the Lead State. For new products submitted after the first of the month, having errors in the submission or errors in the items, or requested changes from the Contractor after initial approval, may have delays in approval for addition to the Master Agreement.

New products receiving Certification or Verification to the NIJ CPL or the ASTM Verified Products List may be added to the price list at the currently existing MSRP/List Price Discount Percentages in between quarters if requested by Contractor and at the discretion and approval of the Lead State.

Contractor shall notify the Lead State when products previously approved are suspended or removed from the NIJ CPL (e.g., NIJ Safety Notice or NIJ Advisory Notice issued) or removed from the ASTM Verified Products List.

Distributor lists to be provided to the Lead State when changes are requested by Contractor.
Agent/Distributor form to be provided with all update requests.

After the first (12) months of the contract, the MRSP/List Price Discount Percentages will be used as one part of a guideline for price change reviews; other parts of the guideline include, but are not limited to, the overall increase from the current contract BID Price.

Exhibit E – Warranty and Recycling Plan

Body Armor Destruction and Recycling

Davy Textiles Inc. works with local, state, and federal agencies to assist with the safe and secure disposal of your body armor. We strive to obtain the maximum recycle rate on materials received. Items that cannot be recycled are disposed of according to state and federal regulations.

We suggest the panel inserts are boxed and palletized, when necessary, with no external markings or paperwork identifying the contents. Pallets should be numbered appropriately. (1 of 4, 2 of 4, etc.) Boxes weighing less than 150 lbs. can be shipped without pallets. Pictures should be taken to ensure there is no damage or tampering while in transport.

It is required that you provide us with a vest panel count to ensure the complete shipment is received. For example, most concealable vests will have 2 panels, a front and back panel. Please note any exceptions. We will issue your disposal request (DR) number with the purchase order. Prior to shipping, email your Purchase Order to support@davytextiles.com. Make sure you include the agency name as you want it shown on the Certificate of Destruction.

Shipping

Ship your vests with a common carrier of your choice to our facility in Statesville NC.
Davy Textiles Inc., 116 Wooten Street, Statesville NC 28677
Office: 704.978.1099 / Cell: 704.651.8684 or support@davytextiles.com

Fee Schedule

After two decades of free destruction service, we are now forced to charge a fee due to circumstances beyond our control.

Vest panels = \$3.00 per panel

There will be an administrative fee of \$150 for shipping less than 50 panels.

Helmets = \$ 4.00 per helmet

Plates (metal/ceramic) = \$2.00 per plate

Carrier Environmental Fee= \$2.00 per outer carrier

Shipping costs will be greatly reduced if the outer carriers are removed.

A Certificate of Destruction will be issued after all items are destroyed and payment completed.

Thank you for investing in a sustainable future.

Hardwire Limited Warranty

You are relying on your armor to protect you, so we take extraordinary steps to ensure that it will.

Subject to the limitations set forth herein, Hardwire LLC ("Hardwire") warrants to the original end-user purchaser ("Original Purchaser" or "You") that for **ten (10) years** after the date of purchase, its products, to include **hard body armor plates, "B-kit" vehicle door armor, tactical shields, whiteboards, clipboards, and backpack inserts** (the "Product") will meet the ballistic performance requirements set forth on the label of the Product. The Product complies with the National Institute of Justice's (NIJ) Ballistic Resistance Standards in effect on the date of manufacture of the Product, as follows:

Hard Body Armor: NIJ Standard 0101.06

"B-Kit" Vehicle Door Armor, Tactical Shields, Whiteboards, Clipboards, Backpack Inserts: NIJ Standard 0108.01

Hardwire warrants that, for a period of **10 years** after the date of purchase, the materials ("Materials") and workmanship of the Product shall be free from defects, considering environmental conditions consistent with the applicable NIJ standards. Materials apply only to the opaque ballistic composite, not to include dry erase films, automotive covers, or transparent armor.

All accelerated aging tests of these Products indicate that the Materials will withstand the test of time. Your job requires confidence in your equipment. To maintain that, Hardwire will periodically perform ballistic testing to ensure performance against penetration of the rounds in the applicable NIJ Standard for the Product, as set forth above. If at any time Hardwire, at its sole discretion, determines that the Product will not resist penetration, Hardwire will notify the Original Purchaser and provide a store credit equivalent to the greater of the straight-line depreciated value of the product over the industry-standard five year life or 20% of the original purchase price toward new purchase of any Product. Hardwire views this **unprecedented Limited Warranty as a relationship to maintain communication with you about your equipment's performance.**

Misuse or abuse of the Product will void the Limited Warranty. Hardwire will, in its sole discretion, make this determination. This Limited Warranty shall be null and void and shall not apply if the Product, in Hardwire's sole judgment and discretion, has been subjected to misuse, abuse, accident, alteration, breakage, damage, unauthorized repair or service, or improper care of the Product, but excluding damage or breakage of the Product incurred due to the Product's intended use in the line of duty as determined by Hardwire in Hardwire's sole discretion. Intentionally shooting or testing of the Product in any capacity will void the Limited Warranty.

If your armor Product is shot in the line of duty and your Product is damaged, Hardwire will replace it free of charge.

In the event that Hardwire determines that the Product is defective during an applicable Limited Warranty period, Hardwire shall (at its election) replace, repair, or issue a pro-rated purchase price credit for such Product. Any claim under this Limited Warranty must be delivered to Hardwire at its address listed above within ten (10) days following the date of delivery or, for latent defects, within ten (10) days following discovery of such defect. All returns shall be made to Hardwire's factory and must include (1) proof of issue / purchase, and (2) documentation specifying the claimed defect and all relevant supporting information. A Return Authorization Number (RAN) must be obtained from Hardwire prior to returning the product. Shipping, handling, and repair costs may be charged to the Original Purchaser if in Hardwire's sole discretion, the Product has been misused in any way. Hardwire will estimate such cost and proceed based solely on the Original Purchaser's approval at the time of return.

This is a LIMITED WARRANTY and is the sole and exclusive warranty for the Product. This Limited Warranty is given only to the Original Purchaser, and to no other person or entity. **In order to receive this Limited Warranty, the original Purchaser must register its Product on Hardwire's website.**

HARDWIRE AND ITS RESELLERS AND DISTRIBUTORS DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE PRODUCT, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING FROM ANY COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE. This Limited Warranty shall not be expanded in scope by any representation, description, course of dealing, course of performance, usage of trade, or otherwise.

YOUR EXCLUSIVE AND SOLE REMEDY FOR ANY CLAIM ARISING OUT OF A PRODUCT DEFECT, MALFUNCTION, OR FAILURE OF PERFORMANCE, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, SHALL BE THE REPAIR OR REPLACEMENT OF, OR, IN HARDWIRE'S SOLE DISCRETION, A REFUND OF THE AMOUNT OF THE PURCHASE PRICE PAID FOR, THE PRODUCT DETERMINED BY HARDWIRE TO BE DEFECTIVE. HARDWIRE SHALL NOT BE OBLIGATED TO PROVIDE ANY REMEDY IF YOU HAVE NOT NOTIFIED HARDWIRE IN WRITING OF SUCH DEFECT DURING THE RELEVANT WARRANTY PERIOD. IN NO EVENT SHALL HARDWIRE'S LIABILITY FOR ANY CLAIM BE GREATER THAN THE AMOUNT OF THE PURCHASE PRICE PAID FOR THE PRODUCT.

IN NO EVENT SHALL HARDWIRE BE LIABLE FOR ANY PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, ANTICIPATED OR LOST PROFITS, INCIDENTAL DAMAGES, OR ANY OTHER INDIRECT LOSSES, DAMAGES, OR EXPENSES THAT ARISE FROM ANY CAUSE RELATING TO THE PRODUCT, REGARDLESS OF THE FORM OF THE ACTION, WHETHER IN TORT (INCLUDING NEGLIGENCE), CONTRACT, STRICT LIABILITY OR OTHERWISE, AND REGARDLESS OF WHETHER THE COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.*

* Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Exhibit E – Warranty and Recycling Plan

Body Armor Destruction and Recycling

Davy Textiles Inc. works with local, state, and federal agencies to assist with the safe and secure disposal of your body armor. We strive to obtain the maximum recycle rate on materials received. Items that cannot be recycled are disposed of according to state and federal regulations.

We suggest the panel inserts are boxed and palletized, when necessary, with no external markings or paperwork identifying the contents. Pallets should be numbered appropriately. (1 of 4, 2 of 4, etc.) Boxes weighing less than 150 lbs. can be shipped without pallets. Pictures should be taken to ensure there is no damage or tampering while in transport.

It is required that you provide us with a vest panel count to ensure the complete shipment is received. For example, most concealable vests will have 2 panels, a front and back panel. Please note any exceptions. We will issue your disposal request (DR) number with the purchase order. Prior to shipping, email your Purchase Order to support@davytextiles.com. Make sure you include the agency name as you want it shown on the Certificate of Destruction.

Shipping

Ship your vests with a common carrier of your choice to our facility in Statesville NC.

Davy Textiles Inc., 116 Wooten Street, Statesville NC 28677

Office: 704.978.1099 / Cell: 704.651.8684 or support@davytextiles.com

Our business hours are Monday through Friday 8:00 am-4:30 pm EST.

Fee Schedule

After two decades of free destruction service, we are now forced to charge a fee due to circumstances beyond our control.

Vest panels = \$3.00 per panel

There will be an administrative fee of \$150 for shipping less than 50 panels.

Helmets = \$ 4.00 per helmet

Plates (metal/ceramic) = \$2.00 per plate

Carrier Environmental Fee= \$2.00 per outer carrier

Shipping costs will be greatly reduced if the outer carriers are removed.

A Certificate of Destruction will be issued after all items are destroyed and payment completed.

Thank you for investing in a sustainable future.

Hardwire Limited Warranty

You are relying on your armor to protect you, so we take extraordinary steps to ensure that it will.

Subject to the limitations set forth herein, Hardwire LLC ("Hardwire") warrants to the original end-user purchaser ("Original Purchaser" or "You") that for **ten (10) years** after the date of purchase, its products, to include **hard body armor plates, "B-kit" vehicle door armor, tactical shields, whiteboards, clipboards, and backpack inserts** (the "Product") will meet the ballistic performance requirements set forth on the label of the Product. The Product complies with the National Institute of Justice's (NIJ) Ballistic Resistance Standards in effect on the date of manufacture of the Product, as follows:

Hard Body Armor: NIJ Standard 0101.06

"B-Kit" Vehicle Door Armor, Tactical Shields, Whiteboards, Clipboards, Backpack Inserts: NIJ Standard 0108.01

Hardwire warrants that, for a period of **10 years** after the date of purchase, the materials ("Materials") and workmanship of the Product shall

be free from defects, considering environmental conditions consistent with the applicable NIJ standards. Materials apply only to the opaque ballistic composite, not to include dry erase films, automotive covers, or transparent armor.

All accelerated aging tests of these Products indicate that the Materials will withstand the test of time. Your job requires confidence in your equipment. To maintain that, Hardwire will periodically perform ballistic testing to ensure performance against penetration of the rounds in the applicable NIJ Standard for the Product, as set forth above. If at any time Hardwire, at its sole discretion, determines that the Product will not resist penetration, Hardwire will notify the Original Purchaser and provide a store credit equivalent to the greater of the straight-line depreciated value of the product over the industry-standard five year life or 20% of the original purchase price toward new purchase of any Product. Hardwire views this **unprecedented Limited Warranty as a relationship to maintain communication with you about your equipment's performance.**

Misuse or abuse of the Product will void the Limited Warranty. Hardwire will, in its sole discretion, make this determination. This Limited Warranty shall be null and void and shall not apply if the Product, in Hardwire's sole judgment and discretion, has been subjected to misuse, abuse, accident, alteration, breakage, damage, unauthorized repair or service, or improper care of the Product, but excluding damage or breakage of the Product incurred due to the Product's intended use in the line of duty as determined by Hardwire in Hardwire's sole discretion. Intentionally shooting or testing of the Product in any capacity will void the Limited Warranty.

If your armor Product is shot in the line of duty and your Product is damaged, Hardwire will replace it free of charge.

In the event that Hardwire determines that the Product is defective during an applicable Limited Warranty period, Hardwire shall (at its election) replace, repair, or issue a pro-rated purchase price credit for such Product. Any claim under this Limited Warranty must be delivered to Hardwire at its address listed above within ten (10) days following the date of delivery or, for latent defects, within ten (10) days following discovery of such defect. All returns shall be made to Hardwire's factory and must include (1) proof of issue / purchase, and (2) documentation specifying the claimed defect and all relevant supporting information. A Return Authorization Number (RAN) must be obtained from Hardwire prior to returning the product. Shipping, handling, and repair costs may be charged to the Original Purchaser if in Hardwire's sole discretion, the Product has been misused in any way. Hardwire will estimate such cost and proceed based solely on the Original Purchaser's approval at the time of return.

This is a LIMITED WARRANTY and is the sole and exclusive warranty for the Product. This Limited Warranty is given only to the Original Purchaser, and to no other person or entity. **In order to receive this Limited Warranty, the original Purchaser must register its Product on Hardwire's website.**

TO THE MAXIMUM EXTENT PERMITTED BY LAW:

HARDWIRE AND ITS RESELLERS AND DISTRIBUTORS DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE PRODUCT, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING FROM ANY COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF

TRADE. This Limited Warranty shall not be expanded in scope by any representation, description, course of dealing, course of performance, usage of trade, or otherwise.

YOUR EXCLUSIVE AND SOLE REMEDY FOR ANY CLAIM ARISING OUT OF A PRODUCT DEFECT, MALFUNCTION, OR FAILURE OF PERFORMANCE, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, SHALL BE THE REPAIR OR REPLACEMENT OF, OR, IN HARDWARE'S SOLE DISCRETION, A REFUND OF THE AMOUNT OF THE PURCHASE PRICE PAID FOR, THE PRODUCT DETERMINED BY HARDWARE TO BE DEFECTIVE. HARDWARE SHALL NOT BE OBLIGATED TO PROVIDE ANY REMEDY IF YOU HAVE NOT NOTIFIED HARDWARE IN WRITING OF SUCH DEFECT DURING THE RELEVANT WARRANTY PERIOD.
