SUBJECT: Correction of Master Agreement Commodity Line Number 3 (Strata Logging Service Subscription)

The purpose of this memo is for administrative documentation only and to record a correction related to the creation of the original Master Agreement for CRFQ OOT2600000025.

Due to a system limitation, the award and resulting Master Agreement (CMA OOT2600000011) had to be created outside the original solicitation and requisition procurement folder.

During the award process, it was identified that the unit price from the vendor's bid response was entered incorrectly into the award document. The posted award amount did not match the pricing contained in the vendor's submitted and accepted bid. This discrepancy has been corrected to ensure the award reflects the accurate bid pricing.

Specifically, Commodity Line 3: Strata Logging Service Subscription unit price was entered as \$750.00 each, but the correct bid price is \$7.50 each. The commodity line has been updated to reflect the accurate pricing.

This memo is intended to ensure the procurement file accurately reflects the correction and the reason for the discrepancy.
