 To The Conditions and Warranty Information On Reverse Side
 BY _____ DATE _____

SALESMAN: Chuck Alexander DATE 6-13-06

CONDITIONS

It is further understood and agreed:

The order on the reverse side hereof is subject to the following terms and conditions which have been mutually agreed upon:

1. The manufacturer has reserved the right to change the list price of equipment without notice and in the event that the list price of the equipment ordered hereunder is so changed, the cash delivered price, which is based on list price effective on the day of delivery, will govern in this transaction. But if such cash delivered price is increased the purchaser may, if dissatisfied with such increased price, cancel this order, in which event if a used equipment has been traded in as a part of the consideration herein, such used equipment shall be returned to the purchaser upon the payment of a reasonable charge for storage and repairs (if any) or, if the used equipment has been previously sold by the dealer, the amount received therefor, less a selling commission of 15% and any expense incurred in storing, insuring, conditioning or advertising said equipment for sale, shall be returned to the purchaser.

2. If the used equipment is not to be delivered to the dealer until the delivery of the new equipment, the used equipment shall be reappraised at that time and such reappraisal value shall determine the allowance made for such used equipment. The purchaser agrees to deliver the original bill of sale and the title to any used equipment traded herein along with the delivery of such equipment, and the purchaser warrants such used equipment to be his property free and clear of all liens and encumbrances except as otherwise noted herein.

3. Upon the failure or refusal of the purchaser to complete said purchase for any reason other than cancellation on account of increase in price, the cash deposit may be retained as partial payment for damages, and in the event a used equipment has been taken in trade, the purchaser hereby authorizes dealer to sell said used equipment, and the dealer shall be entitled to reimburse himself out of the proceeds of such sale, for the expenses specified in paragraph 1 above and also for his expenses and losses incurred or suffered as the result of purchaser's failure to complete said purchase.

4. The manufacturer has the right to make any changes in the model or design of any accessories and part of any new equipment at any time without creating any obligation on the part of either the Dealer or the Manufacturer, to make corresponding changes in the equipment covered by this order before or subsequent to the delivery of such equipment to the purchaser.

5. Dealer shall not be liable for delays caused by the manufacturer, accidents, strikes, fires, or other causes beyond the control of the dealer.

6. The price of the equipment quoted herein does not include any tax or taxes imposed by any governmental authority prior to or at the time of delivery of such equipment unless expressly so stated, but the purchaser assumes and agrees to pay, unless prohibited by law, any taxes, except income taxes, imposed on or incidental to the transaction herein, regardless of the person having the primary tax liability.

7. The selling dealer agrees to promptly perform and fulfill all terms and conditions of the owner service policy.

8. In case the equipment covered by this order is a used equipment, no warranty or representation is made as to the extent such equipment has been used, regardless of the hours shown on the hour meter of said used equipment.

Warranties: Any warranties as to new equipment ordered herein are the manufacturer's warranties only and not the Dealer's. Any warranties as to used equipment ordered herein shall only exist by separate writing provided to Buyer by Dealer; otherwise, used equipment sold "as is". Dealer expressly disclaims all warranties either express or implied, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose. Buyer shall not be entitled to recover from Seller (Dealer) any consequential damages, property damages, damage for loss of use, loss of income, or any other incidental damages.

Breach of this Agreement by Buyer shall obligate Buyer to pay Seller's (Dealer's) reasonable attorney's fees, costs, and damages caused by such breach.
