BIDDING INSTRUCTIONS

Vendors shall not qualify bids. Any qualification of bids or any modification of the specifications or conditions governing the bids will be cause to reject bids.

Vendors are requested to type prices on bid schedule sheets. Bid schedules must not be altered. If bid schedules are altered in any way the bid may be disqualified.

Equipment owners may quote the cost to supply any or all of the equipment listed on the attached quotation sheets. For a quotation to be considered valid, the owner must provide the manufacturer's name and model number of the equipment offered for lease and the rental rate in dollars per day, dollars per week and dollars per month. Also, equipment owners shall quote the cost to deliver leased equipment to the location specified by the Division. This quotation shall be the cost to deliver the equipment the first road mile and the cost to deliver the equipment each additional road mile thereafter.

The quoted rates for leased equipment, with operator or without operator (i.e., \$/day, \$/week and \$/month), shall be for lease days, lease weeks and lease months as defined under the heading "DEFINITION OF LEASE PERIOD". Quotations which do not conform to all requirements of this specification will not be honored.

INVOICING INSTRUCTIONS

The minimum period of lease shall be one (1) lease day.

Equipment leased for one (1) lease day or less shall be invoiced at the daily lease rate.

Equipment leased for one (1) lease week or less shall be invoiced at the weekly lease rate or the number of lease days times the daily lease rate, whichever is less.

Equipment leased for more than one (1) lease week but for less than one (1) lease month shall be invoiced at the monthly lease rate or the number of lease weeks times the weekly lease rate or the number of complete lease weeks plus an amount calculated by the above paragraph for any period less than a multiple of seven (7) days, whichever is less.

Equipment leased for one (1) lease month or more shall be invoiced at the monthly rate. In the event the lease period is not a multiple of thirty (30) lease days, then each day in excess of the multiple shall be evaluated as one-thirtieth (1/30) of a lease month.

An invoice for payment on leased equipment shall set forth the following:

1. The beginning date and the date on which the invoicing period ends.
2. The number of lease days in the invoicing period.
3. The number of equipment downtime days in the invoicing period and,
4. The make, model and serial number of the leased equipment being invoiced.

NOTE 1: The Division will supply the equipment owner with the downtime days in any calendar month within ten (10) days following the end of the calendar month or within ten (10) days following termination of lease, whichever is appropriate. The equipment owner may obtain this information sooner by calling the leasing organization.

NOTE 2: The period of need for leased equipment as specified in the State Contract Purchase Order (Form WV-39) is only an estimate of need and shall not be used for invoicing purposes.

LABOR RATES

All labor rates paid by the Vendor under this contract must be in compliance with, The West Virginia State Code Chapter 21, Article 5A: Wages for Construction of Public Improvements.

THIS REQUEST FOR QUOTATION, GENERAL TERMS, AND SCHEDULES I AND II, FORM THE PROPOSAL AND CONSTITUTE ONE INSTRUMENT, AND MUST BE READ IN ITS ENTIRETY.

GENERAL TERMS

I

DEFINITION OF "LEASE" AND DESIGNATION OF PARTIES

"Lease" shall mean an agreement wherein the West Virginia Division of Highways leases the equipment set forth and described in Schedule 1, attached to and made a part hereof, for periods of time not to exceed ninety (90) days unless otherwise clearly specified in the State Contract Purchase Order, which said Order shall define the period of time of any particular lease of equipment.

As used herein, the word "Vendor" shall mean any person, firm or corporation leasing equipment to the West Virginia Division of Highways. The words "Division of Highways" or "Division" shall mean the West Virginia Division of Highways.

II

DELIVERY/MOBILIZATION

Any Vendor whose bid is accepted by Division shall deliver such equipment requested by Division at any given time, assembled and ready to operate, to any location or locations designated by Division. Delivery/Mobilization fees shall be paid one way only by the Division.

VI

FUEL, OIL AND OTHER LUBRICANTS

The Division of Highways shall, at its expense, provide only fuel, oil and other lubricants (which are necessary for the operation, maintenance and use) of that equipment leased without the vendor's operators. Equipment leased with the vendor's operators shall have fuel, oil and other lubricants supplied by the vendor. Vendors shall be responsible for performance of preventive maintenance of equipment and parts/supplies associated with preventive maintenance activities.

VII

**RISK OF LOSS, DAMAGE OR THEFT
WHERE OPERATORS OF EQUIPMENT ARE
FURNISHED BY DIVISION OF HIGHWAYS**

All loss, damage, or destruction of such leased equipment, partial or complete, or loss by reason of theft, to or of any of the subject equipment, while in the possession or under the control of the Division, due to or caused by the ordinary negligence of the Division or its personnel or by the failure of the Division or its personnel to exercise ordinary care for the protection of such equipment, shall be borne by the Division from and after the delivery of such equipment by the Vendor to a location designated by the Division and its acceptance by the Division, subject however, to the terms and conditions hereinafter set forth. Division shall not be responsible for any such loss, damage or destruction, partial or complete, caused by a defect in such equipment existing at the time of delivery thereof by Vendor to Division.

The total or partial loss of use or possession of any of said equipment resulting, as herein above set forth, shall not abate any payments required to be made by the Division to the Vendor if such loss of use or possession is caused by the ordinary negligence or the lack of ordinary care of such equipment by the Division or its personnel.

for such period of time the equipment is not available for such use during the time of such repair or replacement due to such damage or loss or during the time involved in the replacement of any piece of equipment. Division shall be responsible for any loss of such equipment or any part thereof during the time that such equipment is not in use or is not required to be attended by Vendor's operators provided, however, that such equipment is delivered by the Vendor through its operators to a place designated by Division's employees or agents, in which case the Division shall be responsible for the security of such equipment, and, provided further, however, that Division's responsibility or liability for such security will be limited to ordinary care.

Such operators so furnished by the Vendor, while under the direction of Division, shall remain the employees of and under the control of the Vendor, and shall not be considered as agents of Division.

IX

LIENS

The Division of Highways shall not directly or indirectly create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the subject equipment, except with respect to the respective rights of the Vendor and Division of Highways as herein provided.

X

ENJOYMENT OF EQUIPMENT

The Vendor covenants to provide the Division of Highways during the term of the applicable agreement with quiet use and enjoyment of the subject equipment, and the Division of Highways shall, during the term peaceably and quietly have, hold, and enjoy the subject equipment, without suit, trouble or hindrance from the Vendor, except as expressly set forth in this agreement. Any assignee of the Vendor shall not interfere with such quiet use and enjoyment during the term of the agreement so long as the Division of Highways is not in default.

XV

INSURANCE

The West Virginia Division of Highways is insured by the Board of Risk and Insurance Management. Insurance coverage will be provided by that agency only for long term, i.e., over thirty (30) consecutive days equipment lease. Insurance coverage for short term rental/lease equipment will be the responsibility of the owner/Vendor. The Division of Highways will, at its option, either replace or pay to Vendor the fair market value of any of the subject equipment or any part thereof, lost, destroyed or stolen by reason of the negligence of or lack of ordinary care on the part of its employees as herein-before provided in Section VII.

XVI

INDEMNITY

Article X, Section 6 of the Constitution of the State of West Virginia provides that “. . .the credit of the State shall not be granted nor shall the State ever assume or become responsible for the debts or liabilities of any person.” As a result, the Division of Highways, as Lessee, will assume only those liabilities permitted by law for all obligations, losses, damages, injuries, claims, demands, penalties, actions, costs and expenses of whatsoever kind and nature, without recourse to Vendor, or its assigns, arising out of the manufacture, use, condition, operation, removal and return of the subject equipment, regardless of where, how and by whom operated.

XVII

NOTICES

All notices to be given under the terms of this Agreement, or required by the laws governing the same, shall be in writing and mailed to the proper party or parties at his, her or its address set forth in the State Contract Purchase Order or at such address as any such party or parties may provide in writing to the other party or parties from time to time.

XVIII

SUCCESSORS OR ASSIGNS

The terms of this agreement will apply to all lessees, successors or assigns of the parties hereto.

NOTE: Due to repeat scanning of the specifications for the Internet, Pages 8 through 18 doesn't need to be submitted with the bid.

Req. No. 66-7-C0016

Vendor should type Bid Schedule.

West Virginia Code §5A-3-10a states:

No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION:

The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
