6. **Qualification of Bidder**

The OWNER may make such investigations as he deems necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the OWNER all such information and data for this purpose as the OWNER may request. The OWNER reserves the right to reject any bid if the evidence submitted by, or investigation of, such bidder fails to satisfy the OWNER that such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein.

7. **Bid Security**

Each bid must be accompanied by certified check of the bidder or a bid bond prepared on an insurance company form duly executed by the bidder as principal and having as surety thereon a surety company approved by the OWNER in the amount of five percent of the bid. Such checks or bid bonds will be returned to all except the three lowest bidders within three days after the opening of the bids, and the remaining checks or bid bonds will be returned promptly after the OWNER and the accepted bidder have executed the contract, or if no award is made within 30 days after the date of the opening of bids, upon demand of the bidder at any time thereafter, so long as he has not been notified of the acceptance of his bid. Sample Bid Bond forms are included in Bidding Forms section.

8. **Liquidated Damages for Failure to Enter Into Contract**

The successful bidder, upon his failure or refusal to execute and deliver the contract and bonds required within 10 days after he has received notice of the acceptance of his bid, shall forfeit to the OWNER, as liquidated damages for such failure or refusal, the security deposited with his bid.

9. **Time of Completion and Liquidated Damages**

All work shall be completed within 120 calendar days from the date of the

written notice to proceed. Bidder must agree also to pay as liquidated damages, the sum \$100.00 for each consecutive calendar day thereafter as hereinafter provided in the General Conditions.

10. Examination of Contract Documents and Site

Each bidder must inform himself fully of the conditions relating to the construction of the project and the employment of labor thereon. Failure to do so will not relieve a successful bidder of his obligation to furnish all material and labor necessary to carry out the provisions of his contract. The bidder is required to examine carefully the Contract Documents and the site of the work contemplated. The submission of a bid shall be considered prima facie evidence that the bidder has made such examination and has judged for and satisfied himself as to the character, quality, and the quantity of work to be performed and material required to be furnished under the Contract.

11. Addenda and Interpretations

No interpretation of the meaning of the plans, specifications, or other pre-bid documents will be made to any bidder orally.

Every request for such interpretations should be in writing addressed to:

Krista Ferrell
West Virginia Purchasing Division
2019 Washington Street, East
Post Office Box 50130
Charleston, West Virginia, 25305-0130

To be given consideration such interpretations must be received at least fourteen (14) days prior to the date fixed for the opening of bids. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be mailed to all prospective bidders (at the respective addresses furnished for such purposes), not later than ten (10) days prior to the date fixed for the opening of bids. Failure of any bidder to receive any such addendum or interpretation shall not relieve such bidder from any obligation under his bid as submitted. All Addenda so issued shall become part of the Contract Documents.

12. Security for Faithful Performance

Simultaneously with his delivery of the executed contract, the Contractor shall furnish a surety bond or bonds as security for faithful performance of this contract and furnishing materials in connection with this contract, as specified in the General Conditions included herein. The surety on such bond or bonds shall be a duly authorized surety company satisfactory to the OWNER. (See

sample of Performance Bond-Labor Material Payment Bond at conclusion of Information for Bidder

13. **Power of Attorney**

Attorneys-in-fact who sign bid bonds or contract bonds must file with each bond a certified and effectively dated copy of their power of attorney.

14. **Laws and Regulations**

The bidder's attention is directed to the fact that all applicable State laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the contract throughout, and they will be deemed to be included in the contract the same as though herein written out in full.

15. **Method of Award - Lowest Qualified Bidder**

If at the time this contract is to be awarded, the lowest Base Bid submitted by a responsible bidder does not exceed the amount of funds then estimated by the OWNER as available to finance the contract, the contract will be awarded on the Base Bid and alternates as they may apply. If such bid exceeds such amount, the OWNER may reject all bids or may award the contract on the Base Bid combined with such deductible alternates in the Form of Bid, as produces a net amount which is within the available funds.

16. **Insurance Coverage**

The Contractor shall present evidence to the OWNER of adequate coverage for Public Liability and Property Damage insurance to protect the OWNER from any claim of damage, which might arise from any accident or carelessness during the life of this contract.

17. **West Virginia Workers' Compensation**

All employees engaged in the work of this contract shall be covered by State Compensation Insurance.

18. **Wage Rates**

All employees engaged in the work of this contract shall be paid at least the minimum wage scales for the various trade classifications as established by the State Commissioner of Labor for the West Virginia area and in accordance with State Statutes in county where the work is being performed. All employees will be shown a copy of the wage scale for this particular area and a copy will be posted in a conspicuous place on the job.

19. Vendor's Number

In order for any bid or bids to be considered, vendors must have filed a vendor's certificate and obtained a vendor's number from the Purchasing Division prior to the award of a contract. Application for such certificate and vendor's number may be obtained from the Purchasing Director, Department of Finance and Administration, 2019 Washington Street, East, Charleston, West Virginia 25305.

20. Contractor's Personnel Requirements

The official title of person signing the bid shall be shown.

If a firm is a partnership, the full partnership name shall be shown, and the bid shall be signed by a partner. If a firm is a single proprietorship, the full name shall be shown and the bid shall be signed by the sole OWNER. If the bid of a partnership or single proprietorship is signed by a person other than the partners and the OWNERS, there should be attached a written, duly acknowledged power of attorney clearly giving and showing that the signer has power sufficient to bind the partners and OWNERS of the firm to the bid.

If the firm is a corporation, and the person signing the bid is neither the president nor vice president of the corporation, there should be attached a written, duly acknowledged power of attorney or corporate resolution giving and showing that the signer has sufficient power to bind the corporation to the bid.

Sufficient evidence that the person signing the bid has the power to bind the offering company must be received by the Purchasing Division prior to the issuance of a contract.
