DNR80113 – GOLF COURSE CHEMICALS RFQ SPECIFICATIONS
BID OPENING: JANUARY 24, 2007; 1:30 PM

To provide golf certified chemicals, soil amendments, turf type seed and general turf care products for West Virginia State Parks operated golf courses: Cacapon, Hawks Nest, Pipestem and Twin Falls State Park Facilities. West Virginia State Park non-golf course facilities may also purchase non-regulated chemicals, seed, and turf products within this contract; also all county and municipalities may purchase from this contract. The State of West Virginia always has preference over all other agencies regardless of the time of order. Should inventory of any chemical be low, the state-owned golf courses listed on this RFQ will have first preference over any and all other agencies.

This contract provides for product(s) to be ordered by case, unless noted within description as described within this request for quotations. Due to high cost of some chemicals, a few products are listed both in case items as well as single units items.

Vendor Bids:

If a product lists a company, and/or manufacturer agency product then "No Substitutions" or generic will be approved. Product line items that do not note Manufacturer/Company, vendor must provide product label, which includes chemical/product data, and proof that product meets or exceeds specifications.

Product selection:

Selection of those product substitutions (if Manufacturer is not specified) will be made on the basis of cost per unit, label ingredients, and product application rate comparisons as evaluated by golf course facility operators and their specific application use. There shall only be one vendor award per line item.

We expect multiple vendor awards to manufacturer agency chemicals: In the best interest of the State of West Virginia individual item numbers will be awarded to prospective low bidder. In the case of "agency" chemicals, there will be multiple awards if same low bids are quoted.

Life of contract

The life of this contract will be effective on date of award and extends until the end of Calendar year 2007, or until such "reasonable time" thereafter as is necessary to obtain a new contract or renew the original contract. The "reasonable time" period shall not exceed four (4) months. During this "reasonable time" the vendor may terminate this contract for any reason upon giving the Director of Purchasing 30 days written notice.

Eligible park facilities:

All West Virginia State Park Facilities may order within this contract: (Specific chemicals may be excluded depending chemical applicator permits requirement). Vendor is responsible for verification of permits as guided by West Virginia State law.

Facilities include:

Golf Course Facilities within this contract**Cacapon Resort State Park**

Tom Ambrose, Superintendent
818 Cacapon Lodge Drive
Berkeley Springs, WV 25411, (304) 258-6691; FAX (304) 258-8867

Rt. 97 P.O. Box 667
Mullens, WV 25882 , (304) 294-6000; FAX (304) 294-5000

Also Facilities that may order items within the contract include:

- * Lodge parks, without golf course facilities
- * Vacation parks
- * Day use parks
- * Historical parks

Individual address and contact names for park locations and bidding evaluation purposes may be evaluated on the web: www.wvstateparks.com .

Specific order(s) through the year will be determined by seasonal needs of individual State Park Superintendents.

Delivery of product:

Product purchase orders will be made from the respective facilities as needed throughout the 2007 calendar year. Orders from this contract shall be delivered

FOB destination prepaid and allowed. Agency may make purchases of less than \$500 from a local source if price includes delivery and a savings results from local purchase.

Vendor Order form: - The vendor shall work jointly with the Parks and Recreation section in developing an order form and catalogue. Information and instructions on the ordering process shall be provided to employees with the order forms.

Vendor(s) award to this purchase order shall make delivery of product to specific golf courses as listed within a maximum of 10 days of order. See below for address location of the State Park operated golf courses.

Items that are shipped to location and do not meet contract product specifications shall be returned at no cost to the State park course.

Products shall be received in sealed original containers. Items delivered damaged will be returned to vendor for replacement at no cost to buyer.

Payment:

Orders under the value of \$2500.00 shall be paid using State of West Virginia issued VISA purchasing credit card as condition of award.
Purchase orders over the \$2500.00 dollar amount shall be invoiced to the park.
Original invoice is required with delivery slip.

Training and technical service:

Vendor supplying product within their award shall provide facility technical service and professional training a minimum of twice a year to the respective park golf course staff relating to the product award at no charge. This training shall be scheduled with golf manager for appropriate timeframes of course needs. Training and chemical service shall include at minimum but not be limited to product safety, proper handling, storage, application rates and approved uses within golf turf care.

Product Estimates:

Quantities listed below are approximations only, based on estimated usage from respective golf course managers. Actual products ordered will be determined by seasonal changes depending on weather and site specific turf care needs whether that be more or less than the quantities shown.
