**Re: A/E Design Services for Planning and
Design of Renovations to the WV
Lottery Commission Building**

Mr. Bowman and the Selection Committee:

Chapman Technical Group is pleased and proud to submit this expression of interest and statement of qualifications for your consideration.

Chapman Technical Group provides the professional design services for a diverse range of projects including water and wastewater treatment plants, airport improvements, additions and extensions, highway and bridge design, landscape architecture, interior design and space planning, and architectural design. While the specialized programs and equipment are unique to each of these types of projects, the fundamental components of planning, designing, quality control, and construction administration is essentially the same for any type of building project. Chapman Technical Group has been providing these components for over 21 years. Our collective staff has hundreds of years of architectural and engineering experience. Couple this with our long standing collaborations with our highly experienced consultants and you will see that our team has the expertise and experience to affect all phases of the proposed renovations to the West Virginia Lottery Commission offices.

The following information should serve to introduce and qualify the various members of the team that we propose to complete the tasks required for your project.

Chapman Technical Group invites an opportunity to present our design team for your evaluation. If you have any questions or require any additional information, please contact us. Thank you for the opportunity to submit on your project.

Sincerely,

CHAPMAN TECHNICAL GROUP

Dale E. Withrow, Project Coordinator
Manager - Architecture Group
