Dear Mr. Abbott:

This proposal is in response to the State of West Virginia Department of Administration Purchasing Division RFQ #COR61359 soliciting bids for the West Virginia Division of Corrections and the Regional Jail Authority to provide an open-end contract for inmate healthcare and mental health services.

CMS was the Division of Corrections' first provider of inmate healthcare services, and has been a *trusted advisor* since 1985!

Our proposal **showcases our relationships**: with important subcontractors such as PSIMED, with our outstanding regional management team, and with Division of Corrections administration.

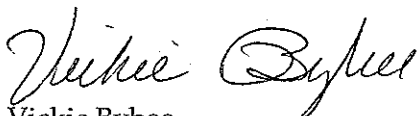

In addition, we are delighted to introduce **ten exciting new health care initiatives**, which will commence during the upcoming contract term. From valuable **data mining** to electronic **grievance tracking** to our sophisticated approach to **disease management**, CMS offers these and other initiatives to show the Division of Corrections just how dedicated we are to constantly improving services and to managing costs.

CMS is located at 12647 Olive Boulevard, St. Louis, Missouri, 63141. The contact person for this solicitation is Becky Luethy, Director of Business Development. She can be reached via electronic mail at bluethy@cmsstl.com, via telephone at (800) 325-4809, extension 9107, or via facsimile at (314) 919-8908.

I am authorized to commit CMS to the proposal that follows this letter. We look forward to the opportunity to continue our role as dedicated partner and healthcare provider to West Virginia's incarcerated.

Sincerely,
