Re: DEFK8165 – Additions and Renovations to the Parkersburg Armory

Dear Mr. Abbott and Members of the Selection Committee,

McKinley & Associates, Capitol Engineering, Inc. and Moment Engineers, Inc. (McKinley/Capitol/Moment) have formed a collaborative, integrated team to work with the West Virginia Army National Guard in the design of additions and partial renovation of the National Guard Armory in Parkersburg, West Virginia.

We are pleased to provide our team qualifications to your organization. The McKinley/Capitol/Moment team includes a group of highly experienced professionals that have served the West Virginia Army National Guard successfully throughout the years. These team members have considerable experience in facilities designed for State and Federal agencies. Our specific team members will assume the following roles:

- McKinley & Associates – Architect of Record and MEP Engineering
- Capitol Engineering, Inc. – Civil/Site Engineering
- Moment Engineers, Inc. – Structural Engineering

We believe that the McKinley/Capitol/Moment collaboration brings many benefits, which we outlined in the enclosed document.

Thank you for reviewing our submission and considering the McKinley/Capitol/Moment team for your proposed project. We are excited about the possibility of working again with the West Virginia Army National Guard.

Sincerely;

James E. Buch
