Charleston, WV 25305-0130

Subject: Architect and Engineering Services for the West Virginia National Guard, RTI Environmental Systems, Located at Camp Dawson, Kingwood, WV RFQ # DEFK8263

Dear Mr. Abbott,

Thank you for the opportunity to submit our qualifications for this contract. We have enjoyed working with the West Virginia National Guard on a previous contract for new billeting facilities at Camp Dawson, and we look forward to continuing that relationship with this contract.

Enclosed are two copies of our Expression of Interest for this contract. Our team is exceptionally well-qualified to provide the services required for this project, due to our previous experience with building evaluations and designs to correct humidity control for a wide variety of building types, as well as our extensive portfolio of projects for DOD facilities. The team that we have assembled for this contract consists of seasoned professionals, with DOD experience. Our team consists of:

H.F. Lenz Company
Alpha Associates, Inc.
Skelly and Loy

MEP and Structural Engineering
Architectural Services
Environmental Engineering

H.F. Lenz Company has worked with both firms on numerous projects over the years. In fact, H.F. Lenz Company and Alpha Associates, Inc. have successfully collaborated on approximately ten DOD facility projects throughout West Virginia, including our previous project at Camp Dawson.

We are very proud of the work that we have completed at Camp Dawson, and we look forward to continuing to serve the West Virginia National Guard for many years to come!

Sincerely,

H.F. LENZ COMPANY

Thomas F. Deter, P.E.
