REQUEST FOR QUOTES

**WEST VIRGINIA DEPARTMENT
of
ENVIRONMENTAL PROTECTION**

OFFICE OF ENVIRONMENTAL REMEDIATION

**Removal of Underground Storage Tanks and Assessments
at
Different Locations in North Eastern WV**

INFORMATION FOR BIDDERS

009

The State of West Virginia, Department of Environmental Protection, Office of Environmental Remediation is requesting quotes for removal of abandoned Underground Storage Tanks (USTs) and assessments for North Eastern West Virginia. There will be no engineering services for this contract.

DEP will enter into an open-end contract for these services and reserves the right to award this contract up to 2 vendors. Work Directives will be issued for individual sites or projects in accordance with the criteria set forth in this RFQ.

BACKGROUND

The West Virginia Department of Environmental Protection (WVDEP), Division of Land Restoration (DLR), Office of Environmental Remediation (OER) is responsible for oversight of Corrective Action at Leaking Underground Storage Tank (LUST) facilities. The tank owners and operators are responsible for taking corrective action when a release occurs. Under certain conditions WVDEP may use funds from the U.S. EPA Leaking Underground Storage Tank Response Fund and/or the WV Leaking Underground Storage Tank Response Fund, if available, to take action to protect human health and the environment, and no owner or operator can be found who is willing and able to take action. If action is taken by the State, the WVDEP must seek cost recovery from the tank owner or operator. Sites that pose the greatest threat to health and the environment will be addressed to protect the citizens of West Virginia from the potential environmental harm caused by leaking underground storage tanks. The work specified in work directives may or may not be limited to leaking underground storage tanks sites. It is the intent of this contract to address abandoned petroleum leaking underground storage tank sites.

SERVICES REQUIRED

The WVDEP/OER is requesting quotes to properly close several underground storage tanks varying in sizes and performing assessments at different locations through out North Eastern West Virginia.

South Eastern portion covering nine (9) counties, which are:

- | | |
|---------------|----------------|
| 1.) Randolph | 6.) Mineral |
| 2.) Tucker | 7.) Hampshire |
| 3.) Pendleton | 8.) Morgan |
| 4.) Grant | 9.) Berkeley |
| 5.) Hardy | 10.) Jefferson |

The WVDEP/OER shall be responsible for retaining the right of entries. The WVDEP/OER shall be responsible for collection and analyses of soil and water samples during closure activities.

The Contractor will be responsible for complying with any and all health and safety requirements related to the work, including but not limited to, employees, traffic control, and utility location verification. The Contractor will be responsible for contacting Miss Utility. The Contractor will also be held responsible for all cost associated for replacing or repairing any utilities damaged by the Contractor. WVDEP will not reimburse Contractor for any repair or replacement of any such damaged utility. WVDEP will not pay any down time due to utility damage/repair or any other unforeseen reasons. Contractor shall also be responsible for obtaining and complying with any city or county ordinances, such as building or demolition permits.

The Contractor shall be responsible for paying and/or securing all taxes, permits, fees, compensation, and any other items necessary to render and hold the WVDEP and the property owner free and harmless from all claims arising from services performed under this contract.

The Contractor shall take such steps as are required to ensure equal opportunity for employment in accordance with policies promulgated by the President's Committee on Equal Opportunity.

Work and services to be performed under this contract shall be subject to continuous monitoring and inspection by the State's authorized representatives. Such inspection will, among other things, ensure technical compliance.

In accomplishing services to fulfill the requirements of this RFQ, neither the Contractor nor his subcontractor shall create any adverse environmental effects, and shall be responsible for compliance with all applicable local, state and federal environmental and occupational health and safety laws and regulations pertinent to the work.

It is the responsibility of the contractor to pay his or her employees the higher of the U.S. Department of Labor minimum wage rate as established for the county in which they are working, pursuant to West Virginia Code 21-5A, et, seq. (Prevailing wage rates apply to this contract.) A certified payroll may be requested.

The Contractor must have a "Class B" WVDEP certified person on site during closures of USTs as required by State Regulations and all boring/drilling activities must be done in accordance with 47CSR59 "Monitoring Well Regulations" and 47CSR60 "Monitoring Well Design Standards".

Contractor's critical personnel at the job site shall have completed the mandatory 40 hour health and safety training course, with annual refresher, in accordance with the requirements of the Occupational Safety and Health Administration 29CFR 1910.120.

Contractor must submit Class B certified person and number and certified well driller name and number with bid or within 24 hours of request by the Purchasing Division. Also Contractor must submit all critical personnel's full name and date of 40-hour health and safety training course and refresher course with bid or within 24 hours of request by the Purchasing Division.

Prior to commencement of work, the Contractor's equipment shall be inspected and shall be subject to the approval of WVDEP. If the equipment delivered to the site does not meet the

requirements specified in this contract, or if, as a result of frequent breakdowns after the equipment is in use or other causes, the original equipment cannot be operated efficiently, the Contractor shall deliver to the site satisfactorily replacement equipment. No additional payment shall be allowed for replacement of defective or inadequate equipment. WVDEP shall be the final judge as to the adequacy of the equipment.

Underground storage tank closures and assessments shall be in accordance to all Federal and State regulations. The successful vendor must be capable of having an individual present at the underground storage tank (UST) site and capable of exercising supervisory control over the closure (removal/close in place).

The State hereby notifies the Contractor that work is to be performed on property, where the contractor's employees may be exposed to petroleum contamination and other hazardous materials existing at Leaking Underground Storage Tank sites.

GENERAL CONDITIONS

- **Bid Bond:** A bid bond in the amount of \$5,000.00 payable to the State of West Virginia shall be submitted with each bid. Bonds may be provided in the form of a cashier's check, irrevocable letter of credit, or a bond furnished by a solvent surety company authorized to do business in the state of West Virginia. Irrevocable letters of credit **must** contain the raised corporate seal of the lending institution of issuance. Personal or business checks are not acceptable in lieu of the bid bond.
- **Workers Compensation:** Vendor is required to provide a current certificate of Workers' Compensation Insurance prior to issuance of the purchase order/contract.
- **Contractor's License:** West Virginia Code 21-11-2 requires that all persons desiring to perform contracting work in this state must be licensed. The West Virginia Contractors Licensing Board is empowered to issue the Contractors License. Applications for a contractor's license may be made by contacting the West Virginia Division of Labor, Capitol Complex, Building 3, Room 319, Charleston, WV, 25305. Telephone: 304.558.7890

West Virginia State Code 21-11-11 requires any prospective bidder include the contractors license number on their bid.

Bidder to complete:

Contractor Name: Ryan Environmental, Inc.

Contractor's License No.: WV001911

The successful bidder will be required to furnish a copy of their contractor's license prior to issuance of a purchase order/contract.

- **Insurance:** The successful vendor shall furnish proof of Contractor's Public Liability Insurance and Comprehensive Vehicle Liability Insurance in an amount not less than \$1,000,000.00 for bodily injury and property damage for each occurrence and not less than \$1,000,000.00 aggregate.

The required insurance must be written by a company or companies licensed to do business in West Virginia at the time the policy is issued and the policy must be countersigned by a licensed resident agent.

The Contractor shall take steps required to ensure equal opportunity for employment in accordance with policies promulgated by the President's Committee on Equal Opportunity.

- **Liquidated Damages:** According to West Virginia State Code 5A-3-4(8), Vendor agrees that liquidated damages shall be imposed at the rate of \$100.00 per day for failure to meet specified deadlines as established in the work directives. This clause shall in no way be considered exclusive and shall not limit the State or Agency's right to pursue to any other additional remedy to which the State or Agency may have legal cause for action including further damages against the Vendor.

- **Ordering Procedure**

- A. This is an indefinite quantity contract for the services specified in this RFQ for the period set forth herein. Delivery or performance shall be made in accordance with the provisions of this contract.
- B. Work will be ordered by the Assistant Director or his agent (Contract Specialist) by issuance of a Work Directive to the first awarded vendor, which shall include the location of the project site, the specific problem, the work to be performed, and the time frame during which the work must be completed. The Contractor's submitted work plan and cost proposal which contains the quantity estimates shall be in accordance the unit prices provided in the response to this RFQ. Project costs should not exceed the amount of the Work Directive. Any changes pertaining to the Work Directive shall require written justification from the OER Contract Specialist. If work plan and cost proposal is approved then WVDEP will issue a Notice to Proceed which will specify cost of project and starting and ending dates.
- C. If the first awarded vendor cannot perform the tasks in the timeframe as specified in the work directive then this vendor shall state reasons in an email or letter to WVDEP's Contract Specialist within 24 hours after receiving the work directive. A work directive then would be sent to the 2nd awarded vendor in that region.

- **Invoicing & Payments**

- A. Payment to the Contractor will be made on the basis of the items and unit prices outlined in the Purchase Order and Work Directive.
- B. The Contractor shall invoice after the completion of work specified in the Work Directive and after submission of all required work when the performance period is less than twenty-one (21) days. Invoices may be submitted monthly when the performance period

exceeds 21 days. The Notice to Proceed date shall be the beginning of the performance period. The State may retain ten percent (10%) of each invoice to guarantee that all of the conditions of the contract have been met. This retainage may be held for a period of six (6) months. However, final payment (except for any retainage which may be held) will only be made after all work and reports specified in a Work Directive and this contract are delivered and accepted by the State. All invoices shall show labor and other expenses incurred during the billing period, and work accomplished during the billing period. Invoices showing costs (unit prices) not clearly identifiable will not be paid. Also, no invoices will be paid in excess of amount on Work Directive. No payment(s) will be authorized for any work incurred as a result of any error on the part of the Contractor.

- **Changes in the Contract**

The State, without invalidating the contract, may order changes in the work within the general scope of the contract consisting of additions, deletions or other revisions. All such changes in the work shall be authorized by a Change Order. A Change Order signed by both the State and Contractor indicates both parties' agreement to an adjustment to the contract. The cost or credit to the State resulting from a change in the work shall be determined by mutual acceptance of properly documented unit prices.

Line Item Descriptions

- 1. Removal and proper disposal of petroleum contaminated water, rinsate and/or product.

This item will include all certified Class B personnel time, labor, equipment (i.e. vac truck), materials, manifests and disposal/recycling costs associated with the removal and recycling/disposal of petroleum-contaminated water and/or product. This item also includes water used for decontamination purposes. (Do not include transportation cost of these liquids on this line -- use line item #2). The vendor shall provide approved DOT-17C drums for containing the petroleum-contaminated water for recycling/disposal, if needed. This item shall be paid on a per gallon basis.

- 2. Transportation of petroleum contaminated water, rinsate and/or product to disposal facility.

This item will include all costs for transporting the petroleum-contaminated liquids from the site to a proper disposal and/or recycling facility. This item shall be paid per mile based upon direct road mileage from the site to the disposal facility.

- 3. Purge vapors from UST to < 10 % LEL

This item shall include all certified Class B personnel time, labor, material, equipment, and all other ancillary equipment necessary to purge vapors from the UST to less than 10% LEL. This item shall be paid on a per tank basis.

- 4. Excavation and extraction of UST/piping from the ground.

This item shall include all certified Class B personnel time, labor, material, equipment, and all other ancillary equipment necessary to excavate and extract the UST and associated piping from the ground. This item shall be paid on a per 1000 gallon tank volume basis.

- 5. Cut openings and clean sludge from the UST.

This item shall include all certified Class B personnel time, labor, material, equipment, DOT drums, and all other ancillary equipment necessary to cut and clean the UST. This item shall be paid on a per tank basis.

- 6. Dispose/scrap cleaned UST.

This item shall include all labor, equipment, transportation and disposal costs for proper disposal of cleaned UST, and shall also include disposal ticket. This item shall be paid on a per tank basis.

- 7. Disposal of tank cleaning sludge.

This item shall include all certified Class B personnel time, labor, equipment, materials, manifests and disposal/recycling costs associated with the removal and disposal of tank cleaning sludge. This item shall be paid per approved DOT drum.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
