Dear Mr. Bowman:

Enclosed please find one original and one copy of a Confidential Qualification Questionnaire for Qk4. We are requesting consideration for the above-referenced project.

Qk4 has an established record of accomplishments with Municipalities and Public Service Districts in West Virginia for the design and implementation of public water systems. We have also recently concluded the Town of Northfork Waterline Feasibility Study (ID #308).

We look forward to the possibility of providing services for the Howesville Site/ Sandy Run Highwall & Portals Project. Thank you very much for your consideration.

Sincerely yours,
