RE: Exempt Policy # 06002002

Dear *Ms Holcomb*:

Your request for exemption from coverage for West Virginia Workers' Compensation insurance has been received and processed.

As you have no employees at present and do not expect to have any employees in the future, and you have elected out of coverage as either a sole proprietor, partner in a partnership, or officer of a corporation or an association, then **Patsy Holcomb, Scottie Holcomb you are now considered to be in compliance with West Virginia Workers' Compensation regulations. This exemption is valid for one year, or until you have employees, or if your business activities change, whichever occurs first.** At that time you must either submit another request for exemption or obtain workers' compensation coverage.

Should you hire even one employee in the future it will be necessary that you carry workers' compensation insurance. Failure to obtain the mandatory coverage can result in severe penalties such as assignment to the Uninsured Employers' Fund, an administrative fine up to \$10,000, financial responsibility for benefits incurred for any accidents and losses during periods when you are not insured, and placement on the Employer Violator System that can result in revocation of your business license and any other licenses, permits or certificates required to do business in West Virginia. Further, be reminded that in accordance with W.Va. Code §61-3-24e(5), it is a felony to knowingly and willingly make false statements respecting any information required to be provided under the WV Workers' Compensation Act. Upon conviction the individual shall be confined in a penitentiary for up to three years, fined up to \$10,000, or both.

To obtain an application for coverage, please contact BrickStreet Mutual Insurance at 4700 MacCorkle Avenue, SE, Charleston, WV 25336, (304) 926-3470 or 1-866-45Brick, or by visiting their website at www.brickstreet.com.

Sincerely,

Jannell I Cochran

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
