Re: **Expression of Interest**
Anglins Run #1 & Roaring Creek Stream Restoration
RFQ #DEP14232

Dear Mr. Estes:

RPM Engineers is pleased to submit this *Expression of Interest* for providing the engineering services for the Anglins Run #1 & Roaring Creek Stream Restoration projects in response to your RFQ #DEP14232 printed on February 20, 2008.

Our engineering and design staff is dedicated to providing quality and customer service. We pledge that if we are fortunate to be chosen to perform the engineering services for this project, that you and your staff would not be disappointed.

In accordance with the instructions given in the RFQ, we have presented our response in a concise format. We have presented a brief description of our corporate history, a CCQQ and RPEM outline of the experience, qualifications, and performance data of our WV-AML Design Team here in Charleston, WV, and our authorization of the No Debt Affidavit.

We have put together a dynamic group of professionals who are committed to quality, timeliness, and controlling costs. We would be grateful for the opportunity to provide the professional engineering services for this important project.

Please let us be a part of your mission to protect public health, safety, and property from past coal mining and enhance the environment through reclamation and restoration of land and water resources of West Virginia.

Thank you for allowing our firm the opportunity to submit this *Expression of Interest!*

Most sincerely,
