Heizer Creek (Lett-Zeitzelsberger) Drainage
Wolfpen (McBurney) Landslide
Requisition # DEP14236**

Dear Mr. Bowman:

Buchart Horn's ability to provide in-house design and construction management services, coupled with our extensive experience in the design of water distribution systems and landscape architecture, will enable us to provide you with quality and timely services for the Heizer Creek (Lett-Zeitzelsberger) Drainage and Wolfpen (McBurney) Landslide project.

Buchart Horn is a full-service engineering and architectural firm with offices in Charleston and 21 other locations in the eastern United States and Germany. Specifically, we have strong experience in water systems design, having performed hundreds of similar projects throughout the eastern United States. Our local staff includes registered Professional Engineers and individuals with experience in the AML program.

In accordance with the instructions outlined in your Request for Expressions of Interest, this package contains completed copies of both the DEP AML Consultant Confidential Qualification Questionnaire and the AML and Related Project Experience Matrix. We have also provided additional details on our firm, recent relevant projects, and our proposed project team.

Should you have any questions concerning the information contained in this package, please do not hesitate to contact me. We look forward to your favorable review of our Expression of Interest and the opportunity to serve the West Virginia Department of Environmental Protection.

Very truly yours,
BUCHART HORN, INC.
