Subject: **RFQ# DEP14274**
Expression of Interest (EOI) for Engineering for a Site Characterization Study, Leachate Management & Closure Cap Design and Quality Assurance/Quality Control for the Marion County Landfill. Tetra Tech Vendor ID : 317151437

Dear Mr. Bowman:

Tetra Tech NUS, Inc. (Tetra Tech) is pleased to present the State of West Virginia, Department of Administration Purchasing Division (State) and the West Virginia Department of Environment Protection (WVDEP), Landfill Closure Assistance Program (LCAP) our Expression of Interest (EOI) to provide a site characterization study, leachate management and closure cap design, and quality assurance/quality control for the Marion County Landfill. This submittal includes one original plus one copy of our EOI. As requested, the EOI contains a concise summary of Tetra Tech's corporate history and the experience, qualifications, and performance data of our staff as summarized in a completed WVDEP Consultant Confidential Qualification Questionnaire (CCQQ). A matrix of corporate landfill closure experience (Attachment 1) is also included.

Tetra Tech is a national engineering company with an extensive pool of engineering resources. In addition to the 176 people in our Pittsburgh offices, Tetra Tech also provides services to clients in the areas of water resources in support of the WVDEP, Division of Water and Waste Management (DWWM) out of our Charleston, WV office. Tetra Tech's Charleston Office Manager, Jon Ludwig, is extremely knowledgeable of the watershed and the water quality issues in West Virginia. Additional support and expertise is available to support this project from any of the 250 other Tetra Tech offices.

Supplementing Tetra Tech will be Allegheny Surveying Inc. (ASI) of East Weston, WV and H. C. Nutting of Charleston, WV. ASI is experienced with West Virginia projects and will provide surveying and mapping services on an as needed basis. H.C. Nutting will provide exploratory drilling services if needed.

Tetra Tech personnel have managed numerous environmental and remediation projects in West Virginia and throughout the country. The high quality of our work on similar projects for the Navy has resulted in high customer satisfaction and the awarding of numerous additional task orders. We believe the combination of our local field operations and management personnel coupled with our environmental expertise will provide WVDEP with the perfect team to effectively address the closure of the Marion County Landfill.
