AWARD GUIDELINES AND LOW BIDDER SAMPLE PRODUCTS

In the case of multiple low bidders on individual items on this Contract, the bids for items on this Contract will be evaluated in "Groups", as described below. In the case of multiple low bidders, each of the following "groups" may potentially be awarded separately, but each as a whole, to different vendors:

- Group I: Items 1 through 8 and Items 19 through 26
- Group II: Items 9 through 16 and Items 27 through 34
- Group III: Items 17 and 18

In the event that, based on the determination of the low bidder for each "Group", there is a potential to divide the award of the Contract to two or more bidders, a comparison shall be made between the following:

- The expected overall cost of the Contract, based on the estimated quantities, for awarding the entire Contract to the vendor which provides the lowest overall bid and provides a bid for all items on the Contract, and
- The expected overall cost of the Contract, based on the estimated quantities and evaluating bids for entire "Groups" separately, for awarding the Contract to two or more vendors.

Based on this comparison, separate contract "Groups" will be awarded to two or more vendors if the expected overall savings is greater than 10% of the expected overall cost for awarding to one vendor.

If no vendors provide a bid for all Items on the Contract, the Contract will automatically be awarded to vendors separately by "Group".

Subsequent to the opening of bids and the determination of prospective low bidders for this Contract, the DOH will require that product samples be provided for review and conformance to the Contract specifications. Samples will be required from the vendors submitting the three lowest bids for each "Group" described above. The samples that will be required to be submitted from each group are as follows:

- Group I: Bidders will be required to submit one sample of Item 1, size XL.
- Group II: Bidders will be required to submit one sample of Item 9, size XL.
- Group III: Bidders will be required to submit one sample of Item 17.

The DOH will notify by fax or email the vendors that are required to submit samples for each "Group". **Please note, vendors that are required to submit samples will be required to have their samples delivered within 7 Calendar Days of notification.** Vendors whose samples are not received within 7 Calendar Days will have their bid disqualified. If necessary, the DOH will contact further low bidders within each group in the event that the bids received from the two lowest bidders in each group can not be accepted due to non-conformance to specifications.

All samples delivered to the DOH are to be sent to the following address:

**WVDOH-Traffic Engineering Division
Bldg 5, Room A550
1900 Kanawha Blvd. East
Charleston, WV 25305
ATTN: Ted Whitmore**

All samples should be delivered with a label attached with the following information:

- "(Vendor Name)"
- "WVDOH PO Contract Number 858C2044"
- "Bid Item Group (I, II, or III) bid sample"
- "(Vendor Contact Name)"
- "(Vendor Contact Phone Number)"

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.
