Voluntary Deduct Alternate

Com-Tec Security would like to propose the following cost savings alternate. We would propose reusing the existing 2 conductor shielded wire between the intercom stations and their associated control rooms in lieu of replacing it (as required in the specifications) with 2 pair shielded wire. We would extend the existing wire as necessary to complete the installation. There would not be any change in quality of operation as a result of the change. This deduct assumes that all of the existing wire is good and usable.

The proposed savings for this alternate would be \$68,177.00 and is offered as a deduct to our base bid.

Com-Tec Security Base Bid: \$354,177.00
Com-Tec Security Voluntary deduct alternate: -\$67,177.00
Contract amount if Alternate accepted: \$287,000.00
