# DEPARTMENT OF HEALTH & HUMAN RESOURCES BUREAU FOR CHILD SUPPORT ENFORCEMENT

### **RFQ CSE90001**

The mission or purpose of this project is to provide Supplemental Process Service for the West Virginia Bureau for Child Support Enforcement ("Agency") for the purpose of serving child support and/or spousal support papers to absent parents, custodial parents and any other parties pursuant to the requirements of Rule 4 of the West Virginia Rules of Civil Procedure.

The bid quotation shall include all costs of service. Documents will be physically picked up and returned to the local office on a weekly basis by the Vendor. <u>Approval for payments will be</u> issued upon successful service only.

For each legal document which has been successfully served, the Vendor shall provide the respective local office with a "Credible Person Return of Service" complying with the provisions in Rule 4 of the West Virginia Rules of Civil Procedure per the attached form (Credible Person Return of Service). Each Credible Person Return of Service must be signed by the Vendor's employee who has effectuated service and sworn or averred before a Notary Public.

The Credible Person Return of Service document must include the name of the person being served and a description of the person being served. If the document is not served on the person named, it may be served at the individual's dwelling place or usual place of abode to a member of the individual's family who is above the age of sixteen (16) years and information of the purpose of the summons and complaint must be given. The Vendor shall state the name and relationship of person served to the person named on the legal document.

The Credible Person Return of Service shall be forwarded to the respective local office within fifteen (15) calendar days from the date the legal documents are served. Documents not served by the Vendor will be returned with an explanation why the document was not served and documentation of dates, times, and addresses of all attempts. All documents shall be returned or served by the Vendor within forty-five (45) days following receipt of the document from the respective local office.

The Vendor will not be an exclusive provider of the commodity and/or service. Multiple vendors may be awarded contracts for a respective Region and/or County. Contracts will be awarded to the three (3) lowest bidders satisfying the requirements and qualifications of this RFQ. The Agency will utilize Vendors based upon the lowest cost and performance of the Vendor.

The Vendor with the lowest cost will provide all services, subject to volume and performance. The lowest-cost vendor will be given a batch or certain number of documents for service of process, designated on the Region/County list below. If the Agency has additional documents for service of process and the lowest-cost vendor has not returned the entire batch of documents, then the Agency will request the next lowest-cost vendor for service of process.

Upon timely return of all documents in the batch to the BCSE office from which the documents were received, the vendor will receive another batch of documents for service of process. If the vendor is making substantial progress and successful service is likely within fourteen (14) days following the expiration of the 45-day period, the vendor may request written

approval of the BCSE office for an additional fourteen (14) days for the service of documents on a particular case. Upon return of an "unsuccessful" service of process, the Agency may request service of process from another vendor.

If a vendor fails three (3) times (i.e., three (3) documents) to timely return service documents within the prescribed time periods, then the Agency has the discretion whether to contact the vendor for additional service of process until all service documents are brought up to date. After a vendor has failed to timely return a fourth document within the prescribed time period, the Agency has the discretion to discontinue or limit its use of the Vendor's services.

The local office, at its sole discretion, may use the Sheriff in the appropriate county for the service of legal documents. When the Agency's local office determines, in its sole discretion, that service by the Sheriff is not appropriate or available, a Successful Vendor shall provide service of legal documents pursuant to the requirements of Rule 4 of the West Virginia Rules of Civil Procedure. Further, if the Agency receives "unsuccessful" service of process by the Sheriff, the Agency may request service of process by the Vendor.

The legal documents remain the property of the Agency until successful service is obtained and shall be returned to the respective local office upon written request regardless of status. All documents will be served or returned to the respective local office within a forty-five (45)-day period of time. Non-compliance of these requirements can result in non-payment of services and/or a formal vendor complaint being filed with the West Virginia Department of Administration. If non-compliance continues to be a method of service delivery, the contract may be cancelled.

Further, the Agency reserves the right to request liquidated damages in the amount of \$100.00 per occurrence of failure to timely return documents within 15 days of successful service or within 45 days of non-service in the absence of the written consent and agreement of the local office. Said liquidated damages shall compensate the Agency for Vendor's failure to meet contract specifications. Payment of liquidated damages by the Vendor does not preclude the Agency from termination of the contract for Vendor's failure to perform within the specifications of the contract.

The Vendor shall submit detailed invoices for services provided. A description of the document being served must be included by the Vendor on the invoice. Invoices should be received in the local Agency office at least once per month. State law forbids said invoices to be paid in advance of services supplied.

The Vendor shall be responsible for establishing and maintaining sufficient and adequate space, equipment, facilities and the necessary supplies required to maintain a safe and acceptable standard of performance. The Vendor's operational standards shall include, but are not limited to:

1) maintaining a competent staff adequate for performing the required service of legal documents;

2) maintaining comprehensive and sufficient quality controls to ensure that equipment and personnel will perform as required; and 3) developing and maintaining a schedule detailing all policies and procedures used in the Process Service Operation. This schedule must be reviewed and updated at least annually by the Vendor.

Any and all anticipated costs for travel shall be included in the Vendor's fee. The Vendor and its employees will be responsible for all costs, including but not limited to the transportation, travel, and parking expenses incurred.

If a Vendor does not offer services to all counties within a region per the listing below, then the Vendor must identify the counties in which service is provided, as well as regions. The Vendor

may receive requests for service of process from any office of the Agency; however, if the Vendor has not been awarded the bid for that geographical area, he/she may not serve that process and should notify the requesting Agency office in order for the requestor to contact the proper process service company or entity.

The Agency is divided into nine (9) regions consisting of all fifty-five (55) counties. Region 4 is operated by a private contractor; no bids are being sought for that region. Bids will be accepted by region or county. The Agency reserves the right to issue multiple contracts.

# PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate

### **DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

**EXCEPTION:** The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

**CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit **www.state.wv.us/admin/purchase/privacy** for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
