Re: Buckhannon Readiness Center; DEFK 9015

Dear General Burch:

WYK Associates, Inc. is very pleased to respond to this request for Expressions of Interest. We have a strong project team of West Virginia professionals which can address all of the challenges of this project. All of the team members have a strong, ongoing working relationship, and have provided services for:

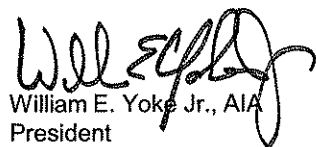

- C&FMO Projects
- Multi-use public and educational facilities with functional spaces, relationships and systems similar to the Readiness Center
- Projects making innovative use of materials and systems which have been recognized by recent design awards
- Projects using sound energy efficient design principals as shown in our use of geothermal HVAC systems, recycled materials, and innovative site features

Our design team is confident that we can provide the level of attention and experience that your organization demands, and can provide a functional, energy efficient design which will meet the long term needs of the National Guard, as well as, the fiscal limits of the project.

Please let us know if you have any questions or need any additional information. We hope that we will have the opportunity to present our team and its capabilities to you. Thank you for your consideration.

Sincerely,

WYK Associates, Inc.

  
William E. Yoke Jr., AIA
