Sheet 4 of 6 – Delete the TYPICAL V-DITCH 4' RIPRAP CHANNEL detail drawing. A new detail drawing of the rock rip channel showing the channel to be 1.5' deep and 6' wide v-ditch is attached.

## **QUESTIONS AND ANSWERS**

### Questions asked at the mine seal area:

Q: Is this the access road that is to be gravelled? Which part? All the way to the road?

A: Yes. The road is to be stoned as shown on the drawings and as outlined in the construction specifications.

Q: Where is the portal?

A: On the hill at the location shown on the drawings.

Q: How is the drainage to go?

A: The drainage is to be taken from the portal around the hill at the location shown on the drawings.

Q: Will we need railroad insurance?

A: Yes.

Q: Will we be able to use any of this dirt for backfilling the seal?

A: The seal is to be backfilled according to the drawings and construction specifications. Material excavated from the site can be used as soil cover if the material will support vegetation.

Q: Will the large tree beside the portal need to be cut?

A: Yes, the roots will be cut during construction activities and will cause the tree to eventually die. The tree will need to be cut and stockpiled.

Questions asked at the end of drainage area:

Q: Is this the area to be cleared?

A: Yes, but only to the extent necessary to complete the work. Timber that has roots damaged by construction activities will also need to be cut down and stockpiled.

Q: Where are we to put the drainage down the hill?

A: At the location shown on the drawings.

Q: Is there a wingwall on this project?

A: No. Rock riprap is to be placed at the discharge end of the pipe where it empties into the riprap channel.

Q: That is the end of the project down there?

A: Yes, at the location shown on the drawings.

Q: Is this a concrete cistern?

A: Appears to be a concrete pad. The pipe is to be placed up the hill above the pad at the location shown on the drawings. The Contractor shall take care not to damage the concrete.

Q: Where is the last manhole?

A: At the location shown on the drawings.

Q: How deep are the manholes?

A: The required depth will need to be measured on the drawings.

Q: Where does the riprap ditch start?

A: At the location and elevation shown on the drawings.

Q: Are the existing survey ribbons at the end of the ditch?

A: No, the survey ribbons were placed during mapping activities. Construction layout will be the responsibility of the Contractor.

Q: Are the manholes round?

A: Yes.

Q: Is there a grate on top of the manhole?

A: No, a manhole cover.

Question asked at the parking area:

Q: The pipe at the beginning of the access, does it have to be changed or cleaned?

A: No. Only pipes damaged by construction activities will need to be replaced.

## PURCHASING AFFIDAVIT

### VENDOR OWING A DEBT TO THE STATE:

*West Virginia Code* §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

### PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

If this is a solicitation for a public improvement construction contract, the vendor, by its signature below, affirms that it has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code*. The vendor must make said affirmation with its bid submission. Further, public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code* and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the *West Virginia Code* may take place before their work on the public improvement is begun.

### ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

### LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

### CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
