**Re: RFI EDD 310461**

In response to your **RFI EDD 310461**, Edline is pleased to present a response that meets and exceeds the requirements of this RFI.

We have enclosed our request to present and our answers to questions. We have also enclosed descriptive literature regarding some of our functions, but we look forward to the opportunity to present the product to show how Edline provides functions not available from any other gradebook company.

We sincerely hope to have the opportunity to extend our current service which now meets the needs of hundreds of West Virginia schools to the rest of the West Virginia schools.

Thank you for your consideration

Very Truly Yours,
