Blackwood Associates, Inc. – Architects & Planners
MSES Consultants, Inc. – Engineers & Environmental

Knowledge of construction in downtown Fairmont will be a major factor in assuring successful completion of a State Office Building on the proposed site. **BAI/MSES** have that experience and the engineering personnel needed to resolve these type of site issues.

We have enclosed examples of relevant projects along with information on our value added services. This is only a small example of our work and we recommend a visit to **wvarchitects.com** to see our full project portfolio. We hope to be given the opportunity to present more information in an interview setting.

BAI and **MSES** are West Virginia firms with a combined 81 years of providing architecture and engineering to State of West Virginia clients. Our 18 years of successful practice as a team is the direct result of our ability to provide all professional disciplines necessary for a project.

We truly look forward to the opportunity to discuss the project with you, and to present our qualifications and approach on a personal basis. Thank you for your consideration.

Sincerely,

BLACKWOOD ASSOCIATES, INC.
