West Virginia Lottery Commission  
312 MacCorkle Avenue, SE  
Charleston, WV 25314-1143

We appreciate the opportunity to present our qualifications to serve as drawing auditors for the West Virginia Lottery Commission (the Lottery). We recognize the Lottery as a leading Institution in the State of West Virginia and we consider you a most valued client of our firm.

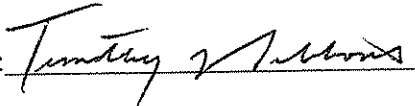

Our challenge is to demonstrate that we are the most committed and responsive firm and that the Lottery will receive the highest quality service that it needs and requires. This proposal demonstrates that Gibbons & Kawash is qualified to provide the services requested.

Our proposal has been segregated into six sections as listed in the table of contents. We believe that after reviewing our proposal, you will share the conviction that we have the people, resources, attitude and reputation to provide you with the best professional services at the lowest possible cost. We would be pleased to provide additional information and formally present our proposal upon your request.

We again thank you for the opportunity to present this proposal and we look forward to continue working with the staff of the West Virginia Lottery Commission. If you have any questions or need additional information please call Timothy J. Gibbons or Robert R. Denyer at (304) 345-8400.

Very truly yours,
