If the vendor has a fixed delivery charge for orders less than \$1,000.00, the vendor shall indicate the amount on the pricing pages.

If the vendor will ship all orders, regardless of dollar total, they should so state on the pricing pages.

Paper Requirements

All paper is to be ream wrapped (except where noted). All fine papers are to be listed in the most current edition of "Grade Finders".

There are two envelopes on the pricing pages. The price per box of 500 envelopes should be entered in the unit price column.

Computer paper

Horizontal Perforations: All sets of forms shall have horizontal perforation between sets through all parts and carbons. Horizontal perforations shall be at right angle to marginal aligning holes and fall halfway between marginal aligning holes; 12 cuts per inch vertical perforations: Paper shall be nonperforated on right and left sided unless specified for a particular item. If specified, vertical perforations are to result in clean edges when aligning strips are removed.

Fastening: paper shall have temporary crimping or incomplete holes. Carbons, if any, shall be mechanically removable without aligning strips. Wire stitching or stapling is unacceptable.

Packaging: Paper shall be folded, with no breaks, in close-fitting cartons, with a corrugated or fiberboard pad on top and bottom. Cartons shall be labeled on one end, identifying form size, type, number of parts, and vendor name and address.

Award

The State of West Virginia reserves the right to award multiple contracts if it is deemed to be in the best interests of the State of West Virginia.

Recycled Paper

Recycled paper must meet the minimum recycled content guidelines issued by the Environmental Protection Agency (EPA). The EPA guidelines require minimums of 30% post consumer content for most uncoated printing and writing papers, and 10% for most coated paper.

NOTE: In addition to those items identified as recycled, recycled items meeting individual specifications may be bid for other items on this contract. Recycled paper shall be given a 10% preference over virgin paper.

Bids

All prices for paper are to be quoted per 1,000 sheets. If the item is a multiple page set, prices must be quoted per 1,000 sets. For example, the pricing pages may show 25; that would be 25,000 sheets.

All bids submitted must be firm for 90 days from contract award date. After the initial 90 days, Vendors will be permitted to make substantiated requests for increase at 90 day intervals, with 30-days notice. Vendor shall be required to submit a complete price list on both paper and electronic (CD or email) in an Excel format. For each price where a price change occurs (+ or -) the vendor must indicate + or – and the new price of each item. If no changes occurs, the price column shall remain unchanged, but shall reflect the same cost.

This, in effect, will limit the number of change orders to a MAXIMUM of four (4) per year. Prices bid are not subject to any "upcharges". Failure to hold prices firm for each 90-day period shall be grounds to disqualify the bid or cancel any subsequent contract.

Change orders shall not be done at interim periods for price decreases. The vendors shall be expected to quote the lesser prices and invoice accordingly in the event that decreases occur during each of the 90-day periods. Decreases may be done at the normal 90-day timetable, but shall not be changed via change order until the next 90-day cycle.

NO ALTERNATE TERMS SHALL BE ACCEPTED.

At any time the vendor requests a price adjustment, the purchasing division may either accept the price adjustment and amend the contract accordingly, or reject the adjustment in its entirety and cancel the contract.

Vendors should indicate the brand names for all items bid. Samples may be required for any and all of the items bid. When/if samples are requested, vendors must submit samples within 10 days of the request for the bid on that item or group of items will be rejected. Vendors bidding should include mill swatch books (covering all applicable items) with their bid. Successful bidder(s) may also be required to furnish swatch books to any and all agencies upon request throughout the life of this contract.

NOTE: "PM" in the unit of measure column = per thousand

NOTE: All quantities are estimates and are not to be construed as any guarantee of any quantity.

Contract Coordinator

Vendors should complete the vendor contract coordinator information at the end of the pricing pages. If the individual who "manages" any subsequent contract is a different person, please list that information also.

Reports

Successful vendor shall be required to submit quarterly reports of all purchases against the contract. Additionally, vendor shall be required to submit an annual report that contains the total amount of purchases and the agencies which have placed orders against the contract.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.
