REQUEST FOR QUOTATIONS

PUBLIC SERVICE COMMISSION OF WEST VIRGINIA

The Public Service Commission of West Virginia (Commission) is seeking bids for guard and security services to be provided at the Commission's Office at 201 Brooks Street, Charleston, West Virginia. The facility is a three story brick building with approximately 190 rooms and offices and is open to the public from 8:00 am to 5:00 pm, Monday through Friday. Besides housing the Commission's Staff, the building is host to a number of public hearings held through the year attended by Commission Staff, utility representatives, utility customers, the media and the general public. Included on the premises is a parking lot and parking building. Currently, guard stations are located just inside the main doors of the facility (main station for normal work hours) and at the rear entrance (secondary stations for after hours). Historically, security guards have been on the premises from 7:30 am to 11:30 pm, Monday through Friday. This time frame permits opening the building to incoming staff and securing the building after janitorial staff have left. Guard and security services have been contracted at this facility for over 13 years. The vendor would have to be flexible in working with the Commission with the addition of a new building adjacent to the main building. The security guard(s) would be required to "walk through" the parking garage at times and, even though there is no guard station in the new building, the guard would be expected to let people into the new building as needed and assist in watching over the access and use of this facility. After the bid has been awarded the vendor must be able to work out changes in hours, staffing, etc. with the Commission as needs arise.

Guard and Security Services

- i. Vendor shall furnish labor, uniforms, materials and equipment for security guard services to:
 - a. Uphold all state, county, municipal and federal laws;
 - b. Assist law enforcement agencies in and during the execution of their duties;
 - c. Uphold and enforce the rules governing the access, egress and use of state facilities
 - d. Report directly to Public Service Commission of WV at 201 Brooks Street, Charleston, WV

2. Compensation - Services under this contract will be under the general classification of pedestrian control, vehicular control, area security, building security, and visitor/employee protection

3. Standard Work Week - Standard work week shall consist of five consecutive days, beginning at 7:30 a.m. Monday and ending at 11:30 p.m. on Friday. The agency uses two (2) guards working the following time/shift: day shift is 7:30 a.m. to 3:30 p.m. and the evening shift is 3:30 p.m. to 11:30 p.m. Services may be required anytime, including nights and weekends. Unless specifically requested, guards shall work no more than forty hours during the week. Vendor shall be paid in accordance with the hourly rates as quoted. 7. Fee Adjustments - An increase in the quoted hourly rate will be considered only if the federal minimum wage rate increases during the life of the new contract. The adjustment will be based on the actual dollar amount of the increase, not a percentage. Any request for an increase must be submitted before the effective date of the increase. The State of WV may either accept the increase and amend the contract accordingly, or cancel the contract.
8. Time Cards (Weekly Time Reporting) - Vendor shall supply all guards with time cards. Hours worked will be signed on a daily or weekly basis by a security coordinator or designee by the spending unit.

 - 12 Spending Unit shall not reward, reassign, grant leave to, discipline, or discharge the vendor's employees. If a security guard displays improper work conduct, unsatisfactory performance, or is deemed to be unqualified to perform a particular assignment, the spending unit may request a replacement guard from the vendor.
 - 13 Guards - Vendor shall provide guards who are neat in appearance, conscientious of personal hygiene, mannerly, and who are able to relate to and successfully interact with the general public.
 - 14 Field Supervision - Without limiting the responsibility of the vendor for the proper management and supervision of the guards, the spending unit may require the vendor to furnish an on-site manager to provide sufficient field supervision of other guards and to make periodic reports to the spending unit. 21. Special Events - Additional security guards will be made available at the request of the spending unit for emergencies or special events. The hourly rates for additional guards will be identical to that of regular guards.
