**GENERAL TERMS & CONDITIONS
REQUEST FOR QUOTATION (RFQ) AND REQUEST FOR PROPOSAL (RFP)**

1. Awards will be made in the best interest of the State of West Virginia.
2. The State may accept or reject in part, or in whole, any bid.
3. All quotations are governed by the *West Virginia Code* and the *Legislative Rules* of the Purchasing Division.
4. Prior to any award, the apparent successful vendor must be properly registered with the Purchasing Division and have paid the required \$125.00 registration fee.
5. All services performed or goods delivered under State Purchase Orders/Contracts are to be continued for the term of the Purchase Order/Contract, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise available for these services or goods, this Purchase Order/Contract becomes void and of no effect after June 30.
6. Payment may only be made after the delivery and acceptance of goods or services.
7. Interest may be paid for late payment in accordance with the *West Virginia Code*.
8. Vendor preference will be granted upon written request in accordance with the *West Virginia Code*.
9. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.
10. The Director of Purchasing may cancel any Purchase Order/Contract upon 30 days written notice to the seller.
11. The laws of the State of West Virginia and the *Legislative Rules* of the Purchasing Division shall govern all rights and duties under the Contract, including without limitation the validity of this Purchase Order/Contract
12. Any reference to automatic renewal is hereby deleted. The Contract may be renewed only upon mutual written agreement of the parties.
13. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, this Contract may be deemed null and void, and terminated without further order.
14. **HIPAA Business Associate Addendum:** The West Virginia State Government HIPAA Business Associate Addendum (BAA), approved by the Attorney General, and available online at the Purchasing Division's web site (<http://www.state.wv.us/admin/purchase/vrc/hipaa.htm>) is hereby made part of the agreement. Provided that, the Agency meets the definition of a Covered Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
15. **West Virginia Alcohol & Drug-Free Workplace Act:** If this Contract constitutes a public improvement construction contract as set forth in Article 1D, Chapter 21 of the West Virginia Code ("The West Virginia Alcohol and Drug-Free Workplace Act"), then the following language shall hereby become part of this Contract: "The contractor and its subcontractors shall implement and maintain a written drug-free workplace policy in compliance with the West Virginia Alcohol and Drug-Free Workplace Act, as set forth in Article 1D, Chapter 21 of the West Virginia Code. The contractor and its subcontractors shall provide a sworn statement in writing, under the penalties of perjury, that they maintain a valid drug-free work place policy in compliance with the West Virginia Alcohol and Drug-Free Workplace Act. It is understood and agreed that this Contract shall be cancelled by the awarding authority if the Contractor: 1) Fails to implement its drug-free workplace policy; 2) Fails to provide information regarding implementation of the contractor's drug-free workplace policy at the request of the public authority; or 3) Provides to the public authority false information regarding the contractor's drug-free workplace policy."

INSTRUCTIONS TO BIDDERS

1. Use the quotation forms provided by the Purchasing Division.
2. **SPECIFICATIONS:** Items offered must be in compliance with the specifications. Any deviation from the specifications must be clearly indicated by the bidder. Alternates offered by the bidder as **EQUAL** to the specifications must be clearly defined. A bidder offering an alternate should attach complete specifications and literature to the bid. The Purchasing Division may waive minor deviations to specifications.
3. Complete all sections of the quotation form.
4. Unit prices shall prevail in cases of discrepancy.
5. All quotations are considered F.O.B. destination unless alternate shipping terms are clearly identified in the quotation.
6. **BID SUBMISSION:** All quotations must be delivered by the bidder to the office listed below prior to the date and time of the bid opening. Failure of the bidder to deliver the quotations on time will result in bid disqualifications: Department of Administration, Purchasing Division, 2019 Washington Street East, P.O. RE: Contract # PTR 08036, ADA compliant lowered floor minivan with manual ramp

Dear Mr. Whittaker:

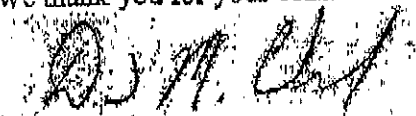

National Bus Sales & Leasing, Inc formally requests the following amendments to the specifications and/or clarifications and/or and approved equals documented below:

- Part 1, section 4.0 A
Would the Division consider changing liquidated damages to be \$50 per working weekday when your delivery facility is open and prepared to accept vehicle deliveries? Champion Bus' request for this waiver was approved in PTR08020. Maximum assessment would be \$250 per week because of present arrangement to accept deliveries on M-F only. UNDERSTOOD Monday-Friday only
- Part 1, section 6.0 A
Would the Division consider changing payment to 95% of the total cost upon conditional acceptance of the vehicle. The competitive nature of transit bidding has resulted in very narrow pricing flexibility. Additionally the interest costs associated with floor planning the vehicles until payment is processed has become a higher variable cost. Modifying this requirement will ensure best pricing for the Division of Public Transit. DENIED
- Page 9, 4.1.2. Please clarify which of the available manuals are required: OEM Operators manual (with each van chassis), OEM Service DVD (special order with cost of \$525 each), Braun Operators manual (with each conversion), wiring schematics. ALL MANUALS ARE REQUIRED
- Page 27, 24. TRAINING: Please advise WVDPT that the training requirement will be the responsibility of the dealer, National Bus Sales with support from the manufacturer, the Braun Corporation. CORRECT

Contract # PTR 08036, ADA compliant lowered floor minivan with manual ramp

- Page 45, 3.1 Option1: Automatic Kneel System: This option is not available due to the lack of available chassis with power doors from GM. Braun has ample inventory of GM chassis equipped with manual doors and manual ramp systems. The kneeling system is not available on the manual conversion nor is it needed to meet ADA requirements. Please amend specifications to eliminate this requirement. UNDERSTOOD
- Page 49, 20. Control Interlock: The ramp door is interlocked with the transmission only it is not interlocked with the emergency brake. UNDERSTOOD
- Page 50, 21. Exhaust: The exhaust is stainless steel and exits from the rear of the vehicle. UNDERSTOOD
- Page 53, Options: Please advise WVDPT that other options as requested will be priced and installed by National Bus Sales outside of the Braun factory. Special arrangements may need to be made for vehicle inspection. UNDERSTOOD

We thank-you for your consideration,

David M. Clawson, Jr.

WHEN RESPONDING TO RFQ, INSERT NAME AND ADDRESS IN SPACE ABOVE LABELED 'VENDOR'

PART 1 GENERAL CONDITIONS

1.0 INTENT OF RFQ

It is the intent of this Request for Quotation (RFQ) to require the Vendor to deliver a complete new vehicle of the type prescribed, ready for operation.

2.0 PRICE FOR A COMPLETE VEHICLE

- A. The price quoted in any proposal submitted shall include all labor, materials, tools, warranties, equipment, and other costs necessary to complete the manufacture and delivery of the vehicle. Any items omitted from the specifications which are clearly necessary for the completion and operation of such equipment and its appurtenances shall be considered a portion of such equipment, although not directly stated or covered in these specifications

Notwithstanding the provision of drawings, technical specifications, or other data by the Division of Public Transit, the Vendor shall have the responsibility of supplying all parts and details required to make the vehicle complete and ready for service even though such details may not be specifically mentioned in the drawings and specifications. Fareboxes, radios, and other items that are installed by the Recipient Agency shall not be the responsibility of the Vendor unless they are included in this contract.

- B. The Purchasing Division of the Department of Administration in conjunction with the Division of Public Transit and the vendor shall mutually agree when it is necessary to make changes in, additions to, or deductions from the work to be performed or the material to be furnished, pursuant to the contract. Any changes which affect the contract price shall be in writing and require the approval of the Division of Public Transit and the Purchasing Division.
- C. **All prices should be quoted in whole dollars** and submitted on Bid Form. Bid to be awarded to responsive vendor with lowest base vehicle bid price including delivery charges.
- D. Unit and extended prices, delivery charges and options should all be itemized.

3.0 POSSIBLE RENEWAL

- A. This Contract may be renewed upon the mutual written consent of the Division of Public Transit and the successful bidder. Such a request for renewal would be submitted to the Director of the WV Purchasing Division thirty (30) days prior to the expiration date of the awarded Contract. Such renewal shall be in accordance with the terms and conditions of the original Contract and shall be limited to two (2) one (1) year periods.
- B. Quantities listed in the RFQ are approximations only, based on estimates supplied by the Division of Public Transit. The awarded Contract shall cover the quantities actually ordered for delivery during the term of the Contract.
- C. Additional agencies could purchase from any awarded contract resulting from this RFQ. Specified deliverables would be as originally advertised, competed, evaluated and awarded including the base and option quantities.

4.0 DELIVERY AND ACCEPTANCE

- A. Vendors should specify approximate delivery date(s) when submitting bids. Delivery of the vehicle should be completed within 150 days after receipt of executed contract documents.

If the delivery is delayed, for any reason, the request for extension must be made in writing to the Division of Public Transit.

The request for extension must be received by the Division of Public Transit no less than 10 days prior to the originally planned vehicle delivery date and must include detailed

**Spending Unit: Division of Public Transit
Department of Transportation**

justification for the length of the time extension. In the event that the Vendor fails to give timely written notice of any delay, in delivery, it is agreed that liquidated damages will be assessed, **NOT AS A PENALTY**, in the amount of \$50.00 per calendar day, per unit, beyond the required delivery date. This will be assessed Monday-Friday basis only.

- B. Vendor shall make arrangements through the Division of Public Transit for delivery of the vehicles to **Division of Public Transit c/o Kanawha Valley Regional Transportation Authority, 1550 4th Avenue, Charleston, WV**. Delivery will be accepted Monday through Friday, between 9 a.m. and 2 p.m. exclusive of State holidays

Any delay in delivery resulting from the common carrier's operations, accidents, or mechanical failures enroute, shall be construed as a cause beyond the Vendor's control; however, the Vendor shall have the responsibility of releasing the vehicle to the common carrier in time to reach the delivery site under normal delivery conditions.

- C. In case the delivery of the complete vehicle shall be necessarily delayed because of strike, injunction, civil disturbance, government controls, or by reason of any cause or circumstances beyond the control of the Vendor, as detailed in writing by the Vendor, the term of completion of delivery shall be extended by a number of days to be determined in each instance by mutual agreement of the Division of Public Transit and Vendor.
- D. If the vehicle is delivered over-the-road, a written report shall be submitted by the driver to the Division of Public Transit listing all incidents and unusual vehicle performance during the trip.
- Should any service or repair be required during delivery, a comprehensive report shall be submitted to the Director of the Division of Public Transit describing the nature of the service or repair and the cause.
- E. Prior to acceptance, the Vendor shall have total risk of loss of the vehicle, including any damage sustained during the Vendor's driveway operation. Drivers shall keep a maintenance log enroute and it shall be delivered to the Division of Public Transit with the vehicle.
- F. Vendor shall have 10 working days to complete a vehicle for conditional acceptance once the vehicle is received at Kanawha Valley Regional Transportation Authority. After 10 working days, the Vendor shall be responsible for paying the storage fee invoiced at a per day rate of currently \$10. The per day rate shall be deducted from payment of the final 10% of the vehicle cost.

4.1 Summary of Items to be Provided Upon Delivery

The following items must be furnished by the successful Vendor upon delivery of the vehicle:

- 4.1.1 All warranty verification vouchers, certificates or coupons.
- 4.1.2 Successful Vendor shall furnish each transit system: two (2) complete parts books and two (2) copies of maintenance manuals for each model year vehicle, including wiring schematics of auxiliary circuits, and all other necessary prints for the maintenance of the vehicle and (1) complete set of OEM Operations manual per transit system. All other orders, to other than transit systems, the successful Vendor shall supply (1) one copy of each mentioned per vehicle.
- 4.1.3 Drawings showing wiring schematics of auxiliary circuits, which would not be included in the standard vehicle maintenance manual.
- 4.1.4 Completely filled fuel tank or tanks.
- 4.1.5 Protection to 20° F below zero with permanent type antifreeze.

- 4.1.6 A vehicle(s) free of dealer signs and emblems.
- 4.1.7 Assurance of compliance with manufacturer's pre-delivery service.
- 4.1.8 A vehicle(s) which is clean, (If delivery of the vehicle occurs during the winter months of October through March, the vehicle shall be washed directly prior to delivery at Kanawha Valley Regional Transportation Authority to insure that the vehicle is free of dirt and salt Deposits, lubricated, serviced and ready for immediate service.
- 4.1.9 Operation, maintenance and warranty information for any add on equipment will be provided upon delivery if available to the Vendor.
- 4.1.10 Original vehicle chassis manufacturer's factory sticker itemizing equipment on the vehicle.
- 4.1.11 A certified weight slip showing front and drive axle weights for the vehicle at its curb weight as defined in Part 2 - Technical Specifications
- 4.1.12 Vehicle shall comply with and conform to the State of West Virginia Motor Vehicle Inspection Law and shall have the current inspection sticker attached to the windshield.

4.2 Pre-Delivery Tests and Inspections

The pre-delivery tests and inspections shall be performed at or near the Vendor's plant in accordance with the procedures outlined in Part 4, "Quality Assurance", and shall be witnessed by the Vendor's resident inspector and/or by a representative of the Division of Public Transit. The vehicles shall be tested and inspected to determine whether they comply with the technical specifications in general and in particular with the quality assurance provisions. When the vehicles pass these tests and inspections, the resident inspector shall authorize release of the vehicles. The Division of Public Transit is under no obligation to perform the pre-delivery tests and inspections; however, this does not relieve the Vendor from the responsibility of adhering to these specifications.

4.3 Acceptance of Vehicle(s)

Within fifteen (15) calendar days after arrival at the designated point of delivery, the vehicle shall undergo the Division of Public Transit acceptance test. If the vehicle passes these tests, conditional acceptance of the vehicle by the Division of Public Transit occurs on the fifteenth day after delivery. Acceptance may occur earlier if the Division of Public Transit notifies the Vendor of early acceptance. If the vehicle fails these tests, it shall not be accepted until the repairs have been made.

4.4 Repairs After Non-Acceptance

The Division of Public Transit may require the Vendor, or its designated representative, to perform the repairs after non-acceptance, or the work may be done by the Recipient Agency's personnel with reimbursement by the Vendor.

4.4.1 Repairs By Vendor

If the Recipient Agency requires the Vendor to perform repairs after non-acceptance of the vehicle, the Vendor's representative must begin work within five (5) working days after receiving notifications from the Recipient Agency of failure of acceptance tests. The Recipient Agency shall make the vehicle available to complete repairs timely with the Vendor's repair schedule.

The Vendor shall provide, at its own expense, all spare parts, tools, and space required to complete the repairs. At the Recipient Agency's option, the Vendor may be required to remove the vehicle from the Recipient Agency's property. The repair procedure must

be diligently pursued by the Vendor's representatives, and the Vendor shall assume risk of loss while the vehicle is under its control.

4.4.2 Repairs By Recipient Agency

- a) Parts Used. If the Recipient Agency decides to perform the repairs after non-acceptance of the vehicle, it shall correct or repair the defect and any related defects using Vendor specified parts available from its own stock or those supplied by the Vendor specifically for this repair.

Monthly, or at a period to be mutually agreed upon, reports of all repairs covered by this procedure shall be submitted by the Recipient Agency to the Vendor for reimbursement or replacement of parts. The Vendor shall provide forms for these reports.

- b) Vendor Supplied Parts. If the Vendor supplies parts for repairs being performed by the Recipient Agency, after non-acceptance of the vehicle, these parts shall be shipped prepaid to the Recipient Agency from any source selected by the Vendor within ten (10) working days after receipt of the request for said parts, provided said parts are available for shipment.
- c) Return of Defective Components. The Vendor may request that parts covered by this provision be returned to the manufacturing plant. The total cost for this action shall be paid by the Vendor.
- d) Reimbursement For Labor. The Recipient Agency shall be reimbursed by the Vendor for labor. The amount shall be determined by multiplying the number of actual man-hours' straight wage rate plus 53 percent fringe benefits, plus the cost of towing in the vehicle if such action was necessary. These wage and fringe benefit rates shall not exceed the rates in effect in the Recipient Agency's service garage at the time the defect correction is made.
- e) Reimbursement For Parts. The Recipient Agency shall be reimbursed by the Vendor for defective parts that must be replaced to correct the defect. The reimbursement shall include taxes where applicable and 10 percent handling cost

5.0 TITLE

Adequate documents for securing the vehicle in the name of the State of West Virginia/Division of Public Transit shall be provided to the Division of Public Transit at least 10 working days prior to the delivery of each vehicle. The Vendor warrants that the title shall pass to the State of West Virginia/Division of Public Transit free and clear of all liens, mortgages and encumbrances, financing statements, security agreements, claims and demands of any character.

According to WV State Code §SA-3-4(8), vendor agrees that liquidated damages shall be imposed at the rate of \$10 per calendar day for failure to provide the titling documentation at the time of vehicle delivery. This clause shall in no way be considered exclusive and shall not limit the State or agency's right to pursue any other additional remedy to which the State or agency may have legal cause for action including further damages against the vendor.

6.0 PAYMENT TO VENDOR

- A. Payment of 90% of the total cost shall be paid upon conditional acceptance of the vehicle.
- B. Conditional acceptance of the vehicles by the Division of Public Transit shall be made upon completion of inspection by the Division of Public Transit under Section 4.3 of this Part 1.

- C. Under the conditional acceptance of the vehicles provided, the Division of Public Transit shall retain 10% of the total cost per vehicle until all vehicles provided have been in actual service for 30 days.
- D. In the event any vehicle is found to be unacceptable during the 30 day period of conditional acceptance, the Division of Public Transit shall furnish to the Vendor in writing, a letter of non-acceptance detailing any and all deficiencies
- E. Final acceptance of each vehicle shall be made by the Division of Public Transit in writing upon completion of the period of conditional acceptance and/or after any and all deficiencies have been corrected.
- F. Final acceptance shall be made on each individual vehicle provided. (Some vehicles may be accepted, while acceptance of others remain pending.)
- G. Final acceptance of each vehicle shall be provided in writing by the Director of the Division of Public Transit or his/her authorized representative.
- H. All warranties as described in this contract shall begin with the first day after the date of final acceptance of each vehicle. **Vendor shall furnish Notification of Delayed Delivery Date or In-Transit Mileage Accumulation Forms for completion by the Division of Public Transit upon acceptance of the vehicle.**
- I. Prompt Payment The prime Vendor agrees to pay each sub-contractor under this prime contract for satisfactory performance of its contract no later than 15 days from the receipt of each payment the prime Vendor receives from the Division of Public Transit. The Vendor agrees further to return retainage payments to each subcontractor within 15 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Division of Public Transit. This clause applies to both DBE and non-DBE subcontractors.
- J. When submitting invoices for payment to the Division of Public Transit, the Vendor shall be required to provide an original typed invoice. The following items shall appear on the invoice:
 - 1) Vendor's Federal Employee Identification Number (FEIN)
 - 2) Purchase Order Number
 - 3) Invoice should reflect the base vehicle cost and any applicable options with unit cost. **NOTE: Two invoices shall be submitted for each vehicle. One for 90% and one for 10%.**
 - 4) Submit all invoices to:
 - Division of Public Transit
 - Building 5, Room 906
 - 1900 Kanawha Blvd., East
 - Charleston, West Virginia 25305-0432

7.0 SERVICE AND PARTS

The Vendor shall state on **Bid Form #1** the representative(s) responsible for assisting the Recipient Agency(ies), as well as the location of the nearest distribution center(s) which shall furnish a complete supply of parts and components for the repair and maintenance of the vehicles to be supplied.

7.1 Specified Parts and "Approved Equals"

7.1.1 All parts shall be new and in no case will used (except for testing), reconditioned, or obsolete parts be accepted. Vehicles shall have identical units, accessories, and construction.

7.1.2 In all cases, materials shall be furnished as specified. Where brand names or specific items or processes are used in the specifications, consider the term "approved equal" to follow. However, a request for approval for any proposed substitution or "approved equal" shall be included in writing under the terms stated in Section 8.2 of Part I.

The Vendor may be required to supply the purchaser with performance data, samples, and special guarantees as a condition of acceptance of any proposed alternates.

7.1.3 The Division of Public Transit shall have the power to reject any material furnished or work performed under the contract which does not conform to these specifications and contract.

7.2 Materials and Workmanship

7.2.1 Vendor shall incorporate in the proposed vehicle(s) the latest technological achievements consistent to achieving maximum service life and superior attractiveness of appearance.

7.2.2 Vehicle(s) shall be delivered in new, first-class condition, complete and ready for operation on the street and the Vendor shall assume all responsibility and liability incident to said delivery.

7.2.3 All materials used in the construction of vehicle(s) and in all its parts and accessories shall conform to A.S.T.M., S.A.E., or similar associations published standards, and be of top quality.

7.2.4 The vehicle(s) shall be built with suitable and easily accessible compartments provided for all apparatus, sound deadening insulation, wherever needed, and all operating devices so mounted as to reduce and keep all noise and vibration to an absolute minimum.

7.2.5 Vendor shall assume responsibility for all material and accessories used in vehicle(s) and their proper installation and their warranty, whether the same is manufactured by the Vendor or purchased ready-made from a source outside the Vendor's company.

7.3 Spare Parts

The Vendor shall guarantee the availability of replacement parts for these vehicles for at least a seven (7) year period after the date of acceptance. Spare parts shall be interchangeable with the original equipment and shall be manufactured in accordance with the quality assurance provisions of this contract.

7.4 Engineers

The Vendor shall, at its own expense, have a competent engineering representative(s) available on request to assist the Recipient Agency's(ies') staff in the solution of engineering or design problems within the scope of the specifications that may arise during the warranty period.

7.5 Documents

The Vendor shall provide current maintenance manuals, current parts manuals and standard operator manuals, for each agency or authority, to the Division of Public Transit as part of this

contract. The Vendor shall keep maintenance manuals available for a period of ten (10) years after the date of acceptance of the vehicles procured under this contract. The Vendor shall also keep parts books up-to-date for a period of ten (10) years. The supplied maintenance and operator's manuals shall incorporate all equipment ordered on the vehicles covered by this procurement.

8.0 **BID REQUIREMENTS**

All bids must remain in effect for 120 days from the date that bids are opened.

8.1 **Qualifications for Award**

Award of the contract shall be made to the Vendor quoting the lowest base vehicle bid price, including delivery charges, as described on Bid Form, provided the bid is responsive in all respects to these procurement requirements. The Vendor must be a person, firm or corporation that:

Has in operation, a manufacturing plant adequate to assure delivery of all equipment within the time specified under the contract.

Has adequate engineering and service personnel, or has the capability to have such personnel, to satisfy any engineering or service problems that may arise during the warranty period.

Has similar vehicles in operation in comparable service for a minimum of one (1) year. The Vendor may be required to furnish a customer list indicating the number of units and dates in service during approved equal period or during the bid evaluation period in addition to the requirements under 8.5.9 of this part of the specifications.

In lieu of this requirement, certified results of a shaker test may be requested by the Division of Public Transit during the approved equal period to prove the proposed vehicles to be capable of operating the service contemplated for these vehicles.

Has the necessary facilities and financial resources to complete the contract in a satisfactory manner within a required time. The Division of Public Transit shall have the right to conduct a pre-award survey of each Vendor

Has complete and accurate maintenance, parts and operator's manuals.

8.2 **Requests for Approved Equals or Clarifications**

A Vendor may submit requests for "approved equals" or clarifications on items that are included within this bid document and specification package. All such submissions must be in writing and must be fully supported with technical data, test results, or other pertinent information, as evidence that the substitute offered is equal to or better than that required herein. All requests for "approved equals" or clarifications shall be received by the Division of Public Transit at least twenty-eight (28) calendar days prior to the bid due date. Requests received twenty-seven (27) or less days prior to the bid due date shall not be considered.

The Division of Public Transit shall review requests for approved equals or clarifications and shall issue a written response no later than fourteen (14) days prior to the time for receipt of bids. All potential Vendors who have received a copy of these contract documents and specifications shall be forwarded a copy of the written response at the same time as the response is sent to the requesting party.

8.3 **Summary of Items to be Supplied With Bid**

By submitting the items in 8.3.1 and 8.3.2 below, the Vendor certifies that it will comply with all requirements of this RFQ and related addenda.

8.3.1 All forms included under Part 5 (Bid Forms) should be properly completed and furnished by the Vendor as part of the bid. Failure to submit any of these forms may disqualify the bid.

8.3.2 Technical and other data as required under 8.5, "Pre-Award Review".

8.4 Certifications

Vendor shall certify on **Bid Form #2 and #5** that the vehicles offered comply with the following:

8.4.1 Air and Noise Pollution Certification

The Vendor bidding on these specifications shall be required to certify in writing that the vehicle(s) shall comply with the air pollution criteria established by the Environmental Protection Agency of the United States Government

8.4.2 Safety Certification

The Vendor shall furnish written certification that the vehicle(s) shall comply with the Federal Motor Vehicle Safety Standards as established by the U. S. Department of Transportation and with requirements of the laws of the State of West Virginia, all as in effect at the time of manufacture, as to lighting equipment and all warning, operating and safety devices.

8.5 Pre-Award Review

The Vendor shall submit the following items within the bid process and any further items if requested by the Division of Public Transit. Failure to submit items will result in disqualification of the bid.

- 8.5.1 Complete mechanical description of vehicle, its construction and equipment including manufacturer's model name and/or number **to be submitted at time of bid.** Equipment to be described shall include the wheelchair lift, air conditioner, flip-up seat, and wheelchair securement system, if these items are specified herein.
- 8.5.2 Proposed interior floor plan, showing detailed dimensions including the location of the wheelchair securement system and stanchions if specified is **to be submitted at time of bid.**
- 8.5.3 Curb weight (empty weight) and gross vehicle weight rating (GVWR) of vehicle to be submitted during the bidding process.
- 8.5.4 Samples or paint charts of available exterior paint colors is to be submitted during the bidding process.
- 8.5.5 Description of the warranties the Vendor proposes to furnish for the vehicle and for required ancillary equipment, including a listing of sites where warranty work will be performed is to be submitted during the bidding process.
- 8.5.6 The location of the nearest depot which will furnish a complete supply of parts and components for the repair and maintenance of the vehicle to be supplied is to be submitted during the bidding process.
- 8.5.7 Description of the undercoating/rustproofing system, including warranty to be provided is to be supplied during the bidding process.
- 8.5.8 Identification of the specific location of the place of assembly in the case of a bus or the place of a conversion in the case of a converted van. If the location changes, the Vendor must notify the Division of Public Transit, in which case the Division of Public Transit reserves the right to perform an inspection similar to the pre-award inspection identified. If the results of the inspection are unsatisfactory, the contract may be terminated by the Division of Public Transit.

- 8.5.9 A list of five users' names, addresses, and telephone numbers, e-mail address who have been provided similar equipment by the Vendor. If the Vendor has not provided similar equipment, the Division of Public Transit reserves the right to determine the acceptability of the equipment proposed by the Vendor.

8.6 Disadvantaged Business Enterprise

- 8.6.1 All U. S. Department of Transportation, Federal Transit Administration (FTA) assisted contracts between FTA, the Division of Public Transit, and any Vendor shall include the following language:

POLICY It is the policy of the Department of Transportation that Disadvantaged Business Enterprises as defined in 49 CFR Part 26 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds under this agreement. Consequently, the DBE requirements of 49 CFR Part 26 apply to the agreement

DBE OBLIGATION. The recipient or its Vendor agrees to ensure that Disadvantaged Business Enterprises as defined in 49 CFR Part 26 have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds provided under this agreement. In this regard, all recipients or Vendors shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that Disadvantaged Business Enterprises have the maximum opportunity to compete for and perform contracts. Recipients and their Vendors shall not discriminate on the basis of race, color, national origin, religion, sex, age or physical handicap in the award and performance of DOT-assisted contracts.

- 8.6.2 The manufacturer of transit vehicles shall certify that it has complied with the requirements of 49 CFR Part 26 (March 4, 1999), Section 26.49, "Transit Vehicle Manufacturers." This certification shall be submitted with responses to this solicitation on **Bid Form #3**
- 8.6.3 The Vendor shall make good faith efforts to replace a Disadvantaged Business Enterprise subcontractor, that is unable to perform, with another Disadvantaged Business Enterprise subcontractor.
- 8.6.4 Where the Vendor is found to have failed to exert sufficient reasonable and good faith efforts to involve DBE's in the work provided, the Division of Public Transit may declare the Vendor non-compliant and in breach of contract.
- 8.6.5 The Vendor will keep records and documents for a reasonable time following performance of this contract to indicate compliance with WV Department of Transportation, Division of Public Transit DBE Program. These records and documents will be made available at reasonable times and places for inspection by any authorized representative of the WV Department of Transportation, Division of Public Transit and will be submitted to the WV Department of Transportation, Division of Public Transit upon request.
- 8.6.6 The Vendor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Vendor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the Vendor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the WV Department of Transportation, Division of Public Transit deems appropriate.

8.7 Fly America

The Vendor agrees to comply with 49 U.S.C. 40118 (the "Fly America" Act) in accordance with General Services Administration's regulations at 41 CFR Part 301-10, which provide that

recipients and subrecipients of Federal funds and their vendors are required to use U.S. Flag air carriers for U.S. Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. The Vendor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. Flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. The Vendor agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

8.8 Prohibited Interest

No employee, officer, board member, agent or their family members of the Division of Public Transit may participate in the selection, award, or administration of a Contract supported by Federal funds if a real or apparent conflict of interest is involved. Such a conflict could arise when any of the parties mentioned above have a financial or other interest in the Vendor selected for the Contract.

8.9 Civil Rights Requirements

In connection with the execution of this contract, the following requirements will apply:

- (1) Nondiscrimination. In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, Section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, Section 202 of the Americans With Disabilities Act of 1990, 42 U.S.C. § 12132, and Federal transit law at 49 U.S.C. § 5332, the Vendor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, age or disability. In addition, the Vendor agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may issue.
- (2) Equal Employment Opportunity. The following equal employment opportunity requirements apply to the underlying contract:
 - (a) Race, Color, Creed, National Origin, Sex. In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000 e, and Federal transit laws at 49 U.S.C. § 5332, the Vendor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. The Vendor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during their employment, without regard to their race, color, creed, national origin, sex or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Vendor agrees to comply with any implementing requirements FTA may issue.
 - (b) Age. In accordance with Section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. §§ 623 and Federal transit law at 49 U.S.C. § 5332, the Vendor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Vendor agrees to comply with any implementing requirements FTA may issue.

- (c) Disabilities In accordance with Section 102 of the Americans With Disabilities Act, as amended, 42 U.S.C. § 12112, the Vendor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans With Disabilities

Act," 29 CFR, Part 1630, pertaining to employment of persons with disabilities. In addition, the Vendor agrees to comply with any implementing requirements FTA may issue.

- (3) The Vendor also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

8.10 Bus Testing

The Vendor agrees to comply with 49 U.S.C. § 5323(c) and FTA's implementing regulation at 49 CFR Part 665 and shall perform the following:

- (1) A manufacturer of a new bus model or a bus produced with a major change in components or configuration shall provide a copy of the final test report to the Division of Public Transit at a point in the procurement process specified by the Division of Public Transit which will be prior to the Division of Public Transit's final acceptance of the first vehicle.
- (2) A manufacturer who releases a report under paragraph 1 above shall provide notice to the operator of the testing facility that the report is available to the public.
- (3) If the manufacturer represents that the vehicle was previously tested, the vehicle being sold should have the identical configuration and major components as the vehicle in the test report, which must be provided to the Division of Public Transit prior to the Division's final acceptance of the first vehicle. If the configuration or components are not identical, the manufacturer shall provide a description of the change and the manufacturer's basis for concluding that it is not a major change requiring additional testing.
- (4) If the manufacturer represents that the vehicle is "grandfathered" (has been used in mass transit service in the United States before October 1, 1988, and is currently being produced without a major change in configuration or components), the manufacturer shall provide the name and address of the recipient of such a vehicle and the details of that vehicle's configuration and major components.
- (5) Any bidder or offerer must submit to the Division of Public Transit FTA's Bus Testing Requirements Certification on **Bid Form #8**. Bids or offers that are not accompanied by a completed certification must be rejected as non-responsive. **A copy of the bus testing report should be included with the bid.** This requirement does not apply to lower tier subcontractors.

8.11 Buy America Certification

Vendor agrees to comply with 49 U.S.C. 5323(j) and 49 CFR Part 661, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7 and include, microcomputer equipment, software, and small purchases (currently less than \$100,000) made with capital, operating, or planning funds. Separate requirements for rolling stock are set out at 49 CFR 661.11. Rolling stock not subject to a general waiver must be manufactured in the United States and have a 60 percent domestic content.

A bidder or offerer must submit to the Division of Public Transit the appropriate Buy America certification on **Bid Form #4** with all bids on FTA-funded contracts, except those subject to a

general waiver. Bids or offers that are not accompanied by a completed Buy America certification must be rejected as non-responsive. This requirement does not apply to lower tier subcontractors. **Should the Vendor be declared responsive and low bid, pursuant to Pre-Award and Post Delivery Audit Requirements, the Division of Public Transit will require the Vendor to submit documentation (prior to any award) that lists:**

- (1) Component and sub-component parts of the rolling stock to be purchased identified by manufacturer of the parts, their country of origin and costs; and
- (2) The location of the final assembly point for the rolling stock, including a description of the activities that will take place at the final assembly point and the cost of final assembly.
- (3) The Vendor shall submit one manufacturer's Federal Motor Vehicle Safety Standards (FMVSS) self-certification sticker providing information that the vehicle quoted complies with relevant FMVSS, or Manufacturer's certified statement that the contracted vehicles will not be subject to FMVSS regulations
- (4) Vendor shall submit evidence that it will be capable of meeting the bid specifications.

As required by the Post Delivery Audit Requirement, any successful vendor will be required to furnish the following prior to any completed vehicle being placed into service or before any payment can be made:

- (1) Actual component and sub-component parts of the rolling stock provided, identified by manufacturer of the parts, their country of origin and costs; and
- (2) Actual location of the final assembly point for the rolling stock provided, including a description of the activities that took place at the final assembly point and the actual cost of final assembly.

8.12 Cargo Preference

The Vendor agrees:

- 8.12.1 To utilize privately owned United States--Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this contract, to the extent such vessels are available at fair and reasonable rates for United States--Flag commercial vessels;
- 8.12.2 To furnish within twenty (20) working days following the date of loading for shipments originating within the United States or within 30 working days following the date of leading for shipments originating outside the United States, a legible copy of a rated, "on board" commercial ocean bill of lading in English for each shipment of cargo described in the paragraph above to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to the Division of Public Transit (through the Vendor in the case of a subcontractor's bill of lading)
- 8.12.3 To include these requirements in all subcontracts issued pursuant to this contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

8.13 Federal Regulation Changes

Vendor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement (Form FTA MA(14) dated October 1, 2007) between the WV Department of Transportation, Division of Public Transit and FTA, as they may be amended or promulgated from time to time

during the term of this Contract. Vendor's failure to so comply shall constitute a material breach of this contract.

8.14 Debarment and Suspension

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the contractor is required to verify that none of the contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

The contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into. By signing and submitting its bid or proposal, the bidder certifies as follows:

The certification in this clause is a material representation of fact relied upon by the WV Division of Public Transit. If it is later determined that the bidder knowingly rendered an erroneous certification, in addition to remedies available to the WV Division of Public Transit, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions. All Vendors shall be required to certify that they are not on the Comptroller General's list of ineligible contractors on **Bid Forms #6 and #6-A**.

8.15 Restrictions on Lobbying

Every Vendor who applies or bids for an award of \$100,000 or more shall file the certification on **Bid Form #9** required by C.F.R. Part 20, "New Restrictions on Lobbying." Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of the registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 U.S.C. 1352. Such disclosures are forwarded from tier to tier up to the Division of Public Transit.

8.16 Environmental Regulations

The Vendor agrees to comply with all applicable standards, orders, or requirements issued under Executive Order 11738, and Environmental Protection Agency Regulations (40 CFR, Part 15), which prohibits the use under nonexempt federal contracts, grants or loans of facilities included on the EPA list of violating facilities. Any violations shall be reported to the Division of Public Transit who will forward the report to the Federal Transit Administration and to the US EPA Administrator for enforcement (9EN-329).

8.17 Clean Air

The Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7414 and other applicable provisions of the Clean Air Act, as amended, 42 U.S.C. §§ 7401 *et seq.* The Vendor agrees to report each violation to the Division of Public Transit and understands and agrees that the Division of Public

Transit will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

The Vendor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

8.18 Clean Water

The Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to Section 308 of the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1318, and other provisions of the Federal Water Pollution Act, as amended, U.S.C. 1251 *et seq.* The Vendor agrees to report each violation to the Division of Public Transit and understands and agrees that the Division of Public Transit will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

The Vendor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

8.19 Energy Conservation Requirements

The Vendor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act.

8.20 Contract Work Hours and Safety Standards Act

The Vendor shall comply with Section 102 of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 3701 *et seq.*, esp. § 3702) as supplemented by Department of Labor Regulations (29 CFR, § 5 & 29 CFR § 1926) as they involve the employment of mechanics and laborers

Overtime Requirements. No Vendor or subcontractor for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

Violation; Liability for Unpaid Wages; Liquidated Damages. In the event of any violation of the clause set forth in paragraph (2) of this section, the Vendor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such Vendor and subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (2) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (2) of this section.

Withholding for Unpaid Wages and Liquidated Damages. The WV Division of Public Transit shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Vendor or subcontractor under any such contract or any other Federal contract with the same prime Vendor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Vendor, such sums as may be determined to be necessary to satisfy any liabilities of such Vendor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (3) of this section.

Subcontracts. The Vendor or subcontractor shall insert in any subcontracts the clauses set forth in this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Vendor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in this section.

Payrolls and Basic Records. Payrolls and basic records relating thereto shall be maintained by the

Vendor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the Vendor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits.

Vendors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

8.21 Hold Harmless

The Vendor agrees to protect, defend, indemnify and hold the State of WV, the Division of Public Transit, its officers, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or relating to any and all claims, liens, demands, obligations, action, proceedings or causes of action of every kind and character in connection with or arising directly or indirectly out of this Contract and/or the performance hereof. Without limiting the generality of the foregoing, any and all such claims, etc. relating to personal injury, infringement of any patent, trademark, copyright (or application for any thereof) or of any other tangible or intangible personal or property right, or actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation, or decrees of any court, shall be included in the indemnity hereunder. The Vendor further agrees to investigate, handle, respond to, provide defense for and defend any such claims, etc., at his/her sole expense and agrees to bear all other costs and expenses related thereto, even if such claim is groundless, false or fraudulent.

8.22 Patent Infringement

The Vendor shall advise the Division of Public Transit of any impending patent suit and shall provide all information available. The Vendor shall defend any suit or proceeding brought against the Division of Public Transit based on a claim that any equipment, or any part thereof, furnished under this contract constitutes an infringement of any patent, and the Vendor shall pay all damages and costs awarded therein, excluding incidental and consequential damages, against the Division of Public Transit. In case said equipment, or any part thereof, is in such suit held to constitute infringement and use of said equipment or parts is enjoined, the Vendor shall, at its own expense and its option, either procure for the Division of Public Transit the right to continue using said equipment or part, or replace same with non-infringing equipment, or modify it so it becomes non-infringing.

9.0 AMENDMENTS TO SOLICITATION AND POSTPONEMENT OF BID DUE DATE

- A. The State of West Virginia reserves the right to amend any element or part of these bid documents and specifications and/or change the bid opening date and time, up to the time and date that bids are due. In this event, all potential Vendors that have received a copy of these contract documents and specifications shall be notified of the postponement and the new time and date that bids will be due. Such notification shall be mailed or otherwise provided. Any bids received in accordance with the original bid due date shall be held

unopened till the new bid opening date.

- B. In the event that amendments are issued by the State fourteen (14) or more days prior to the original bid due date, the original date and time established for the receipt of bids, at the State's option, may or may not be changed. The addendum notification sent by the State shall contain either a statement that the bid due date remains as previously established or shall provide a new time and date if the bid due date is changed.
- C. In the event that addenda are issued by the State, Vendors must complete the Addendum Acknowledgment form contained within these contract documents and specifications and submit that form with their bid. **Bid Form #10** shall be used for this purpose

10.0 **BID PROTEST PROCEDURES**

1. **Submission of Protest**

- a. Protests based on bid specifications must be submitted no later than (5) working days prior to the bid opening to the Purchasing Division. Protest of purchase order/contract award must be submitted no later than five working days after the award. The vendor is responsible for knowing the bid opening and award dates. Protests received after these dates may be rejected at the option of the Purchasing Division Director.
- b. All protests shall be submitted in writing to the Purchasing Division and contain the following information:
 - 1. The name and address of the protester;
 - 2. The requisition, purchase order/contract numbers;
 - 3. A statement of the grounds of protest;
 - 4. Supporting documentation (if necessary); and
 - 5. The resolution or relief sought.

Failure to submit this information shall be grounds for rejection of the protest by the Director of the Purchasing Division.

2. **Protest Review**

- a. The Purchasing Director or his/her designee shall review the matter of protest and issue a written decision. A hearing may be conducted at the option of the Purchasing Director or assigned designee. Continuation or delay of the purchase order/contract is at the discretion of the Purchasing Director.
- b. The Purchasing Division may refuse to review any protests when the matter involved is the subject of litigation before a court of competent jurisdiction; if the merits have previously been decided by a court of competent jurisdiction; or if it has been decided in a previous protest by the Purchasing Division. The provisions of this subsection do not apply where the court requests, expects, or otherwise expresses interest in the decision of the State.

3. **Appeals to the Federal Transit Administration (FTA)**

Under the Federal Transit Administration's Circular 4220 1E, the Federal Transit Administration's (FTA's) review of any protest will be limited to:

- a. Failure of the Division of Public Transit to have or adhere to its written bid protest procedures, or failure of the Division of Public Transit to review a complaint or protest.
- b. Alleged violations on other grounds are under the jurisdiction of the appropriate State or local administrative authorities.

- c. Alleged violations of a specific Federal Law or regulation that provides an applicable complaint procedure shall be submitted and processed in accordance with that Federal Law or regulation. See, e.g., Buy America Requirements, 49 C.F.R. Part 661 (Section 661.15); Participation by Minority Business Enterprise in Department of Transportation Programs, 49 C.F.R. Section 26.89.
- d. The Federal Transit Administration will only review protests submitted by an actual or prospective bidder, whose direct economic interest would be affected by the award of the Contract or by failure to award the Contract. The Federal Transit Administration reserves the right not to participate in the funding of any Contract awarded pending resolution of a protest to them.
- e. An appeal to the Federal Transit Administration must be received by the cognizant FTA Regional or Headquarters Office within five (5) working days of the date the protester learned or should have learned of an adverse decision by the Division of Public Transit or other basis of appeal to FTA.

11.0 TERMINATION OF CONTRACT

The State reserves the right to cancel any purchasing agreement arising out of an award under these Specifications if, in its opinion, there is any failure to adequately perform the requirements of these Specifications. Under these conditions, cancellation will be effective immediately upon written notification to the Vendor and such cancellation will relieve the State from any obligation to purchase any items under such purchasing agreement.

11.1 Termination for Convenience

The performance of work under this Contract may be terminated by the Director of the Division of Purchasing in accordance with this clause in whole, or from time to time in part, whenever the Purchasing Division shall determine that such termination is in the best interest of the State. Any such termination shall be effected by delivery to the Vendor of a notice of termination specifying the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective.

After receipt of a notice of termination, and except as otherwise directed by the Purchasing Division, the Vendor shall: stop work under the Contract on the date and to the extent specified in the notice of termination; place no further orders or subcontracts for materials, services or facilities, except as may be necessary for completion of such portion of the work under the Contract as is not terminated; terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the notice of termination; assign to the State in the manner, at the time, and to the extent directed by the Purchasing Division, all of the right, title, and interest of the Vendor under the orders and subcontractors so terminated, in which case the State shall have the right, in its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts; settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Purchasing Division, to the extent as may be required, which approval or ratification shall be final for all the purposes of this clause, transfer title to the State and deliver in the manner, at the times, and to the extent, if any, directed by Purchasing Division the fabricated or unfabricated parts, work in process, completed work, supplies, and other material produced as part of, or acquired in connection with the performance of, the work terminated, and the completed or partially completed plans, drawing, information and other property which, if the Contract had been completed, would have been required to be furnished to the Division of Public Transit; use its best efforts to sell, in the manner, at the times, to the extent, and at the price(s) directed or authorized by the Purchasing Division, any property of the types referred to above, provided, however, that the Vendor shall not be required to extend credit to any purchaser, and may acquire any such property under the conditions prescribed by and at a price(s) approved by the Purchasing Division, and provided further, that the proceeds of any such transfer or disposition shall be applied in reduction of any payments to be made by the State to the

Vendor under this Contract or shall otherwise be credited to the price or cost of the work covered by this Contract or paid in such other manner as the Purchasing Division may direct; complete performance of such part of the work as shall not have been terminated by the notice of termination; and take such action as may be necessary, or as the Purchasing Division may direct, for the protection or preservation of the property related to this contract which is in the possession of the Vendor and in which the State has or may acquire an interest.

Settlement of claims by the Vendor under this termination for convenience clause shall be in accordance with the provisions set forth in Federal Procurement Regulations (FPR) 18.701 (c), (d), (e), (f), (g), (h), (i), (j), and (k) except that wherever the word "Government" appears, it shall be deleted and the word "State" shall be substituted in lieu thereof.

11.2 Termination for Default

The Division of Public Transit may, by written notice of default to the Vendor, terminate the whole or any part of this Contract if the Vendor fails to make delivery of the supplies or to perform the services within the time specified herein or any extension thereof; or if the Vendor fails to perform any of the other provisions of the Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as the Purchasing Division may authorize in writing) after receipt of notice from the Purchasing Division specifying such failure.

If the Contract is terminated in whole or in part for default, the Division of Public Transit may procure, upon such terms and in such manner as the Purchasing Division may deem appropriate, supplies or services similar to those so terminated. The Vendor shall be liable to the Division of Public Transit for any excess costs for such similar supplies or services, and shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.

Except with respect to defaults of subcontractors, the Vendor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control and without the fault or negligence of the Vendor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Vendor and subcontractor, and without the fault or negligence of either of them, the Vendor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery schedule.

Payment for completed supplies delivered to and accepted by the Division of Public Transit shall be at the Contract price. The Division of Public Transit may withhold from amounts otherwise due the Vendor for such completed supplies such sum as the Purchasing Division determines to be necessary to protect the Division of Public Transit against loss because of outstanding liens or claims of former lien holders. If, after notice of termination of this Contract under the provision of this clause, it is determined for any reason that the Vendor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to termination for convenience of the Division of Public Transit.

The rights and remedies of the Division of Public Transit provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

12. NO GOVERNMENT OBLIGATION TO THIRD PARTIES

The Division of Public Transit and the Vendor acknowledge and agree that, notwithstanding any concurrence by the Federal government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to the Contract and shall not be subject to any obligations or liabilities to the Division of Public Transit, the Vendor, or any other party (whether or not a party to that contract) pertaining

to any matter resulting from the underlying Contract.

The Vendor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions

13. **PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS AND RELATED ACTS**

The Vendor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Contract. Upon execution of the underlying contract, the Vendor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this Contract work is being performed. In addition to other penalties that may be applicable, the Vendor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Vendor to the extent the Federal Government deems appropriate.

The Vendor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Vendor, to the extent the Federal Government deems appropriate.

The Vendor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

14. **EXCLUSIONARY OR DISCRIMINATORY SPECIFICATIONS**

The Vendor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance awarded by the Division of Public Transit to support procurements using exclusionary or discriminatory specifications.

15. **GEOGRAPHIC RESTRICTIONS**

The Vendor agrees to refrain from using state or local geographic preferences, except those expressly mandated or encouraged by Federal statute, and as permitted by FTA.

16. **APPLICATION OF FEDERAL, STATE AND LOCAL LAWS AND REGULATIONS**

To achieve compliance with changing Federal, State and Local requirements, the Vendor shall note that Federal, State and Local requirements may change and the changed requirements will apply to this Contract as required

17. **BANKRUPTCY**

Upon entering of a judgment of bankruptcy or insolvency by or against a Vendor, the Division of Public Transit may terminate this contract for cause.

18. **PREFERENCE FOR RECYCLED PRODUCTS**

The Vendor agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act, as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247

19. METRIC SYSTEM

To the extent required by the U.S. Department of Transportation or the Federal Transit Administration, the Vendor agrees to use the metric system of measurement in its Contract activities, as may be required by 15 U.S.C. §§ 205a et seq.; Executive Order No. 12770, "Metric Usage in Federal Government Programs," 15 U.S.C. § 205a note; and other regulations, guidelines, and policies issued by the U.S. Department of Transportation or the Federal Transit Administration. To the extent practicable and feasible, the Vendor agrees to accept products and services with dimensions expressed in the metric system of measurement.

20. LICENSING AND PERMITS

The Vendor shall be appropriately licensed for the work required as a result of the Contract. The cost for any required licenses or permits shall be the responsibility of the Vendor. The Vendor is liable for any and all taxes due as a result of the Contract.

21. COMPLIANCE WITH LAWS AND PERMITS

The Vendor shall give all notices and comply with all existing and future Federal, State and Municipal Laws, Ordinances, Rules, Regulations, and Orders of any public authority bearing on the performance of the Contract, including, but not limited to, the laws referred to in these provisions of the Contract and the other Contract documents. If the Contract documents are at variance therewith in any respect, any necessary changes shall be incorporated by appropriate modification. Upon request, the Vendor shall furnish to the Division of Public Transit certificates of compliance with all such laws, orders, and regulations.

22. SEVERABILITY

In the event any provision of the Contract is declared or determined to be unlawful, invalid or unconstitutional, such declaration shall not affect, in any manner, the legality of the remaining provisions of the Contract and each provision of the Contract will be and is deemed to be separate and severable from each other provision.

23. INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The preceding provisions include, in part, certain Standard Terms and Conditions required by the U.S. Department of Transportation (DOT), whether or not expressly set forth in the preceding Contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1E, dated June 19, 2003, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. The Vendor shall not perform any act, fail to perform any act, or refuse to comply with any Division of Public Transit requests which would cause the Division of Public Transit to be in violation of the FTA terms and conditions.

24. TRAINING

The Vendor shall have at its own expense one or more qualified instructor(s) who shall be available at the Recipient Agency(ies) property for up to 3 calendar days per month between the hours of 8:00 a.m. to 5:00 p.m. for one (1) month prior and 5 calendar days two (2) months after, acceptance of the first vehicle. Training must take place at each Recipient Agency's property. The dates will be mutually agreed upon. Instructors shall conduct schooling sessions during the beginning of this two month period which shall be designed to instruct the Recipient Agency's (ies) in-house driver training staff in proper and safe on-road operation of the vehicle, in operating characteristics and limitations of the vehicle, and identification and proper operation of all driver's controls. Instructors shall also, during the beginning of this period, conduct training sessions for maintenance instructors and qualified mechanics to give thorough and proper training in the maintenance and repair of all operating systems of the vehicle including: (1) power train, (2) electrical system, (3) heating, ventilation and air conditioning system, (4) braking and air system,

and (5) wheelchair lift and securement systems. The Vendor shall also provide visual and other teaching aids for use by each Recipient Agency's (ies) own training staff.

25. **ADDITIONAL OPTIONS**

Additional options, at the dealer's cost, may be added at a later date. The successful vendor must provide documented proof of the dealer cost of the option at the time of the purchase order

BID FORM #9

CERTIFICATION OF RESTRICTIONS ON LOBBYING

The undersigned (Vendor, Contractor) certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for making lobbying contacts to an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. [as amended by "Government Wide Guidance for New Restrictions on Lobbying," 61 Fed. Reg. 1413 (1/19/96). Note: Language in paragraph (2) herein has been modified in accordance with Section 10 of the Lobbying Disclosure Act of 1995 (P L. 104-65, to be codified at 2 U.S.C. 1601, et seq.)]
3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure. [Note: Pursuant to 31 U.S.C. § 1352(c)(1)-(2)(A), any person who makes a prohibited expenditure or fails to file or amend a required certification or disclosure form shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure or failure.]

The Vendor, **NATIONAL BUS SALES AND LEASING, INC.**, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Vendor understands and agrees that the provisions of 31 U.S.C. § 3801, et seq., apply to this certification and disclosure, if any.

ADA Compliant Lowered-Floor Minivan

1.0 GENERAL

1.1 Scope

Technical Specifications establishes requirements for a vehicle to provide specialized transportation services in an urban and suburban-rural environment, including hilly terrain and a severe winter operating climate.

The bid should be in a binder form with each section properly labeled with the required information attached to each section. Two (2) copies of the bid form shall be sent to the West Virginia Purchasing Division with One (1) clearly marked for the West Virginia Division of Public Transit.

1.2 Legal Requirements

The vehicle shall meet all applicable FMVSS, DMV, ADA, federal and state regulations in effect at the date of manufacture. The vendor shall comply with all applicable federal and state regulations in the manufacturing of the vehicles. **Vendor shall supply certification that vehicle meets all FMVSS Regulations.**

1.3 Components, Materials, Workmanship and Completeness

All units or parts not specified shall be manufacturer's best quality and shall conform in material, design or workmanship to the best practice known in the automotive industry. All parts shall be new and in no case will used, reconditioned or obsolete parts be accepted. The parts on all vehicles provided by the same manufacturer shall be interchangeable.

1.4 Motor Vehicle Standards Including Provisions Pertaining to Safety and Pollution

The vendor will provide certification at the time of delivery that vehicles comply with all relevant federal and State of West Virginia standards.

1.4.1 Motor Vehicle Safety

The motor vehicles furnished shall comply with applicable motor vehicle safety standards established by the U.S. Department of Transportation and the State of West Virginia.

1.4.2 Exhaust Emissions Control Requirements

The vehicles shall comply with all federal and state requirements applicable to the year of manufacture.

1.4.3 Noise Control

The exterior noise from the vehicle shall not exceed eighty-six (86) dba using the procedures set forth in the SAE Standard SAE J 366.

The interior noise at a location two (2) feet from the rear window and four (4) feet from the floor shall not exceed 86 dba with the vehicle standing with the transmission in neutral and the engine operating a maximum rated RPM.

1.5 Inspection Facilities

In order to comply with Part 4, 6.1 Inspection Stations, the manufacturer shall provide on its premises a suitable hoist for a complete inspection of the underside of the vehicle. This includes, but is not limited to, wiring and hosing runs, structural integrity, through floor securements, OEM defects and completeness, and coverage of the undercoating. **A pit is not acceptable.**

2.0 Capacity

This minivan shall be capable of carrying in one trip at least three (3) ambulatory adult forward-facing seated passengers and two (2) passengers seated in mobility aids, in addition to the driver. The vehicle is convertible to at least five (5) ambulatory passengers, plus the driver Braun 225 Fold-A-Way seat or Approved Equal. This minivan shall be made ADA compliant through a modification whereby the vehicle floor area is cut from the engine firewall to the rearmost passenger seat and lowered to meet minimum ADA door opening height requirement (56"). There shall be no modification to any portion of the vehicle roof in meeting the ADA door opening height requirement. A 30" usable clear width manual, 80-degree swing-away, fold-up mobility aid ramp is to be mounted vertically and inboard of the curbside sliding door, and two (2) mobility aid positions will be provided.

3.0 Chassis:

The model shall be a long wheelbase Chevrolet Uplander or Approved Equal. Chassis must be equipped with (FE3) Touring Suspension and (Y3H) Commercial Paratransit Package or Approved Equal.

Engine: 3.9 L, V-6, gasoline engine with electronic fuel injection or Approved Equal.

Stereo: Stereo shall be OEM AM/FM stereo with CD with factory installed speakers.

Transmission: 4-speed automatic, electronically controlled with overdrive or Approved Equal.

Radiator and Cooling system: Heaviest duty available, with coolant recovery system factory installed; 50-50 mixture of factory specified antifreeze and water.

Brakes: The vehicle shall be equipped with 4-wheel disc brakes and a factory Anti-Lock Brake System. Parking Brake: The vehicle shall be equipped with the factory OEM parking brake assemblies and dash warning light. Tilt Wheel, Cruise control and Power Steering: The vehicle shall be provided with an OEM tilt steering wheel, cruise control, and OEM power steering. Wheelbase: The minivan shall have a 121" minimum wheelbase or Approved Equal. GVWR: The chassis shall offer a minimum GVWR of 5842. The vehicle as converted shall not exceed the OEM chassis GVWR with 6 passengers.

3.1 OPTION 1: AUTOMATIC KNEEL SYSTEM

An automatic kneel system to be supplied to lower the rear of the vehicle to reduce the slope of the wheelchair ramp with a kneel on/off feature, kneel on/off switch, a kneel electrical override, power door and power ramp.

4.0 Line Protection:

All metal and rubber fluid lines beneath the vehicle that are altered or exposed as a result of floor modification shall be secure and reasonably protected from road damage. Any fuel and brake line modification/alteration must be of OEM equivalent material or workmanship.

5.0 Replacement Fuel Tank:

Tank shall have a Twenty (22) gallon minimum capacity. Tank, fuel lines, and hardware must meet all current FMVSS, including FMVSS 301, as well as all current CARB and EPA requirements. Tank shall be calibrated with the OEM dash fuel gauge.

6.0 Suspension:

Vehicle will retain the complete OEM front strut suspension and components. Rear suspension must be capable for the payload identified. Spacers may be added to front and/or rear suspension to maintain ground clearance and ADA requirements. There must be a minimum of five (5) inches clearance between the break-over angle position of the vehicle exhaust pipe and level ground.

7.0 Wheels:

The minivan shall be equipped with four (4) Aluminum wheels, 17" minimum, or Approved Equal, and an OEM compact spare. Tires shall be steel belted radials, as provided by the OEM for the chassis specified. The spare tire shall mount inside the vehicle and be secured on an easily accessible carrier. Tire changing equipment, as provided by the OEM, shall include a jack of sufficient

strength/capacity, and other tools necessary for changing the mounted tires, shall be stored in a compartment/container within the vehicle.

8.0 Electrical:

Each vehicle shall have a 12-volt electrical charging system as supplied from the OEM. All electrical wiring shall be automotive stranded copper, of sufficient gauge to handle the load, color-coded to match the OEM. All harnesses that are modified or added to the vehicle will be secured to the frame/body at a maximum of two feet intervals with insulated clamps. All exposed terminals and wiring shall be protected from the elements using sealed terminals or heat shrink where necessary. Exposed wires will be wrapped or loomed in corrosion/moisture-resistant material.

Battery: Vehicle shall have the heaviest-duty available factory installed battery. Battery cables and connectors shall be OEM (600 cca, 12 volt maintenance free).

Alternator: Alternator shall be factory installed, heaviest duty available (125 amp minimum).

9.0 Front and Rear Heating and Air Conditioning:

An OEM heating/defrosting and air conditioning system with vents front and rear shall be provided. All lines and hoses shall be sufficiently fastened, protected, and insulated to ensure against wear from friction and the elements. The lines must be mechanically attached, with OEM clamps, to the vehicle structure at no greater than 18 inch intervals and must be routed so as not to be exposed to wheel spray and not pass within 2 inches of any part of the exhaust system. Conversion shall not impede access to front and rear air conditioning components.

10.0 Interior Lighting:

Overhead and lower lighting shall be installed in the interior center seat row of the vehicle that provides not less than two foot-candles of illumination at the entrance area. This system shall illuminate automatically when the vehicle front or sliding doors are open. All accessory vehicle lighting shall conform to ADA 49 CFR, Part 38, Subpart B.

11.0 Body Specifications:

Conversion of a minivan by modifying the existing, sidewalls, and floor, shall require the construction that maintains OEM structural equivalent. All metal components that are added shall be welded by qualified operators and made corrosion resistant through a commercial primer application or the use of stainless steel material.

Interior Height: Conversion shall provide a minimum clearance of 58" at the vehicle center of the interior roof.

Body Length: Chassis shall not exceed 204.3" in length.

Paint: The basic vehicle factory color shall be OEM standard white.

12.0 Sealant, Rustproofing, and Undercoating:

All exposed floor seams shall be sealed with a industrial grade butyl sealant or equivalent which conforms to ASTM C920. The entire surface of exterior lowered floor shall have a rust inhibiting coating, such as an epoxy primer base, applied to cover all welded areas, and then a fresh application of undercoating over the entire surface. Undercoating shall comply with current Federal and State flammability standards.

13.0 Passenger Doors and Stepwells:

The minivan shall have standard OEM driver and passenger front doors; one manual left side rear door (extended to floor level), and one manual right side mobility aid accessible rear door. The manual left side sliding door shall be OEM and extended to floor level to provide a minimum entry height of 56". This door shall be equipped with an interlock system so that the door cannot be opened from the inside or outside when fuel door is open. The manual right side mobility aid accessible entry door shall offer a minimum opening height of 56", a minimum usable width of 32 ½", and a maximum of 10" floor-to-ground height. Door extensions shall be constructed of stainless steel. Both sliding doors shall have a mechanism to securely hold doors in open position when vehicle is on a hill.

Passenger Door Tracks: Sliding doors must have reinforced glides with an added stop brace to prevent doors from sliding off track. Door tracks shall be reinforced or strengthened beyond OEM standards as needed in all areas of contact with sliding door arms.

Sliding Passenger Door Arms/Brackets: Reinforcement of the sliding door components shall at a minimum be adequate to support the excess weight created by the door extensions. Under normal closure conditions, there should be no evidence of door track flexing or wobbling.

Door Locks: power programmable, includes lockout protection and delayed locking.

Rear Door Emergency Exit: The rear cargo door shall be provided with a quick release, manual override for opening the door from inside the vehicle. Capable of opening the door even if the door is locked. The vehicles override device shall be

spring loaded and mounted on the inside of the rear door to prevent accidental release. A decal shall be provided showing operating instructions.

14.0 Interior Panels:

All interior panels shall be OEM or OEM equivalent. Panel fastening devices shall match the color of the panels. The interior shall provide a pleasant atmosphere, be aesthetically pleasing, and contain smooth finishes without any unprotected sharp edges. The basic vehicle interior shall be gray. All interior panels shall meet FMVSS 302.

15.0 Ground Effects:

Exterior lower body panels shall be added to the vehicle on both the driver and passenger sides of the vehicle. Panels to be constructed of formed plastic and painted to match the exterior color of the vehicle.

16.0 Flooring:

Sub Floor: The interior floor shall be insulated with 3/8" marine grade plywood to provide a smooth surface for flooring attachment and to minimize interior noise.

Floor Covering Material: 2.2 mm thick commercial grade vinyl transit floor covering shall cover the entire floor surface. Flooring should also possess anti-skid properties (Rubber Solutions, Altro Transfloor or Approved Equal).

Floor Assembly: The lowered floor skin shall be constructed of 16 ga. Aluminized steel. The frame rails shall be made of 14 ga. formed channels; the floor shall be reinforced with 16 ga. formed channel cross ribs. The floor shall be lowered from the front firewall to just before the rear axle. The width of the floor shall extend from side doorsill to side doorsill. Mobility aid restraint tracks and seat locks shall be beveled, with no sharp edges and will protrude no more than 1/4" above floor surface.

17.0 Seats and Grab Handles:

All seats and restraints in the vehicle as specified must comply with current FMVSS standards.

Front Seats: The front passenger seat shall be OEM, matching the driver's seat. The seat base shall be adapted to permit easy roll out for mobility aid access/securement. The seat shall lock and unlock easily from the floor area.

Rear Seat: The rearmost passenger seat shall be the OEM rear bench seat, capable of comfortably accommodating two adult passengers, and is to be covered with OEM upholstery to match the driver and front passenger seats.

Passenger Restraint: Restraints shall be furnished for all passengers, consisting of shoulder seatbelts and/or lap belts. Each belt shall be equipped with an automatic retractor. Securement devices, both for ambulatory and mobility aid passengers, shall meet all State and Federal Standards.

Grab Handles: Grab handles shall be installed, OEM are acceptable.

18.0 Mobility Aid/Occupant Restraint Systems:

Each vehicle shall be equipped with one (1) Sure-Lok Titan AL712S-4C or Q-Straint QRT Deluxe securement and occupant restraint system with S-Hooks or Approve Equal. The system shall utilize flanged "L" continuous track, capable of securing a variety of common mobility aid designs and accommodate a wide range of occupant sizes. All attachment hardware and anchorages shall meet or exceed the 30 mph/20 Impact Test criteria per SAE J2249, 36 CFR Part 1192 and CFR Part 38, and all applicable Federal Motor Vehicle Safety Standards, as amended. Each securement position system shall consist of four (4) fully automatic, auto locking and self-tensioning retractors that shall automatically remove slack in the webbing after the wheelchair is secured. Retractors must attach to the structural frame of the mobility aid at four separate points and anchor into the track on the vehicle floor at four separate points. Each securement system shall have a corresponding occupant restraint system. The occupant restraint system shall consist of an adjustable lap and a shoulder belt and shall meet all applicable Federal Motor Vehicle Safety Standards.

19.0 Mobility Aid Ramp:

The vehicle shall be equipped with a manually operated, 80-degree swing-away mobility access ramp which stows vertically and folds and unfolds through the right side door. The fold and unfold motion of the ramp must be counter balanced so that the force exerted by the operator does not exceed 15 lbs. The installed ramp shall not obstruct the view of the driver through any vehicle window. The ramp shall have a minimum usable width of 30" and a slope meeting the requirements of ADA, 49 CFR. The ramp surface shall be continuous and made skid resistant through powder coating. It shall have no protrusions from the surface greater than 1/4" and shall accommodate both four-wheel and three-wheel mobility aids. The ramp shall have a rated capacity of 600 lbs, with a safety factor of at least three (3) based on the ultimate strength of the material. Each side of the ramp shall have protective barriers at least two (2) inches high to prevent mobility aids from rolling off of the ramp edge.

20.0 Control Interlock:

The ramp doors shall be interlocked with the vehicle emergency brake and transmission to ensure the vehicle cannot be moved when the ramp is deployed.

21.0 Exhaust:

The exhaust system shall be stainless steel and exit on the streetside of vehicle.

22.0 Altoona Bus Testing Report:

The converted minivan must have been submitted to the Altoona Bus Test Center for a 4 yr./100,000 mile Surface Transportation and Uniform Relocation Assistance Act (STURAA) test. Testing must have been completed on current body style being converted. A copy of the test report shall be made available to the State of West Virginia with bid.

23.0 Emergency/Safety Equipment

First Aid Kit: First-aid kit shall comply with Federal Motor Vehicle Carrier Safety Regulations Part 393(h), Section 393, Part 96(c), with a minimum of 15 units. First-aid kits shall be mounted so as to provide for easy access in the event of an accident, away from foot traffic.

Kit shall be housed in a plastic or metal box, which contains at least the following items:

- Instant Cold Pack (1)
- Certicaine Burn Spray (1 oz.)
- 1" x 3" Adhesive Bandages (25)
- ¾" x 3" Adhesive Bandages (10)
- Extra Large Adhesive Bandages (10)
- 3" x 3" Gauze Pads (10)
- Antiseptic Wipes (10)
- Alcohol Prep Pads (20)
- Ammonia Inhalants (10)
- 2" x 6 yds. Gauze Bandage
- ½" x 2.5 yds. Adhesive Tape
- Burn Ointment (1/8 oz.) (4)
- Insect Sting Swabs (4)
- PVP Iodine Swabs (4)
- Tweezers (1)
- Scissors (1)
- Safety Pins (5)

Fire Extinguisher: A 5 lb. dry chemical fire extinguisher with a minimum of a 20-A:180-B:C rating shall be provided in vehicle and shall be mounted in an access compartment with a hinged door or on a vehicular-type quick access bracket away from foot traffic.

Reflectors: Three bi-directional emergency reflective triangles conforming to requirements of FMVSS No. 125, Section 571.125 shall be secured in the storage compartment of the vehicle.

Bloodborne Pathogen Protection Kit: A 10 unit (minimum) kit housed in a polypropylene or metal box and containing at least the following items:

- Gown/Cap (1)
- Goggles (Eye Shield) (1)
- Mask (1)
- Sets of Gloves (3)
- Infectious Liquid Control Powder (2 oz.)
- Scraper (1)
- Red Bio-Hazard Bags with Ties (2)
- Crepe Towels (2)
- Antiseptic Towelettes (4)
- Disinfectant Towelette (4)
- Mouth to Mouth Barrier (1)
- Scoop Bag (3)

Seat Belt Cutter: A Tie Tech, Inc., Safecut Webbing Cutter, or approved equal, shall be secured in the storage compartment of the vehicle.

24.0 Painting and Finishing

24.1 Exterior Paint

Surfaces shall be properly cleaned and primed, as appropriate for the paint used. All exterior surfaces shall be impervious to gasoline and commercial cleaning agents. The exterior of each coach shall be painted in a basic white or light cream color as furnished by the chassis manufacturer.

One or more horizontal reflective decal stripes shall encircle the vehicle immediately below the window line. Finished surfaces shall not be damaged by controlled applications of commonly used graffiti-removing chemicals.

24.2 Paint Scheme

Paint schemes and paint colors of the agencies receiving the vehicles will be furnished to the successful Vendor.

Each agency will have a logo and striping scheme. Each agency's logo and striping scheme will have at least 2 colors, with the possibility of up to 5 colors.

The Vendor shall stripe the vehicle with exterior reflective vinyl tape meeting DOT-C2 standards, which match the agency's logo and striping scheme.

When reflective tape and paint are used for the same color on one vehicle, they **Must Match** (example painting the bus skirt and using tape for stripes on the side of the vehicle must match)

26.0 Options26.1 **OPTION 2: VEHICLE ON-LINE INSPECTION SERVICES**

The vendor shall supply an outside on-line inspection service to perform transit bus line inspections and secondary in-plant quality Assurance services according to the Federal Transit Administration's 49CFR, Part 663 "Pre-Award and Post Delivery Audits of Rolling Stock Purchases".

The vendor shall perform the following: 1) Pre and Post Award Audits; 2) Pre-Inspection Activities; 3) In-Plant Quality Control; 4) Production (Start, Middle and Final) Line Inspections for each vehicle ordered, and; 5) Submit weekly, monthly production reports and the final vehicle built terminology report.

26.2 **OPTION 3: SECURITY CAMERA SYSTEM**

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.

Dear Mr. Whittaker,

National Bus Sales and Leasing, Inc. appreciates the opportunity to submit a bid for ADA compliant lowered floor minivan with manual ramp. We are quoting current model year Chevrolet Uplander/Braun Entervan's. National is listing the following exceptions or clarifications to the bid specs:

Page 9.4.1.2 Available Manuals: OEM Operators manual, OEM Service DVD, Braun Operators manual, wiring schematics

Page 9.4.1.4 Completely filled fuel tank will be the provided by National Bus Sales

Page 10.4.1.12 State of West Virginia Motor Vehicle inspection sticker will be provided by National Bus Sales

Page 27.24. TRAINING: Training will be provided by National Bus Sales.

Page 45.3.1 Option 1: Automatic Kneel System: This option is not available due to lack of available chassis with power doors from GM. Braun has ample inventory on GM chassis equipped with manual doors and manual ramp systems. The kneeling system is not available on the manual conversion nor is it needed to meet ADA requirements.

Page 49.20. Control Interlock: The ramp door is interlocked with the transmission only it is not interlocked with the emergency brake.

Page 50.21. Exhaust: The exhaust is stainless steel and exits from the rear of the vehicle.

Page 51 24 2 Paint Scheme: Will be provided by National Bus Sales.

Once again, National Bus Sales appreciates the opportunity to provide the transportation needs of the Division of Public Transit for West Virginia. If additional information is needed please contact us.

Sincerely,

A handwritten signature in black ink that reads "David Clawson" followed by a stylized flourish.

WARRANTY

□ In accordance with the GM 6 year/100,000 mile corrosion warranty, The Braun Corporation warrants to the purchaser of its Entervan conversion that the metal fabrication on or of the frame, floor and lowered door extension are free from defects in material and factory workmanship for a period of 6 years or 100,000 miles on the odometer, whichever occurs first. The Braun Corporation further warrants to the purchaser that the remainder of the modifica-

tions and alterations for associated parts are free from defects in material and workmanship for a period of 36 months or 36,000 miles, whichever comes first. For clarification purposes, the following chart outlines The Braun Corporation Entervan warranty coverage. Refer to your GM warranty information booklet for all GM OEM (factory) limited warranty details.

If corrosion does not cause holes, and is not the result of usage and/or environmental conditions, repair coverage lasts for 3 years or 36,000 miles, whichever comes first.</p>

WARRANTY

Both the 6 year/100,000 mile corrosion and the 3 year/36,000 mile warranties described on previous page commence on the date the conversion is put into service, providing the warranty registration card is completed and received by The Braun Corporation within thirty days of the purchase.

The Braun Corporation agrees to repair or replace any of its Entervan factory-installed parts found to be defective within the appropriate warranty period or mileage. This warranty also covers the cost of labor for the repair or replacement of said parts for one year provided that the repair is authorized by The Braun Corporation and carried out by an authorized service establishment (a Braun labor schedule determines the cost allowance for repairs). The Braun Corporation will not honor any warranty claim for repairs or replacement of parts unless the claim is submitted with the appropriate factory warranty authorization data and the repairs or replacement of the parts are completed by a factory-authorized repairman. The factory authorization data, together with the name and location of the factory-authorized repairman, can be obtained by

either-written or telephone contact with The Braun Corporation at the addresses appearing in this manual.

The return authorization procedure must be adhered to in order to process any warranty and repair claims (details on following page).

The Braun Corporation reserves the right to designate where any warranty work is to be performed.

The Braun Corporation also reserves the right to examine any defective workmanship or part prior to any authorization of necessary repairs. This Entervan warranty is not intended to replace or substitute any other warranties issued by the original manufacturer of the vehicle or other suppliers of components. This warranty shall not apply to any part or workmanship that may become defective due to misuse, neglect, accident or other casualty, modifications or alterations or unauthorized repairs. Further, this warranty shall not extend to parts or workmanship that may become defective because of the failure of

WARRANTY

anyone to operate the same in accordance with the printed instructions of The Braun Corporation or because of operation of the same beyond its capacity.

This warranty does not cover normal maintenance, service, or periodic adjustments necessitated by use or wear.

Second buyers of a Braun Entervan conversion may transfer the remaining warranty, if any, by obtaining a transfer of warranty application from The Braun Corporation. This application must be returned to The Braun Corporation within thirty days

from the date you purchase the vehicle and proof of the date of purchasing must be supplied with the transfer of warranty application. There will be a minimum warranty transfer fee.

The Braun Corporation shall not be liable for any incidental or consequential damages resulting from any breach of warranty.

The Braun Corporation shall not be liable for towing charges, travel and lodging, or any other expense incurred due to the loss of use of vehicle or other reason.

RETURN AUTHORIZATION PROCEDURE

When processing any warranty claims (parts, repairs, etc.), all requests must be processed through The Braun Corporation Product Support Department. Call 1-800-THE LIFT (extension 3009) during normal working hours. Product Support will issue a Return Material Authorization

(RMA) number and detail the procedures required for processing returns and/or authorizing credit.

The last eight digits of the vehicle identification number (VIN) must be provided when filing a warranty claim or ordering parts.

EXECUTIVE SUMMARY

The Braun Corporation of Winamac, Inc. submitted a model 2005 Chevy Uplander Entervan, gasoline-powered 6 seat (including the driver) 15-foot converted mini-van, for a 4-yr/100,000 mile STURAA test. Testing started on June 7, 2005 and was completed on August 19, 2005. The Check-In section of the report provides a description of the bus and specifies its major components.

The primary part of the test program is the Structural Durability Test, which also provides the information for the Maintainability and Reliability results. The Structural Durability Test was started on June 27, 2005 and was completed on August 10, 2005.

The interior of the bus is configured with seating for 6 passengers including the driver. Note: the test vehicle (converted mini-van) is not designed for standing passengers. At 150 lbs per person, this load results in a measured gross vehicle weight of 5,240 lbs. The first segment of the Structural Durability Test was performed with the bus loaded to a GVW of 5,240 lbs. The middle seated load segment was performed at the same 5,240 lbs and the final segment was performed at a curb weight of 4,350 lbs. Durability driving resulted in unscheduled maintenance and failures that involved a variety of subsystems. A description of failures, and a complete and detailed listing of scheduled and unscheduled maintenance is provided in the Maintainability section of this report.

Accessibility, in general, was adequate, components covered in Section 1.3 (Repair and/or Replacement of Selected Subsystems) along with all other components encountered during testing, were found to be readily accessible and no restrictions were noted.

The Reliability section compiles failures that occurred during Structural Durability Testing. Breakdowns are classified according to subsystems. The data in this section are arranged so that those subsystems with more frequent problems are apparent. The problems are also listed by class as defined in Section 2. The test bus encountered no Class 2 or Class 4 failures. The two Class 1 failures were the result of low pressure fuel line being used in a high pressure fuel line application. Of the seven reported failures, two were Class 1 and five were Class 3.

The Safety Test, (a double-lane change, obstacle avoidance test) was safely performed in both right-hand and left-hand directions up to a maximum test speed of 45 mph. The performance of the bus is illustrated by a speed vs. time plot. Acceleration and gradeability test data are provided in Section 4, Performance. The average time to obtain 50 mph was 15.81 seconds.

The Shakedown Test produced a maximum final loaded deflection of 0.094 inches with a permanent set ranging between -0.003 to 0.006 inches under a distributed static load of 2,250 lbs. The Distortion Test was completed with all subsystems, doors and escape mechanisms operating properly. No water leakage was observed throughout the test. All subsystems operated properly.

The submitted test vehicle had no tow eyes or tow hooks, therefore, the Static Towing Test was not performed. The Dynamic Towing Test was performed by winching the test vehicle onto a rollback flatbed tow vehicle. The towing interface was accomplished securing the test vehicle to the bed of the wrecker. The bus was towed without incident and no damage resulted from the test. The Jacking and Hoisting Tests were also performed without incident. The bus was found to be stable on the jack stands, and the minimum jacking clearance observed with a tire deflated was 3.6 inches.

A Fuel Economy Test was run on simulated central business district, arterial, and commuter courses. The results were 11.93 mpg, 15.01 mpg, and 24.44 mpg respectively; with an overall average of 15.00 mpg.

A series of Interior and Exterior Noise Tests was performed. These data are listed in Section 7.1 and 7.2 respectively.
