GENERAL TERMS & CONDITIONS
REQUEST FOR QUOTATION (RFQ) AND REQUEST FOR PROPOSAL (RFP)

1. Awards will be made in the best interest of the State of West Virginia.
2. The State may accept or reject in part, or in whole, any bid.
3. Prior to any award, the apparent successful vendor must be properly registered with the Purchasing Division and have paid the required \$125 fee.
4. All services performed or goods delivered under State Purchase Order/Contracts are to be continued for the term of the Purchase Order/Contracts, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise available for these services or goods this Purchase Order/Contract becomes void and of no effect after June 30.
5. Payment may only be made after the delivery and acceptance of goods or services.
6. Interest may be paid for late payment in accordance with the *West Virginia Code*.
7. Vendor preference will be granted upon written request in accordance with the *West Virginia Code*.
8. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.
9. The Director of Purchasing may cancel any Purchase Order/Contract upon 30 days written notice to the seller.
10. The laws of the State of West Virginia and the *Legislative Rules* of the Purchasing Division shall govern the purchasing process.
11. Any reference to automatic renewal is hereby deleted. The Contract may be renewed only upon mutual written agreement of the parties.
12. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, the State may deem this contract null and void, and terminate such contract without further order.
13. **HIPAA BUSINESS ASSOCIATE ADDENDUM:** The West Virginia State Government HIPAA Business Associate Addendum (BAA), approved by the Attorney General, is available online at www.state.wv.us/admin/purchase/vrc/hipaa.htm and is hereby made part of the agreement. Provided that the Agency meets the definition of a Cover Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
14. **CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>.
15. **LICENSING:** Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, and the West Virginia Insurance Commission. The vendor must provide all necessary releases to obtain information to enable the director or spending unit to verify that the vendor is licensed and in good standing with the above entities.
16. **ANTITRUST:** In submitting a bid to any agency for the State of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the State of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, or person or entity submitting a bid for the same material, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

INSTRUCTIONS TO BIDDERS

1. Use the quotation forms provided by the Purchasing Division. Complete all sections of the quotation form.
2. Items offered must be in compliance with the specifications. Any deviation from the specifications must be clearly indicated by the bidder. Alternates offered by the bidder as **EQUAL** to the specifications must be clearly defined. A bidder offering an alternate should attach complete specifications and literature to the bid. The Purchasing Division may waive minor deviations to specifications.
3. Unit prices shall prevail in case of discrepancy. All quotations are considered F.O.B. destination unless alternate shipping terms are clearly identified in the quotation.
4. All quotations must be delivered by the bidder to the office listed below prior to the date and time of the bid opening. Failure of the bidder to deliver the quotations on time will result in bid disqualifications: Department of Administration, Purchasing Division, 2019 Washington Street East, P.O. Box 50130, Charleston, WV 25305-0130
5. Communication during the solicitation, bid, evaluation or award periods, except through the Purchasing Division, is strictly prohibited (W.Va. C.S.R. §148-1-6.6).

Item No.	Quantity	Description	Unit Price	Amount
1	1.00	<p>THIS IS AN EQUIPMENT BID FOR THE PURCHASE OF A 7000 GALLON ASPHALT STORAGE TANK. COMPLETE WITH INSULATION, LADDER, AND SAFETY RAIL.</p> <p>ELECTRIC HEAT ELEMENTS WITH THERMOSTAT CONTROLS, LOADING HOSE, FLOAT GAUGE, STEEL SUPPORT PLATES, WIRING AT TANK, AND ALL OTHER EQUIPMENT LISTED ON THE ATTACHED STANDARD LIST, (ATTACHED SPECIFICATIONS 504-1-A INCLUDING:</p> <p>ELECTRIC DRIVEN MOTOR POWERING (2) PROPELLER AGITATOR WITH AUTOMATIC TIMER THAT CAN BE PROGRAMMED AS DESCRIBED ON THE STANDARD EQUIPMENT LIST.</p> <p>WV DOH TO PROVIDE CONCRETE PAD, ELECTRIC TO THE PAD, CRANE TO LIFT AND PLACE TANK, AND THE ASPHALT STORAGE TANK SHALL BE COMPLETELY SERVICED, ALL EQUIPMENT INSTALLED, AND ALL ADJUSTMENTS MADE WHICH ARE REQUIRED TO PREPARE THE UNIT READY FOR IMMEDIATE AND CONTINUOUS OPERATION UPON DELIVERY.</p> <p>ONE YEAR WARRANTY REQUIRED ON UNIT</p>		

PROCUREMENT SPECIFICATION NO. 504-1-A

1. NONCONFORMANCE TO SPECIFICATIONS

The bidder should conform to the specifications. Nonconformance with the proposal form and required information provisions of these specifications may be cause for rejection of the bid. Nonconformance of the successful bidder's performance, or nonconformance of the asphalt storage tank, may be cause of cancellation of the purchase agreement, rejection of the bid and bidder's proposal, return of the delivered unit and associated equipment to the bidder at no cost to the State of West Virginia, and recovery by the State of any payment to the bidder under the relevant purchase agreement.

II. IDENTIFICATION OF THE ASPHALT STORAGE TANK BEING PROPOSED

The bidder shall identify the asphalt storage tank by manufacturer, model, series, and year of manufacture in his proposal so as to enable identification by the West Virginia Division of Highways in the manufacturer's sales literature on the proposed asphalt storage tank. The bidder shall submit complete descriptive literature fully describing the proposed unit, to establish that he is bidding on the manufacturer's most current model, including latest engineering improvements, which have been, or shall imminently be, regularly advertised and sold on the open market. The description of the asphalt storage tank shall also be sufficient to assure the Division of Highways that specifications will be met without improvising, modifying or augmenting a basically standard horizontal asphalt storage tank beyond those variations contained in the manufacturer's regularly advertised specifications. The unit specified herein and offered in this quotation shall be manufactured after October 1, 2000, and clearly identified and marked with date of manufacture.

III. DELIVERY POINT AND DELIVERY SCHEDULE

Delivery of the asphalt storage tank shall be made within sixty (60) calendar days of the date of the purchase agreement by the successful bidder, to the West Virginia Division of Highways : Harrison County, Gore (US 19), West Virginia.

IV. PRE-SERVICE

The asphalt storage tank shall be completely serviced, all equipment installed and all adjustments made which are required to prepare the unit ready for immediate and continuous operation upon delivery.

V. PARTS AND SERVICE DISCOUNTS

The bidder should specify the amount of discount he will grant to the West Virginia Division of Highways, on parts and labor, for the second year the Division has the asphalt storage tank in operation. Discount on labor should be that allowed on the usual and normal shop rate charged to retail customers for the same type of work done. Discount on parts should be that percentage granted on manufacturer's list price.

Attn: John Johnston

Subj: Vertical Asphalt Emulsions Storage Tank RFQ 0410037
Bid Due March 10, 2010 at 1:30 PM

Dear Mr. Johnston:

We are pleased to offer the following described equipment for your consideration:

- 1 ETNYRE 7000 gallon Vertical Asphalt Emulsions Storage Tank complete with 8' diameter X 19' high 7000 gallon tank made of 1/4" carbon steel, 3" fiberglass insulation with aluminum jacketing, 7' high steel stand, ladder and safety rail to top of tank, (9) 800 watt electric heat strips with thermostat control (240 volt, 3 phase), (1) 3" steer level control ball valve for loading and (1) 3" check valve on inlet and drain line with thermo taped and insulation, 3" X 15' flexible steel loading hose with quick coupler at tank end, built-in float gauge, (2) two propeller agitators driven by 1 HP 220 volt 3 phase motor with automatic timer, 4" dial type temperature gauge, steel support plates, hooks for unloading and lifting tank, gravity feed, and all standard equipment, plus:
Process Heat Co. heat system - 12 K (230/60/1 electric heater as per your spec in lieu of standard heat strip system
Gate valve - 3", 2-way for drawing emulsion in and out
Vent - 2" in top of tank
WVDOH to provide concrete pad, electrical hook-up, crane to lift and place tank, and installation of tank and electrical to pad.

PRICE: F.O.B. Gore, WV.....\$56,990.00

Availability: Currently about 60-90 days

Please note that the previous three Etnyre 7000 gallon tanks that we have supplied the WVDOH were equipped with the standard heat strip system. The heating system specified and included in our price increases the cost of the tank by over \$10,000. We offer the tank as described above with standard heat strips in lieu of the specified heater tubes for \$46,900.00.

PROCUREMENT SPECIFICATION NO. 504-1-A

- H. Tank Openings to include the following:
1. One (1) 3 inch flanged opening with one (1) 3 inch two (2) way gate valve for drawing emulsion into and out of the tank.
 2. One (1) 18 inch diameter quick opening manhole.
 3. One (1) opening for thermometer.
 4. One (1) drywell for temperature controller.
 5. One (1) opening for electric tank heater.
- I. Electric Heater – Each tank shall be equipped with a 12 K (230/60/1) electric heater with:
1. Four (4) immersed heater tubes complete with adapter box and mounted NEMA XII gasketed control enclosure.
 2. One (2) 2-stage indicating thermostat.
 3. Two (2) magnetic contactors.
 4. One (1) on-off switch.
 5. One (1) control circuit transformer.
 6. One (1) 4" dial gauge thermometer.
 7. All wiring and assembly shall be furnished complete.
 8. Unit shall be equipped with a 2" vent located on top of tank.
- J. Each tank shall be tested by filling completely with water.
- K. Each tank shall be equipped with an OSHA caged ladder.
- L. Each tank shall have handrail located around the manhole on three sides and attached to the ladder of each tank.

Page 2.

Please note that, as required by law, we are registered with the West Virginia Dept. of Tax and Revenue (ID # 1038-0884) and Secretary of State and current with all taxes and license fees.

We qualify for and request the West Virginia Resident Vendor Preference in accordance with West Virginia Code 5A-3-37 and we have completed your Vendor Preference form. Our State of West Virginia Vendor ID Number is 709051756.

Thank you very much for your consideration. If you have any questions or need any additional information, please feel free to call me on our toll free number, 1 800 640-8245, at any time. We also invite you to visit us at www.wvtractor.com. Again, thanks.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary W. Grady". The signature is written in a cursive, flowing style.

Gary W. Grady, President

ETNYRE Vertical Tanks for Modified Asphalt Emulsions Storage

- 7000 gallon capacity
- Gravity discharge
- Insulated and jacketed.
- Fully automatic electric heat controls.
- Electric driven emulsion agitation system.
- Safety access ladder and top platform.
- Optional electric pumping system (load - unload).

Ideal asphalt emulsion storage system for filling smaller street patcher and maintenance type units.

General Description

Standard Gravity Storage Tank

Storage Tank with Optional Pump

SPECIFICATIONS 7000 Gallon Tanks (gravity flow)

STANDARD EQUIPMENT

1. 7000 gallon tank 8'-0" diameter by approximately 19' high.
2. Made from 1/4" carbon steel.
3. Tank insulated with 3" fiberglass and covered with aluminum jacketing for all weather protection, including bottom and top.
4. Tank erected on and attached to steel stand to place bottom of tank 7'-0" above ground, 3'-0" above ground with option "A" (pump).
5. Equipped with ladder and safety rail to provide access to door on top of tank. Ladder is enclosed to meet OSHA specifications as shown on plans.
6. Equipped with a minimum of nine (9) 800 watt electric heat strips (7,200 watt total), (220 volts), attached to the outside bottom of tank as shown on plans. Thermostat control 240 volt single or 3 phase. All tanks must have the ability to maintain a temperature of 160° F. when the outside temperature is a negative 10° F.
7. Equipped with one (1) 3" steer lever control ball valve for loading and one (1) 3" check valve on inlet and drain line. All are to be thermo taped and insulated.
8. Loading hose 3" diameter and 12' long flexible steel with quick coupler at tank end.
9. Built-in float gauge for measuring liquid, reading both English and Metric.
10. Equipped with electric driven motor 1 HP single or 3 phase 220 volt, two (2) bladed agitator, RPM designed for agitation emulsions, with automatic timer capable of agitating from 5 to 30 minutes, in one minute increments, at set times on any given day of the week.
11. One (1) temperature gauge, 4" dial type 50° F. to 200° minimum.
12. Concrete pad and steel support plates to be constructed by customer as per attached plans. Customer will be responsible for required welding to foundation pads.
13. Wiring from storage tank control boxes to power supply to be done by customer.
14. All plumbing to be done by vendor.
15. One (1) 110 volt G.F.I. plug.
16. Vendor will construct sufficient hooks on the tank for unloading and lifting onto pad. Cranes for doing this will be provided by customer. Vendor must notify customer 48 hours prior to delivery.
17. Customer will provide welder to weld legs to lag plates on pads as directed by contractor.
18. Tanks and structures must meet all applicable Federal And State codes including electrical components and wind velocity requirements. Successful bidder shall certify that tanks and structures meet such laws & codes.
19. Tank and all attachments to have a one (1) year warranty from date of operation.

OPTIONAL EQUIPMENT

- 1A. Equipped with an electric 220 volt three phase motor 10 H.P. and 3" reversible 200 gallon per minute pump system designed to pump emulsion, mounted on stand with a 3" lever ball valve between pump and tank. For loading and unloading the storage tank. *Not Required for circulating emulsions.*
 - 2A. Special lo-density tube type heaters (in lieu of standard heat strips) for hot 350°F/400F asphalt.
- 26KW "Unitized Heater Kit". The heater tubes will be made of 3" Sch 40 black iron pipe. The tubes will be mounted through the side of the tank and include a heavy duty terminal box. The open coil elements will be designed to operate on 240/480 volt. 3 or 1 phase power (specify when ordering). The elements will be removable from the tank without draining (dry well type). This heater kit is sized for heating a 7,000 gallon asphalt storage tank. Will maintain a temperature of 400°F when the outside temperature is a negative 10°F. (For use with AC type hot asphalt).

- Built-in float gauge for measuring liquid, reading both English and Metric.
- Equipped with electric driven motor 1 HP single or 3 phase 220 volt, two (2) bladed agitator, RPM designed for agitation emulsions, with automatic timer capable of agitating from 5 to 30 minutes, in one minute increments, at set times on any given day of the week.
- One (1) temperature gauge, 4" dial type 50° F. to 200° minimum.
- Concrete pad and steel support plates to be constructed by customer as per attached plans.
- Customer will be responsible for required welding to foundation pads.
- Wiring from storage tank control boxes to power supply to be done by customer.
- All plumbing to be done by vendor.
- One (1) 110 volt G.F.I. plug.
- Vendor will construct sufficient hooks on the tank for unloading and lifting onto pad. Cranes for doing this will be provided by customer. Vendor must notify customer 48 hours prior to delivery.
- Customer will provide welder to weld legs to lag plates on pads as directed by contractor.
- Tanks and structures must meet all applicable Federal And State codes including electrical components and wind velocity requirements. Successful bidder shall certify that tanks and structures meet such laws & codes.
- Tank and all attachments to have a one (1) year warranty from date of operation.

OPTIONAL EQUIPMENT

1. Equipped with an electric 220 volt three phase motor 10 H.P. and 3" reversible 200 gallon per minute pump system designed to pump emulsion, mounted on stand with a 3" lever ball valve between pump and tank. For loading and unloading the storage tank. Not Required for circulating emulsions.
2. Special lo-density tube type heaters (in lieu of standard heat strips) for hot 350°F/400F asphalt.
3. 26KW "Unitized Heater Kit". The heater tubes will be made of 3" Sch 40 black iron pipe. The tubes will be mounted through the side of the tank and include a heavy duty terminal box. The open coil elements will be designed to operate on 240/480 volt. 3 or 1 phase power (specify when ordering). The elements will be removable from the tank without draining (dry well type). This heater kit is sized for heating a 7,000 gallon asphalt storage tank. Will maintain a temperature of 400°F when the outside temperature is a negative 10°F. (For use with AC type hot asphalt).

WARRANTY

E.D. Etnyre & Co. warrants to the original Purchaser, it's new product to be free from defects in material and workmanship for a period of twelve (12) months after date of delivery to original Purchaser. The obligation of the Company is limited to repairing or replacing any defective part returned to the Company and will not be responsible for consequential damages or any further loss by reason of such defect.

The company excludes all implied warranties of merchantability and fitness for a particular purpose. There are no warranties, express or implied, which extend beyond the description of the goods contained in this contract.

This warranty does not obligate the Company to bear the cost of machine transportation in connection with the replacement or repair of defective parts, nor does it guarantee repair or replacement of any parts on which unauthorized repairs or alterations have been made or for components not manufactured by the Company except to the extent of the warranty given by the original Manufacturer.

This warranty does not apply to:

- (1) Normal start-up services, normal maintenance services or adjustments usually performed by the selling dealer, factory service representative or customer personnel.
- (2) Any product manufactured by E.D. Etnyre & Co. purchased or subjected to rental use.
- (3) Any product or part thereof which shows improper operation, improper maintenance, abuse, neglect, damage or modification after shipment from factory.
- (4) Any product or part thereof damaged or lost in shipment. Inspection for damage should be made before acceptance or signing any delivery documents releasing responsibility of the delivering carrier.

This warranty and foregoing obligations are in lieu of all other obligations and liabilities including negligence and all warranties of merchantability or otherwise, express or implied in fact or by law.

CERTIFICATE OF AUTHORIZATION

This certificate accredits the named company as authorized to use the indicated symbol of the American Society of Mechanical Engineers (ASME) for the scope of activity shown below in accordance with the applicable rules of the ASME Boiler and Pressure Vessel Code. The use of the Code symbol and the authority granted by this Certificate of Authorization are subject to the provisions of the agreement set forth in the application. Any construction stamped with this symbol shall have been built strictly in accordance with the provisions of the ASME Boiler and Pressure Vessel Code.

COMPANY:

Director, Accreditation and Certification

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

- 1. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, X Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked: X Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked: X Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
