Mr Austin:
We are not submitting a bid for this job.
While it is our fault that we lost site of
the deadline. (we have several quotes we are
working on this week), our problem lies in getting
a bid bond on such short notice. Our Bank was
willing to do the Letter of Credit but they must be
approved by committee. The Bank also commented
that a LoC for so small a bid is unusual.
Please keep us in mind for future bids.
