West Virginia Division of Highways Work Boot Specifications

Purpose

The West Virginia Division of Highways, "DOH", is soliciting quotations for a blanket open-end, catalog-based contract to provide various types and styles of work boots for male and female employees throughout the State. This contract shall also be available for use by other state agencies and political subdivisions within the State.

All terms and conditions in the written specifications are absolute and compliance will not be waived or negotiated. Vendors must comply with all mandatory requirements. Mandatory terms are indicated by the use of the terms "*shall, will, must, maximum or minimum*".

Questions will be answered by formal addendum.

Scope/Requirements

1. The following is a listing of the State Districts that will be covered by this contract:

District 1:	Boone, Clay, Kanawha, Mason and Putman Counties
District 2:	Cabell, Lincoln, Logan, Mingo & Wayne Counties
District 3:	Calhoun, Jackson, Pleasants, Ritchie, Roane, Wirt & Wood Counties
District 4:	Doddridge, Harrison, Marion, Monongalia, Preston & Taylor Counties
District 5:	Berkeley, Grant, Hampshire, Hardy, Jefferson, Mineral & Morgan Counties
District 6:	Brooke, Hancock, Marshall, Ohio, Tyler & Wetzel Counties

District 9:	Fayette, Greenbrier, Monroe, Nicholas & Summers Counties
District 10:	McDowell, Mercer, Raleigh & Wyoming Counties

2. DOH will provide one (1) pair of work boots annually for eligible employees. Accordingly, it is anticipated that approximately 3,000 pairs of work boots will be ordered annually under this contract. The provision of work boots to eligible employees is a new program. There is no usage history available. DOH is preparing written policies and procedures for employees' use of the contract. DOH reserves the right to reject catalog line items determined to be excessive in cost or that do not fall within the parameters of the work boot program.
3. Within the ten (10) Districts, it is anticipated there will be approximately fifteen (15) location sites authorized to place orders, which will be placed by District/Division Storekeepers. Following the initial order from each order location, it is the intent of the DOH to limit orders to a quarterly basis. However, DOH reserves the right to adjust the order frequency as needed.
4. The following boot types must be available for men and woman, in all sizes, and must be water proof or water resistant:
 - a. Safety Toe
 - b. Non-Safety Toe

6. It is the intention of the DOH to award a single contract which shall be awarded to the vendor providing the most complete, lowest overall cost based on the pricing scenario in the attached Bid Form. The contract shall

be for a one (1) year period with the possibility of two (2), one (1) year renewals.

7. Vendors may base bids on existing catalogs containing multiple manufacturer products or multiple catalogs by manufacturer will also be accepted. Internet catalogs must be submitted in paper format. It is preferred that the catalog or catalogs be submitted with the bid. Vendors failing to provide catalogs within the time allotted by the Purchasing Division upon written notification shall be disqualified.
8. Bid prices shall be a discount from list. The DOH will accept varying discounts by manufacturer only. Discounts shall apply to all products offered by each manufacturer contained in the catalog. The attached Bid Form contains nine (9) line items which are representative of boot styles that may be ordered. The purpose is to provide a means by which bids can be evaluated. The actual boots that will be ordered over the life of the contract will vary depending on each employee's work needs and preferences. Varying discounts by manufacturer will not be accepted and shall be rejected. All discounts must be specifically stated on the attached Bid Form and must be firm for the life of the contract. In accordance with §148-1-4, 4.5 of the Code of State Rules, the DOH reserves the right to reject any bid in whole or in part. Accordingly, manufacturer discounts that are determined by the DOH to be unacceptable may be rejected at the discretion of the DOH.
9. The catalog/price list may be updated at the time of contract renewal only. If the DOH extends the offer to renew and new catalog/pricing lists have significant price increases, the DOH may decline and rebid the contract accordingly.
10. The successful vendor shall provide catalogs/price lists, at no charge or cost to the State, upon request to any state agency or political subdivision choosing to piggyback this contract throughout the contract duration.
11. Orders in excess of fifty (50) pairs shall be delivered within thirty (30) business days from receipt of the order. Orders fewer than fifty (50) pairs shall be delivered within 7 business days from receipt of order. All deliveries shall be FOB destination, freight prepaid.
12. Vendors shall not impose a minimum order quantity. Bid responses containing minimum order quantities or other terms and conditions not specified herein shall be immediately disqualified.
13. Bidders must be a manufacturer or a regular stocking, licensed dealer for the products offered at the time of bid.

14. Vendors shall carry or have access to an adequate stock to insure such delivery service for the duration of the contract. In the event an item is unavailable at the time of order, the vendor must contact the DOH immediately upon receipt of the order. Another comparable selection will be made and the order shall be resubmitted accordingly. Excessive out of stock and back orders will not be tolerated and may result in cancellation of the contract.
15. All deliveries must be made during normal working hours for the delivery location. All orders (including back orders) shall not be invoiced until the actual item is delivered. Agencies shall have 30 days in which to return un-opened/un-used items at no charge. Normal returns may be done during a future delivery from the vendor. Agencies may request non-ordered items to be picked up within five days of delivery, even if there are no deliveries within this five-day time frame. Vendor must send a packing slip in each order.
16. Successful vendor must be able to accept orders via phone, fax, internet, USPS.
17. Credits must be handled quickly and efficiently, promptly replacing incorrect items and processing credits in a timely manner.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
