Addendum #1 - Questions During Pre-Bid Meeting

For DEP 14961

Meadowlane Mine Drainage

The following comments and questions were identified from the Pre-Bid Conference. The answers provided herein take precedence over verbal answers at the PBC should there be any conflict between the two.

Comments:

1. The preferred access will be through the disposal site. This will provide access to the primary work area without causing damage to the existing driveway by the main house. The Asphalt Paving pay item will be used to make any repairs that are necessary to the new access road coming off of US Rt 250.
2. The lawn area where the underdrain system is to be installed will need to be hand raked. This will be required for any disturbance below the tree line of the waste disposal area.

Questions:

1. Q. Is the trench depth going to be as deep as 16' at some points on the underdrain?
A. Yes. The outer section next to US Rt 250 has some deep cuts. You can lay the material back but the trench may still require a trench box to ensure the workers safety.
2. Q. Is the intent of the underdrain depth to get below the basement floor?
A. Yes. We want to make sure no water can get to the basement area of the house.
3. Q. Does the property owner of the disposal site want the trees?
A. Yes. All trees 8" and over must be stockpiled for the property owner. (*8" diameter*)
4. Q. Can we put any material on the upper bench below the disposal area?
A. No. All excess material must go in the disposal site.
5. Q. Is there B&O tax required on this project?
A. Yes. It is in the city limits of Fairmont.
6. Q. Is the 40 mil liner to be seamed or can it be overlapped?
A. It must be seamed. We want the barrier to be water tight.

The Contractor shall have 90 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250.00 per day liquidated damages clause will be in effect after the 90 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
