Charleston, WV 25305-0130

On behalf of Horizon Software International, LLC, I am submitting this response to your RFP for a National School Lunch Program Point of Service Software Program. The Horizon team is excited about the opportunity to work with your progressive state.

Horizon is uniquely qualified to provide the State of West Virginia with a state-of-the-art food service management system. Likewise the Horizon team has the resources to efficiently and professionally implement the system according to the state's needs and time lines.

We have assessed the state's needs and this proposal reflects the technology and options Horizon feels will best serve to provide the accountability, financial reporting and operational efficiency to effectively manage the state's food service operation. We appreciate the invitation to participate in this process. If Horizon is selected as the vendor of choice, be assured that we will provide only the highest standard of quality products and services offered anywhere, at fair and reasonable prices.

If questions arise, we will be glad to answer them and provide an on-site demonstration at your earliest convenience.

Sincerely,

Michael Williamson  
President
