WHEN RESPONDING TO RFQ, INSERT NAME AND ADDRESS IN SPACE ABOVE LABELED 'VENDOR'

**Purpose:** To obtain a contractor to provide Transcription and decision typing services to the West Virginia Workers' Compensation Office of Judges.

**OPERATING ENVIRONMENT:**

**Location:** Agency is located at One Players Club Drive, Charleston, WV 25311.

**Background:** The Workers' Compensation Office of Judges conducts hearings, receives and weighs evidence and arguments and then issues written decisions in appeals from initial claim management decisions made by insurance carriers or by self-insured employers or their agents. Transcription and decision typing services are needed in order to process pending appeals in a timely manner.

**PROCUREMENT SPECIFICATIONS**

**1) General Requirements of the Vendor:**

- a) Vendor is to provide professional transcription services to the Workers' Compensation Office of Judges.
- b) The successful vendor will transcribe, from cassette tapes, hearings conducted by the Office of Judges regarding disputed Workers' Compensation claims.
- c) The successful vendor will provide a system allowing for Office of Judges employees to dictate decisions or orders via the telephone or other electronic transmission system and typing these documents within required time periods.
- d) The successful vendor shall have the ability to securely transfer electronically the transcribed documents to Office of Judges for printing at their location.

**2) Scope of Work:**

- a) Decisions/Orders from Cassette Tapes – The successful vendor will transcribe decisions/orders from cassette tapes if telephone communication or other electronic means is unavailable due to malfunction of equipment. If vendor's equipment malfunctions, it must be repaired within a maximum of three (3) working days. The cassettes shall be delivered via U. S. Mail to the successful vendor at the mailing address specified by the vendor, unless other arrangements are mutually agreed to by the vendor and the Office of Judges. It is also a requirement that the vendor be available for in-person pick-up of cassettes at One Players Club Drive, Charleston, West Virginia.
- b) Searchable Data Base Program – It is the desire of the Office of Judges for the vendor to provide and maintain a searchable database program of all decisions and transcripts available on either Boolean or natural language search which will produce a listing of all files having the search criteria, as well as a highlighted display of the searched words with the file. For example, all the transcripts with the words "fatal" and "cardiac" will be listed in a directory-style listing and the transcripts will come up one at a time with the keywords fatal and cardiac highlighted every time they appear in each document.

- c) Electronic Transfer of Documents – The vendor must have the ability to electronically mail decisions/transcripts to Office of Judges in a format compatible with the Office of Judges software. Currently Word is being used but it will soon be upgraded to Word 2007.

The vendor must have the ability to electronically mail the typed decisions/orders to the electronic mail address provided by the Office of Judges for printing at the local site within 48 hours of receiving the dictation. For example, a decision dictated by 5:00 p.m. on Friday, must be transcribed and returned to the Office of Judges no later than 5:00 p.m. on Tuesday. The vendor selected must indicate the security in place for electronic transfer of information. The vendor must accommodate the requirement of the Office of Judges to prioritize the order in which the dictations of decisions are typed.

The successful vendor will retain a “copy” of the electronically transmitted documents for a 45-day period. The successful vendor will provide to the Office of Judges the previous month’s transcription of decisions/orders on a mass magnetic storage device (such as a compact disc) within ten (10) days of the end of each month.

If electronic mail is unavailable for a 24-hour period, the successful vendor shall deliver the transcribed decisions/orders to the Office of Judges by magnetic mass storage device (such as a compact disc).

- d) Confidentiality – The successful vendor agrees to keep all dictation of decisions/orders, and storage of those decisions/orders confidential and as secure as possible.
- e) Accuracy – The quality of the decisions/orders/transcripts shall be subject to a quality review by the Office of Judges. If the quality of the documents falls below 95% accuracy or if there is a consistent loss of dictation material (either to or from the Office of Judges and the successful vendor) the contract may be terminated as defined in section I of this RFQ. The Office of Judges considers three or more errors per page of typed decision/order/transcript to exceed an acceptable level. This includes typing, grammar and English context or spelling errors. If the vendor fails to cure and the contract is terminated, all work in progress shall be delivered to the Office of Judges.

### 3) Project:

- a) Transcribing of Hearings – The Office of Judges conducts hearings that are recorded on cassette tape to be transcribed. These include (but may not be limited to) evidentiary hearings, occupational pneumoconiosis board hearings, final permanent total disability hearings and other assigned types of hearings. The specific number of hearings held varies from month to month. The Office of Judges estimates 70 hearings recorded on cassette to be transcribed per month.

Transcripts shall be typed in the following manner:

- The first page shall have 1" margin at top.
- All subsequent pages shall have header on line 5 leaving 5/8" margin at top. All pages shall have 1" margin on left and 5/8" margin on the right side.
- Single spacing Questions and Answers format.
- Arial 12 point Font type size.
- Index of Direct, Cross, Redirect, Recross, etc. on second page.
- Certification on last page
- Header with claimant name and claim number
- The first typing line is line 8 on all pages after first and end on line 59 leaving 51 typing lines on page.

The completed transcripts shall be printed on 8.5" by 11", 20# White bond as "mini-pages" using four-to-a-page compatible with existing MS Word 2003 and MS Word 2007.

- b) Typing of Decisions/Orders – The Office of Judges has approximately 20 individuals reviewing claim files and dictating decisions. These decisions vary in length from 2 pages to as many as 18 pages. A "typical" decision is 5 – 7 pages. The Office of Judges issues approximately 375 decisions per month.

Decisions shall be typed in the following manner:

- The first page shall have 1" margin.
- All subsequent pages shall have header on line 5 leaving 5/8" margin at top. All pages shall have 1" margin on left-hand side and a 3/4" margin on the right hand side of each page.
- The first typing line on page 1 is "7" and shall end at approximately "59", for 52 typing lines on page 1.
- All subsequent pages shall begin on line "8" and end approximately on line "59" leaving 51 typing lines per page.
- Single space with appropriate paragraphing.
- Arial 12 point Font type size.

"Standard" decisions are attached to this RFQ for the Office of Judges (**Attachment A**) to show the form of the respective decisions/orders.

The persons dictating the decisions/orders will reference certain preformatted language. The Office of Judges uses approximately 55 of the preformatted "paragraphs". The Office of Judges will update and change the preformatted language as necessary.

The successful bidder must provide toll-free receipt of the dictation of decisions/orders by employees of Office of Judges from locations in Charleston, Beckley, and Fairmont, West Virginia via the telephone and such other electronic communication means as is compatible with the Dictaphone Enterprise System.

The vendor must have the ability to accommodate the possibility that all decisions/orders writers may be dictating simultaneously. All cost necessary to accommodate this level of dictation, is a cost of doing business with the agency similar to all other overhead and must be calculated within the vendor's price/cost per page quotation.

**4) General Terms and Conditions:**

By signing and submitting their proposal, the successful Vendor agrees to be bound by all the terms and requirements contained in this RFQ.

a. *Conflict of Interest:*

Vendor affirms that it, its officers or members or employees presently have no interest and shall not acquire any interest, direct or indirect, which would conflict or compromise in any manner or degree with the performance or its services hereunder. The Vendor further covenants that in the performance of the contract, the Vendor shall periodically inquire of its officers, members and employees concerning such interests. Any such interests discovered shall be promptly presented in detail to the Agency.

b. *Prohibition Against Gratuities:*

Vendor warrants that it has not employed any company or person other than a bona fide employee working solely for the vendor or a company regularly employed as its marketing agent to solicit or secure the contract and that it has not paid or agreed to pay any company or person any fee, commission, percentage, brokerage fee, gifts or any other consideration contingent upon or resulting from the award of the contract.

For breach or violation of this warranty, the State shall have the right to annul this contract without liability at its discretion or to pursue any other remedies available under this contract or by law.

c. *Certifications Related to Lobbying:*

Vendor certifies that no federal appropriated funds have been paid or will be paid, by or on behalf of the company or an employee thereof, to any person for purposes of influencing or attempting to influence an officer or employee of any Federal entity, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee or any agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with this Federal contract, grant,

loan or cooperative agreement, the Vendor shall complete and submit a disclosure form to report the lobbying.

Vendor agrees that this language of certification shall be included in the award documents for all sub-awards at all tiers, including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements, and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this contract was made and entered into.

d. *Vendor Relationship:*

The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by the parties to this contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents.

Vendor shall be responsible for selecting, supervising and compensating any and all individuals employed pursuant to the terms of this RFQ and resulting contract. Neither the Vendor, nor any employees or contractors of the vendor, shall be deemed to be employees of the State for any purposes whatsoever.

Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, and licensing fees, etc. and the filing of all necessary documents, forms and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including but not limited to the foregoing payments, withholdings, contributions, taxes, social security taxes and employer income tax returns.

The Vendor shall not assign, convey, transfer or delegate any of its responsibilities and obligations under this contract to any person, corporation, partnership, association or entity without expressed written consent of the Agency.

e. *Indemnification:*

The Vendor agrees to indemnify, defend and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person or firm performing or supplying services, materials or supplies in connection with the performance of the contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication,

translation, reproduction, delivery, performance, use or disposition of any data used under the contract in a manner not authorized by the contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees or subcontractors to observe State and Federal laws, including but not limited to labor and wage laws.

f. *Contract Provisions:*

After the successful Vendor is selected, a formal contract document will be executed between the State and the Vendor. In addition, the RFQ and the Vendor's response will be included as part of the contract by reference. The order of precedence is the contract, the RFQ and the Vendor's proposal in response to the RFQ.

g. *Governing Law:*

This contract shall be governed by the laws of the State of West Virginia. The Vendor further agrees to comply with the Civil Rights Act of 1964 and all other applicable laws and regulations, Federal, State and Local Government.

h. *Compliance with Laws and Regulations:*

The vendor shall procure all necessary permits and licenses to comply with all applicable laws, Federal, State or municipal, along with all regulations, and ordinances of any regulating body.

The Vendor shall pay any applicable sales, use or personal property taxes arising out of this contract and the transactions contemplated thereby. Any other taxes levied upon this contract, the transaction, or the equipment, or services delivered pursuant here to shall be borne by the contractor. It is clearly understood that the State of West Virginia is exempt from any taxes regarding performance of the scope of work of this contract.

i. *Subcontracts/Joint Ventures:*

The Vendor is solely responsible for all work performed under the contract and shall assume prime contractor responsibility for all services offered and products to be delivered under the terms of this contract. The State will consider the Vendor to be the sole point of contact with regard to all contractual matters. The Vendor may, with the prior written consent of the State, enter into written subcontracts for performance of work under this contract; however, the vendor is totally responsible for payment of all subcontractors.

j. *Term of Contract & Renewals:*

This contract will be effective (date set upon award) and shall extend for the period of one (1) year, at which time the contract may, upon mutual consent, be renewed. Such renewals are for a period of up to one (1) year, with a maximum of two (2) one year renewals, or until such reasonable time thereafter as is necessary to obtain a new contract. The "reasonable time" period shall not exceed twelve (12) months. During the "reasonable time" period Vendor may terminate the contract for

any reason upon giving the Agency ninety (90) days written notice. Notice by Vendor of intent to terminate will not relieve Vendor of the obligation to continue to provide services pursuant to the terms of the contract.

Any change in Federal or State law, or court actions which constitute binding precedent in West Virginia, and which significantly alters the Vendor's required activities or any change in the availability of funds, shall be viewed as binding and shall warrant good faith renegotiation of the compensation paid to the Vendor by the Agency and of such other provisions of the contract that are affected. If such renegotiation proves unsuccessful, the contract may be terminated by the State upon written notice to the Vendor at least thirty (30) days prior to termination of this contract.

k. *Non-Appropriation of Funds:*

If the Agency is not allotted funds in any succeeding fiscal year for the continued use of the service covered by this contract by the West Virginia Legislature, the Agency may terminate the contract at the end of the affected current fiscal period without further charge or penalty. The Agency shall give the vendor written notice of such non-allocation of funds as soon as possible after the Agency receives notice. No penalty shall accrue to the Agency in the event this provision is exercised.

l. *Contract Termination:*

The State may terminate any contract resulting from this RFQ immediately at any time the Vendor fails to carry out its responsibilities or to make substantial progress under the terms of this RFQ and resulting contract. The State shall provide the Vendor with advance notice of performance conditions which are endangering the contract's continuation. If after such notice the Vendor fails to remedy the conditions contained in the notice, within the time period contained in the notice, the State shall issue the Vendor an order to cease and desist any and all work immediately. The State shall be obligated only for services rendered and accepted prior to the date of the notice of termination.

The contract may also be terminated by the State with thirty (30) days prior notice.

m. *Changes:*

If changes to the original contract become necessary, a formal contract change order will be negotiated by the State, the Agency and the Vendor, to address changes to the terms and conditions, costs of work included under the contract. An approved contract change order is defined as one approved by the Purchasing Division and approved as to form by the West Virginia Attorney General's Office, encumbered and placed in the U.S. Mail prior to the effective date of such amendment.
