**DEFINITIONS:**

"Debtor" means any individual, corporation, partnership, association, Limited Liability Company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

**EXCEPTION:** The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

		<p>Implanon is a contraceptive that is an implant. The implant is a small plastic rod containing the hormone etonogestral and it is inserted just underneath the skin of the upper inner arm and provides protection against pregnancy for three years it is left in place. To prevent pregnancy, Implanon stops ovulation (release of the egg from the ovary) and thins out the lining of the uterus, thus the egg will not be able to implant and grow. Implanon also makes the cervical mucus at the entrance to the uterus thicker so that sperm have a difficult time getting through to fertilize the egg.
