Specifications

The purchasing division is soliciting bids for a blanket open-end statewide contract for interior latex paint, exterior latex paint, oil base paints/stains, polyurethane/varnish and painting supplies. This contract shall cover all West Virginia state agencies and political subdivisions.

Mandatory Pre-Bid Meeting

A mandatory pre-bid meeting shall be held on Thursday, December 3, 2009 at 11:00 a.m. at 2019 Washington Street, East, Charleston, West Virginia 25305. (Building 15 at the Capitol Complex) Vendors wishing to bid on this request for quotation must be represented at this meeting. Failure to attend shall automatically disqualify vendor. No one person can represent more than one bidder.

Prices must be entered on the attached pricing sheet. Bidders must enter the brand and product identification number they are bidding for each item. All prices bid shall be delivered pricing, including all delivery. If possible, we request these price sheets be typed. This document is a Microsoft excel document and will be made available electronically after the mandatory pre-bid.

All prices are firm for one full year from date of award. At renewal, vendor may request exact substantiated price increases. Actual increase of any item shall be limited to the actual increase amount documented by the manufacturer.

If any reference to additional terms and conditions are included in any bid, they are null and void. Any contract resulting from this request for quotation shall be governed solely by the terms and conditions of the request for quotation.

In an effort to meet the various needs of the users, various quality paints and supplies are included in this request for quotation. In an effort to make an adequate comparison, the volume solids are listed for each paint item. The volume solids may be + or - 2%. Additionally, each product bid must meet the theoretical coverage per gallon (square feet) "required dry film thickness per coat" of two mils. For the bidder's convenience, this theoretical coverage chart is included. Each bidder is required to sign the bid verification at the end of the pricing schedule. This verification certifies, under penalty for fraud, that the items bid meet all specifications as outlined. No award shall be made until this signed certification has been received.

Where applicable, the items are listed as "C", "P", or "B". This is a quality designation. "C" is a contractor quality; "P" is a professional, better quality, and "B" is the best premium paint.

All prices quoted must be F.O.B. destination to the agency location. Minimum shipping amount for free delivery shall be \$100.00.

Delivery

All products ordered from this contract must be delivered within five (5) working days after receipt of order.

Selected vendor must accept orders by telephone, facsimile, or in paper form.

This contract is mandatory for use for all orders in excess of \$100.00. Orders of less than \$100.00 may be purchased from any local source to eliminate delivery charges, if such local delivered purchase results in a savings. "Stringing" (issuing a series of requisitions or purchase orders to circumvent this limit) is a violation of Purchasing policy.

The successful contractor shall supply color charts to all agencies as requested. The vendor shall maintain an adequate supply of color charts on hand to supply agency needs. Failure to provide the requested color charts as required shall be grounds to cancel the contract.

Questions

Written questions will be accepted through close of business (5:00 p.m. EST) on Tuesday, December 1, 2009. Written questions may be sent via E-mail (preferred), USPS, Fax, courier or hand delivered. Send your questions to:

STATE OF WEST VIRGINIA
RFQ # PAINT10

Dear Madam or Sir:

This bid includes products manufactured by the company formerly known as ICI Paints. We would like to inform you of some changes to the names of the products included in this bid, which will occur during the course of this painting project.

Imperial Chemical Industries PLC (of which ICI Paints was a part) was acquired by Akzo Nobel NV in January 2008 to create the largest paint and coatings company in the world. Here in the US, the elimination of the ICI Paints brand gives us the opportunity to review our portfolio and to ensure that the way the products and stores are presented best reflects the needs of the professional paint market. Accordingly, in February of 2010, we will be moving our architectural product lines under the new brand of Glidden Professional™ paints and also rebranding our stores as Glidden Professional Paint Centers.

We are excited about this transformation of our business; we trust that you agree that solidifying our Trade Business under this well-respected brand will be a positive move for our customers.

Some key facts about the transition and how it may affect this bid submission:

- **Our products are not changing, just the label.**
 - We will be changing the design of the label and/or names of our products.
 - Core product formulations and product codes will **not change**.
 - As an example, the current *Dulux® Lifemaster®* paint will soon become *Glidden Professional™ Lifemaster® No VOC* paint.

As we get closer to launch, we will be sharing the full plan for the new brand of Glidden Professional paint; until then, we'd like you to remember that we are:

- Solely focused on the Trade customer, not the needs of a DIYer.
- Confident we'll have the best service proposition in the industry through our distribution network (including Authorized Dealers).
- Relentless in developing our pro-focused product portfolio.
- Constantly striving to launch innovative solutions to help our customers reduce their environmental impact.

When you think about the needs of your business today and you see the challenges you will face in the future, we'd want you to look to us as the partner who understands the issues and will deliver the best solution.

We'll be there to help you along the way.

Yours faithfully,

Stephen J. Whitaker
