TO PROVIDE TEMPORARY TRAFFIC SIGNAL SYSTEM FOR PROJECT S308-16-14.78, HARTLAND BRIDGE IN CLAY COUNTY

SPECIFICATIONS

COST INCLUDES:

- 1. Installation and maintenance of temporary portable traffic light system to restrict traffic to one lane on the subject structure in accordance with Case D5B of the 2006 edition of the Department's Manual on Temporary Traffic Control for Streets and Highways. Traffic control signs and pavement markings will be done by others. Also no generators for power supply will be allowed.
- 2. The contractor has the option to install an overhead system in accordance with Case D5A of the same traffic manual.
- 3. Installation of electrical service pole and arranging for electrical service with the utility. Cost of electrical service will also be included. Electrical power wires will be carried by approved conduit which can be attached to the bridge.
- 4. Work is to begin within 10 calendar days of award.
- 5. This project is initially expected to last for 15 months until bridge replacement project is let. Bridge contractor will then assume cost of continuing service. Bridge project expected to last at least an additional 18 months.

Any questions are to be directed to Steve Campbell at 304-558-3775.

STATE OF WEST VIRGINIA Purchasing Division

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregale.

DEFINITIONS:

"Debi" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any Individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (West Virginia Code §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
