These Diagrams for WV Primary Routes and WV Secondary Routes are available in each WVDOH District office and the WVDOH Central Office. The WVDOH will determine the route to be taken due to bridge and/or road restrictions.

Out-of-state delivery route mileage will be calculated by the WVDOH utilizing "Mapquest" or a similar source for routing from the equipment owner's location of the equipment to the WV State line at which time, the Straight Line Diagrams will be sourced to the WVDOH job site.

The quoted rates for leased equipment, with operator or without operator (i.e., \$/day, \$/week and \$/month), shall be for lease days, lease weeks and lease months as defined under the heading "DEFINITION OF LEASE PERIOD". Quotations which do not conform to all requirements of this specification will not be honored.

LEASING INSTRUCTIONS

The WVDOH District wishing to lease a specific type of equipment will compute, for each applicable bid, the cost of renting the equipment during the estimated lease period plus the cost of delivering the equipment to the job site and award the Agency Release for lease equipment to the equipment owner who can furnish the equipment to the WVDOH at the least overall cost.

Example: Rental of an Aerial Bucket Truck for 3 days (with or without Operator) at \$100.00/day with 10 mile delivery at \$1.00/1st mile and \$.50/each additional mile:
To calculate: \$100.00/per day x 3 days = \$300.00 for rental of the equipment only + \$1.00/1st mile + \$4.50/add'l 9 miles = \$305.50 total rental for three days.

Equipment owners shall furnish the WVDOH, the serial numbers of all equipment being leased. Said serial numbers shall be recorded on the Agency Release

DEFINITION OF LEASE PERIOD

The date of official receipt of leased equipment by the WVDOH shall be considered the first day of lease.

The date immediately preceding the date on which leased equipment is officially returned to the owner shall be considered the last day of lease.

Days on which a piece of equipment is down for normal maintenance or repair for four (4) hours or more during the normal work period shall be considered a day of downtime and shall not be considered a day of equipment lease.

A lease day is a day of agency possession of equipment during which it is not down for four (4) hours or more during the normal work period.

A day or days used by the vendor solely for the purpose of travel to the site, set-up or breakdown of equipment shall not be considered as lease days.

A lease week is seven (7) lease days (includes Saturdays, Sundays and Holidays).

A lease month is thirty (30) lease days (includes Saturdays, Sundays and Holidays).

INVOICING INSTRUCTIONS

The minimum period of lease shall be one (1) lease day.

Equipment leased for one (1) lease day or less shall be invoiced at the daily lease rate.

Equipment leased for one (1) lease week or less shall be invoiced at the weekly lease rate or the number of lease days times the daily lease rate, whichever is less.

Equipment leased for more than one (1) lease week but for less than one (1) lease month shall be invoiced at the monthly lease rate or the number of lease weeks times the weekly lease rate or the number of complete lease weeks plus an amount calculated by the above paragraph for any period less than a multiple of seven (7) days, whichever is less.

Equipment leased for one (1) lease month or more shall be invoiced at the monthly rate. In the event the lease period is not a multiple of thirty (30) lease days, then each day in excess of the multiple shall be evaluated as one-thirtieth (1/30) of a lease month.

An invoice for payment on leased equipment shall set forth the following:

1. The beginning date and the date on which the invoicing period ends.
2. The number of lease days in the invoicing period.
3. The number of equipment downtime days in the invoicing period.
4. The make, model and serial number of the leased equipment being invoiced, and
5. The total owed to vendor and method of calculation.

NOTE 1: The WVDOH will supply the equipment owner with the downtime days in any calendar month within ten (10) days following the end of the calendar month or within ten

(10) days following termination of lease, whichever is appropriate. The equipment owner may obtain this information sooner by calling the WVDOH District that is leasing the equipment.

NOTE 2: The period of need for leased equipment as specified in the Agency Release is only an estimate of need and shall not be used for invoicing purposes.

LEASE AGREEMENT

The WVDOH, through the Purchasing Division of the Department of Administration, hereby requests a proposal for the lease of certain highway equipment. Such equipment will be required for the completion of maintenance or construction projects or any other such condition as may result in equipment needs beyond fleet capacity. A twenty-four (24) hour notice will be given to all Vendors prior to the need of equipment by the WVDOH District Engineer or his representative except when emergency situations require need upon demand.

Quotations may be submitted by vendor on any, or all, type and size equipment listed on Schedules I and II, attached hereto and made a part hereof. Vendors should display manufacturer's name(s), model number(s) and serial number(s) of those vehicles being bid. Quotations are requested "without operator" unless quotations are specifically requested "with operator" see Schedule II.

Quotations for mobilization shall be by the mile. Submission of mobilization quotes in any form other than mileage shall be grounds to disqualify the quotation. Delivery/Mobilization fees shall be paid one way only, by the WVDOH.

Award for equipment lease will be made, from time to time, as the need arises. Proximity of equipment as to job site shall be a factor in determination of each award. It is understood between the WVDOH and all Vendors whose bids are accepted that, in the event the low bidder for any given job location is unable to perform; the award will be made to the next lowest bidder. In the event that no bidder can be found to perform his duties and obligations under the contract, then the WVDOH, upon authorization of the Director of Purchasing, may lease said equipment on the open market.

PAYMENT: The WVDOH District that is leasing the equipment shall furnish a written order known as an Agency Release to the proper Vendor for such equipment as needed. This order shall constitute confirmation to the Vendor and shall reveal all pertinent data such as model year, model number and serial number of such equipment being furnished.

LABOR RATES

All labor rates paid by the Vendor under this contract must be in compliance with, The West Virginia State Code Chapter 21, Article 5A: Wages for Construction of Public Improvements.

THIS REQUEST FOR QUOTATION, GENERAL TERMS AND SCHEDULES I AND II FORM THE QUOTATION AND CONSTITUTE ONE INSTRUMENT THAT MUST BE READ IN ITS ENTIRETY.

GENERAL TERMS

I DEFINITION OF "LEASE" AND DESIGNATION OF PARTIES

"Lease" shall mean an agreement wherein the WVDOH leases the equipment set forth and described in Schedule I, attached to and made a part hereof, for periods of time not to exceed ninety (90) days unless otherwise clearly specified in the Agency Release, which said Agency Release shall define the period of time of any particular lease of equipment.

II DELIVERY/MOBILIZATION

Any Vendor whose bid is accepted by the WVDOH shall deliver such equipment requested by the WVDOH at any given time, assembled and ready to operate, to any location or locations designated by WVDOH.

III ACCEPTANCE: BEGINNING OF TERM

Upon delivery of each item of equipment by the Vendor to the location described in the individual Agency Release, the WVDOH shall have an authorized representative to test and inspect the same and, if such item of equipment is found to be in good order, to accept such item of equipment and to acknowledge the same in whatever form reasonably required by the Vendor. Such item of equipment shall be deemed to have been delivered to and accepted by the WVDOH on the date specified in such acknowledgment and the term of the agreement covering such item of equipment shall be deemed to begin on that date.

IV PAYMENT IN ARREARS

The WVDOH is prohibited by Law from paying in advance for equipment, commodities or services. Therefore, all monthly payments made pursuant to a lease agreement shall be made in arrears, for the preceding month.

V
MAINTENANCE OF EQUIPMENT WHEN
OPERATORS OF EQUIPMENT ARE FURNISHED
BY THE WV DIVISION OF HIGHWAYS

V1. The WVDOH shall repair or replace any part of the leased equipment which shall be destroyed, damaged or made inoperative by reason of the ordinary negligence, abuse or improper operation by its personnel. The WVDOH shall not be responsible for any such replacement or repair caused by any defect existing in such equipment at the time of delivery of such equipment by the Vendor to the WVDOH or if the need for such replacement or repair resulted from normal usage. The WVDOH shall replace or repair any part of said equipment which shall become lost, stolen or damaged by reason of the failure of the WVDOH and its personnel to use ordinary care for the protection of such equipment.

V2. Down Time: All such equipment inoperable by reason of the necessity of replacement of parts or repair of damage for a period of time greater than four (4) hours shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH for the use of such equipment for such periods unless such "down time" is due to the negligence or lack of reasonable care by the WVDOH.

VI
FUEL, OIL AND OTHER LUBRICANTS

The WVDOH shall, at its expense, provide only fuel, oil and other lubricants (which are necessary for the operation, maintenance and use) of the equipment leased without the vendor's operators. Equipment leased with the vendor's operators shall have fuel, oil and other lubricants supplied by the vendor. Vendors shall be responsible for performance of regular, routine, preventive maintenance, according to Manufacturer recommendations of equipment and parts/supplies associated with regular, routine, preventive maintenance activities.

VII
RISK OF LOSS, DAMAGE OR THEFT
WHERE OPERATORS OF EQUIPMENT ARE
FURNISHED BY THE WV DIVISION OF HIGHWAYS

All loss, damage, or destruction of such leased equipment, partial or complete, or loss by reason of theft, to or of any of the subject equipment, while in the possession or under the control of the WVDOH, due to or caused by the ordinary negligence of the WVDOH or its personnel or by the failure of the WVDOH or its personnel to exercise ordinary care for the protection of such equipment, shall be borne by the WVDOH from and after the delivery of such equipment by the Vendor to a location designated by the WVDOH and its acceptance by the WVDOH, subject however, to the terms and conditions hereinafter set forth. The WDOH shall not be responsible for any such loss, damage or destruction, partial or complete, caused by a defect in such equipment existing at the time of delivery thereof by Vendor to the WVDOH.

The total or partial loss of use or possession of any of said equipment resulting, as herein above set forth, shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession is caused by the ordinary negligence or the lack of ordinary care of such equipment by the WVDOH or its personnel.

The subject equipment shall be deemed to be a total loss by reason of its disappearance or if it has sustained physical damage and the estimated cost of repairs is determined, as hereinafter provided, to exceed seventy-five percent (75%) of the market value of such equipment. If a claim is made by the Vendor against the WVDOH for the loss or damage to such equipment, the Commissioner of the West Virginia Division of Highways shall, pursuant to the provisions of Section 4, Article 3, Chapter 17 of the Code of West Virginia 1931, as amended, review such claim and if, after such review, the said Commissioner shall determine that a sum of money is due the Vendor as a result of any such claim shall, if such determination or finding is acceptable to the Vendor, issue a requisition to the Auditor of the State of West Virginia for the payment of such agreed sum to the Vendor.

Nothing herein contained shall prevent the Vendor from proceeding in the West Virginia Court of Claims as to any claim he, she or it may have against the WVDOH for such loss, damage or destruction.

In the event that, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation by reason of such loss, damage or theft, any such sum of money so paid to Vendor shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. If the Vendor shall receive any sum of money from any insurance company, person, firm or corporation for such loss, damage or theft, subsequent to the payment to the Vendor by the WVDOH of a sum of money for a claim for such loss or damage the Vendor will pay to the WVDOH the amount so received or such part of said amount that equals the amount WVDOH has paid to said Vendor.

VIII
MAINTENANCE AND RISK OF LOSS, DAMAGE OR THEFT
OF EQUIPMENT WHEN OPERATORS OF EQUIPMENT
ARE FURNISHED WITH EQUIPMENT BY VENDOR

In the event operators are furnished by the Vendor to operate such equipment leased to the WVDOH, the Vendor shall be responsible for maintenance of such equipment, for all loss to such equipment or destruction of or damage thereto, and shall repair all damage to such equipment and replace any such equipment lost or destroyed. The WVDOH may deduct that part of any rental to be paid to Vendor for the use of such equipment for such period of time the equipment is not available for such use during the time of such repair or replacement due to such damage or loss or during the time involved in the replacement of any piece of equipment.

The WVDOH shall be responsible for any loss of such equipment or any part thereof during the time that such equipment is not in use or is not required to be attended by Vendor's operators provided, however, that such equipment is delivered by the Vendor through its operators to a place designated by the WVDOH's employees or agents, in which case the WVDOH shall be responsible for the security of such equipment, and, provided further, however, that the WVDOH's responsibility or liability for such security will be limited to ordinary care.

Such operators so furnished by the Vendor, while under the direction of the WVDOH, shall remain the employees of and under the control of the Vendor, and shall not be considered as agents of the WVDOH.

IX **LIENS**

The WVDOH shall not directly or indirectly create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the subject equipment, except with respect to the respective rights of the Vendor and the WVDOH as herein provided.

X **ENJOYMENT OF EQUIPMENT**

The Vendor covenants to provide the WVDOH during the term of the applicable agreement with quiet use and enjoyment of the subject equipment, and the WVDOH shall, during the term peaceably and quietly have, hold, and enjoy the subject equipment, without suit, trouble or hindrance from the Vendor, except as expressly set forth in this agreement. Any assignee of the Vendor shall not interfere with such quiet use and enjoyment during the term of the agreement so long as the WVDOH is not in default.

XI **INSPECTION OF EQUIPMENT**

To the extent that the WVDOH has the authority to grant or permit, the Vendor shall have the right, during work hours, to enter upon the premises where the subject equipment is located for the purpose of inspecting or observing the use of the leased equipment.

XII **RETURN OF EQUIPMENT**

Upon the expiration of the term of this agreement, the WVDOH shall return the equipment leased hereunder, at its expense, to the Vendor at the original location at which such equipment was delivered to the WVDOH. Equipment must be washed and clean, upon return to the vendor.

XIII
DAMAGE BEYOND CONTROL OF LESSEE

The WVDOH shall not be liable for damage to or loss of any leased equipment resulting from lightning, Acts of God, riots, strikes or other causes beyond the WVDOH's control.

XIV
DEFAULT

Upon default of any of the provisions or terms of this Agreement by either the WVDOH or the Vendor, the parties hereto shall have recourse to the remedies provided by the laws of the State of West Virginia and the United States of America.

XV
INSURANCE

The WVDOH is insured by the Board of Risk and Insurance Management. Insurance coverage will be provided by that agency only for long term, i.e., over thirty (30) consecutive days equipment lease. Insurance coverage for short term rental/lease equipment will be the responsibility of the owner/Vendor. The WVDOH will, at its option, either replace or pay to Vendor the fair market value of any of the subject equipment or any part thereof, lost, destroyed or stolen by reason of the negligence of or lack of ordinary care on the part of its employees as herein-before provided in Section VII.

XVI
INDEMNITY

Article X, Section 6 of the Constitution of the State of West Virginia provides that ". . .the credit of the State shall not be granted nor shall the State ever assume or become responsible for the debts or liabilities of any person." As a result, the WVDOH, as Lessee, will assume only those liabilities permitted by law for all obligations, losses, damages, injuries, claims, demands, penalties, actions, costs and expenses of whatsoever kind and nature, without recourse to Vendor, or its assigns, arising out of the manufacture, use, condition, operation, removal and return of the subject equipment, regardless of where, how and by whom operated.

XVII
NOTICES

All notices to be given under the terms of this Agreement, or required by the laws governing the same, shall be in writing and mailed to the proper party or parties at his, her or its address set forth in the Agency Release or at such address as any such party or parties may provide in writing to the other party or parties from time to time.

XVIII
SUCCESSORS OR ASSIGNS

The terms of this agreement will apply to all lessees, successors or assigns of the parties hereto.

Note: Vendor should type Bid Schedule.

All contracts on Schedule II which requires equipment "with operator" Vendors should submit a copy of WV Contractor's License.

Vendor shall indicate that area which he wishes to lease equipment to the WVDOH by placing a check beside those Counties in said area. If Vendor fails to state which County or Counties he wishes to lease equipment to the WVDOH, it will be assumed that Vendor's bid is for statewide.
